Religious Diversity in European Prisons Irene Becci, Olivier Roy, 2015-06-09 This book examines how prisons meet challenges of religious diversity, in an era of increasing multiculturalism and globalization. Social scientists studying corrections have noted the important role that religious or spiritual practice can have on rehabilitation, particularly for inmates with coping with stress, mental health and substance abuse issues. In the

past, the historical figure of the prison chaplain operated primarily in a Christian context, following primarily a Christian model. Increasingly, prison populations (inmates as well as employees) display diversity in their ethnic, cultural, religious and geographic backgrounds. As public institutions, prisons are compelled to uphold the human rights of their inmates, including religious freedom. Prisons face challenges in approaching religious plurality and secularism, and maintaining prisoners' legal rights to religious freedom. The contributions to this work present case studies that examine how prisons throughout Europe have approached challenges of religious diversity. Featuring contributions from the UK, France, Italy, Germany, Switzerland, The Netherlands, Belgium and Spain, this interdisciplinary volume includes contributions from social and political scientists, religion scholars and philosophers examining the role of religion and religious diversity in prison rehabilitation. It will be of interest to researchers in Criminology and Criminal Justice, Social and Political Science, Human Rights, Public Policy, and Religious Studies.

Since the publication of *Consultation with a Midwife*, there has been a perceivable change in the way pregnancy, childbirth and childbed - until the end of the breastfeeding period - are dealt with. Inside Llewyn Davis: The Screenplay Joel Coen, Ethan Coen, 2013-11-01 (Book). Quintessential Coen brothers fare but different. *Inside Llewyn Davis* has a certain kinship with *Les Misérables*. In it almost all the principal actors Oscar Isaac, Carey Mulligan, Justin Timberlake sing. While not quite a musical, *Inside Llewyn Davis* is built around full-length performances of folk songs that were heard in the grubby cafes of the Village in a year when Bob Dylan, who kind of, sort of shows up in the movie, had just appeared on the scene. Bob Dylan, Paul Clayton, the Rev. Reverend Gary Davis, Joni Mitchell, Tom Paxton and myriad other singers of the era are invoked in the film. Its story bounces through actual places like Gerde's, the Gaslight Cafe and the Gate of Horn in Chicago without explicitly portraying real artists or folk music powers like the impresario Albert Grossman. Working with the producer Scott Rudin, their collaborator on both *True Grit* and *No Country for Old Men*, the Coen Brothers shot the film in New York City and elsewhere last year and finished the movie at their own pace. They could have rushed it into the Oscar season but chose to bide their time. T Bone Burnett, who provided the old time music of *O Brother, Where Art Thou?*, also produced the music for *Inside Llewyn Davis*. Mr. Burnett has helped to re-create the brief flowering of a folk scene that in the early '60s made Washington Square and its environs an unlikely crossroads for musical influences from Appalachia, the Deep South, the Far West, New England almost

anywhere but New York's neighborhoods, from which some of its heartiest practitioners, and Llewyn Davis, arrived.
