Mount Weather David Achord,2017-01-21 In the ongoing saga of the *Zombie Rules* series, Zach, his family and friends are lured from their home in Tennessee and relocate to a post-apocalyptic bunker known as Mount Weather, nestled in rural Virginia. They have been promised a better life by none other than the President himself. Zach's apparent immunity to the zombie virus may hold the key to creating a vaccine and securing a future for the human race. Life at Mount Weather is indeed a significant improvement from their former life, but it is not without its dark side and Zach finds himself having to make a difficult choice.

Parenting in the Zombie Apocalypse Steven J. Kirsh,2019-05-21 Parenting is difficult under the best of circumstances--but extremely daunting when humanity faces cataclysmic annihilation. When the dead rise, hardship, violence and the ever-present threat of flesh-eating zombies will adversely affect parents and children alike. Depending on their age, children will have little chance of surviving a single encounter with the undead, let alone the unending peril of the *Zombie Apocalypse*. The key to their survival--and thus the survival of the species--will be the caregiving they receive. Drawing on psychological theory and real-world research on developmental status, grief, trauma, mental illness, and child-rearing in stressful environments, this book critically examines factors influencing parenting, and the likely outcomes of different caregiving techniques in the hypothetical landscape of the living dead.

Last Days: Zombie Apocalypse: Seasons Ash Barker,2019-09-19 *Last Days: Zombie Apocalypse: Seasons* brings an all new campaign to the skirmish-scale miniatures game of survival horror, taking players through the changing seasons and the challenges this brings to their Groups of survivors. As well as rival gangs and mindless zombies, your Group will have to deal with hunger, thirst, warmth, and the many other problems that can't be stopped with a well-placed bullet. Featuring a host of new character types, scavenge tables, scenarios, and even rules for using bicycles, motorbikes, and snowmobiles, this expansion is essential for a survivor during the last days.

Zombie Apocalypse Preparation David Houchins,Scot Thomas,2016-04-12 We guarantee this is the only tool you need to survive the zombie apocalypse. OK, that's not really true. But when the SHTF you're going to want a survival guide that's not just geared toward day-to-day survival. You'll need one that addresses the essential skills for true nourishment of the human spirit. Living through the end of the world isn't worth a damn unless you can enjoy yourself in any way you want. (Except, of course, for anything having to do with abuse. We could never condone such things. At least the publisher's lawyers say we can't.) We can't guarantee this guide will save your life. But we can guarantee it will keep you smiling while the living dead are chowing down on you.--Publisher's website.

It's Beginning to Look a Lot Like Zombies Michael P. Spradlin,2009-10-13 The snow is falling, the holidays are approaching and...It's Beginning to Look a Lot Like Zombies! This delightfully depraved book of classic *Zombie Christmas* carols by Michael P. Spradlin is guaranteed to spread Yuletide cheer to all those good boys and ghouls who devoured the monster *New York Times* bestsellers *Pride and Prejudice* and *Zombies* and *World War Z*, as well as fans of *28 Days Later* and *Shaun of the Dead*. With an introduction by the inimitable Christopher Moore—bestselling author of *Bloodsucking Fiends*, *You Suck*, and the classic “heartwarming tale of Christmas terror” *The Stupidest Angel*—It's Beginning to Look a Lot Like *Zombies* is a great gift for stuffing into a Christmas stocking...provided you remove the bloody severed foot first!

The Zombie Chronicles - Book 9 - Siege Chrissy Peebles,2016-02-02 This is book 9. Dean and the gang head home to Sandusky, Ohio. Dean, Val, and Nick want to meet up with their parents and grandmother. Not knowing if they're dead or alive, they keep hopeful. Can they make it back to their old home? Can they get the cure into the right hands?

Living with Zombies Chase Pielak,Alexander H. Cohen,2017-01-16 Depictions of the zombie apocalypse continue to reshape our concept of the walking dead (and of ourselves). The undead mirror cultural fears--governmental control, lawlessness, even interpersonal relationships--exposing our weaknesses and demanding a response (or safeguard), even as we imagine ever more horrifying versions of post-apocalyptic life. This critical study traces a shift in narrative focus in portrayals of the zombie apocalypse, as the living move from surviving hypothetical destruction toward reintegration and learning to live with the undead.

U.S. Army Zombie Combat Skills Department of the Army,

Poxland Bryan Cassiday,2013-11-11 America has been devastated by both plague and the nuclear weapons used to kill off the infected flesh-eating creatures that roamed across the land preying on human beings. National Clandestine Service black ops agent Chad Halverson and dress designer Victoria Brady take refuge in a blast shelter in the Nevada desert when an A-bomb is dropped on Las Vegas at the behest of the president of the United States. Halverson and Brady join up with a band of four fellow refugees, who are not what they seem, and head east toward the nation's capitol to find out what remains of the government. However, another band of refugees intercepts them, kidnaps the lot of them, and spirits them away to a massive bunker complex in top secret Area 51, where SS-Oberfuhrer Oswald Gutman's son, Hector Guzman, is conducting sadistic experiments. The billionaire drug dealer made his fortune in Mexico after growing up in Argentina in seclusion with his father, an unrepentant member of the Order of the Death's Head who escaped Germany via a ratline in Buenos Aires after the fall of Adolf Hitler's Third Reich. Halverson stumbles onto a conspiracy so diabolical it defies belief, a conspiracy so vast that it already extends into the highest reaches of the US government. Outnumbered and outgunned, as well as besieged by hordes of zombies that survived the nuclear holocaust, he must somehow defeat the cabal before it can achieve world domination.

Killing Zombies for Fun & Profit Leethal,2016-09-27 A warped little journey of sarcasm, economics, & profitable zombie hunting. While the eradication of *Zombies* may not be a realistic way to make a living (yet), certain sociological tidbits contained in the book may offer insight to the future of our economical status. Our world seems to be collapsing around us more each day, and while *Zombies* may be a metaphor for our impending doom, it really pays to be prepared for a worst case scenario. I tell my friends, I'm not paranoid. I prepare for the worst, and pray for the best.

Colder Weather: A Place to Lay and Die - Standard Copy Tyler Gould,

Silver Zombie Carole Nelson Douglas,2010-11-30 Zombies and Witches and Vamps . . . Oh, My! What happens in Vegas stays in Vegas—at least that’s Delilah Street’s hope. With Sin City’s vampire and werewolf mobs wanting to cash in her chips once and for all, she’s retreating with her partner Ric Montoya and half-wolfhound Quicksilver to her Kansas birthplace. Unfortunately, when it comes to finding trouble, there’s no place like home. . . . It doesn’t take long before Delilah realizes she’s not in Vegas anymore. Zombie cowboys and spectral cattle drives are kicking up dust, the local weather girls are total witches who forecast perfect storms, and some Hollywood fanatic is recasting zombies as the greatest stars of the silver screen. And speaking of silver, Delilah’s special affinity for the all-purpose monster-repellent leads her posse straight down a silver brick road—and into a notso- fun house of mirrors—putting her face-to-face with her dicey past and a mystery woman named Lilith, who’s a real dead ringer for Delilah. The key word being dead.
