Videogames and Horror Dawn Stobart, 2019-10-01 Videogames are full of horrors – and of horror, a facet of the media that has been largely overlooked by the academic community in terms of lengthy studies in the fast-growing field of videogame scholarship. This book engages with the research of prominent scholars across the humanities to explore the presence, role and function of horror in videogames, and in doing so it demonstrates how videogames enter discussion on horror and offer a unique, radical space that horror is particularly suited to fill. The topics covered include the construction of stories in videogames, the role of the monster and, of course, how death is treated as a learning tool and as a facet of horror.

Run 2 Rich Restucci, 2016-01-27 Plague. Infection. Death. The world we knew is gone, replaced with something infinitely more deadly. Life, the paramount precious commodity is fleeting for Earth's newest endangered species: Man. Whether death arises from the legions of ravenous undead which now roam the planet, or at the hands of villains unchecked, the result is the same. The finality of death has fled, however, and the Reaper no longer holds his sway. The greatest plague in history alters life itself into something that cannot be, killing the infected, but only briefly. Victims return as one of the undead to seek out that which they once were, infecting and consuming anything alive. But hope, however slim, exists. The promise of a possible vaccine is enough for a rag-tag band of military and civilians to traverse a continent ravaged by the plague. Countless obstacles stand in the way, and merciless enemies, both living and not, will do everything to deny this Crossing.

Zombie Complex Alexander Pain, 2017-10-31 The neighborhood smelled bad before the dead people shuffled in. Jake and Karen lived in an apartment complex that housed a hodgepodge of cultures-some of which cooked the nastiest smelling foods. When zombies arrived between

paychecks, the couple had no place to go and no money to get there. Their neighbors were mostly guest workers from India. Their homes and families were 12,000 miles away. They were all trapped together. Survival would mean uniting to fight the dead. This is the story of very different people coming together, improvising, getting supplies, and uniting for the fight of their lives. They made their stand at a place called Chattahoochee Run Apartments--a place that will always be known as the Zombie Complex! Zombie Complex is a different kind of zombie novel! Have you ever wondered how the local and national media would cover a zombie apocalypse? Have you ever wondered how state and local authorities would respond? Have you ever wondered whether your employer would allow you time off for a zombie crisis? In the pages of this great zombie novel, you'll get a glimpse of how our institutions will try to handle the Zeds and fail. Zombie Complex is based on the real world! The characters of Zombie Complex aren't former soldiers who continue to work out and maintain a state of the art arsenal. Instead, they are flawed people just like the rest of us. They experience every frustration of apartment living and life in a global economy. They aren't perfect. The heroes of Zombie Complex had every intention of starting a working out regimen. They were going to start going to the gym. They were going to eat salads everyday. If it wouldn't have been for a zombie apocalypse, they would lose weight and look great. They also want to pay down their credit card debts and move to a better location. But, the dead have a way of interrupting all of these plans. When zombies come to town, the residents of Chattahoochee Run have to survive on what they have and what they can scrounge up. When it comes to fighting the dead, the heroes of this novel have to fight with weapons they own. You won't find an exotic arsenal in Zombie Complex. Instead, you'll find a desperate battle involving hodgepodge of weapons average Americans may own. Join the fight today! You may see yourself, your friends, your family, your co-workers. and your weird neighbors among the residents of the Zombie Complex. But, you won't see any of them unless you scroll up, click to purchase this book, and join the fight!
