A Challenge A Day lchallengehub,2019 Are you stuck in a rut? Have you struggled to achieve your goals? Change isn't easy and for some of us it seems impossible! I was one of those people who struggled with accomplishing my goals for years. That was until I discovered the 30 Day Challenge. The Challenge is a powerful resource! A Challenge A Day will provide you with ideas to help you build new behaviors and create healthy habits that stick, in the form of 30 day challenges. A 30 day challenge is a proven strategy for implementing new healthy habits in life. They are powerful tools for change because they force you to do (or not do) one thing every single day, even if that something is small. People do all kinds of challenges, from fitness to food to health, self-improvement, learning, productivity, organization, relationships, personal finance, happiness and kindness, just to name a few. These challenges are designed to help you focus on the process of taking action every single day, because the consistency of action is what leads to change. I've spent the past two years taking and making monthly challenges for myself and my family, in a quest to become healthier more productive and inspired. From learning to play the piano, to writing a book, to giving up sugar, my successes and failures have given me (and my family) a priceless education on the power of discipline, self-control, and the development of good habits. I've enjoyed the process immensely and have learned firsthand that continuous improvement and the commitment to investing in yourself pays dividends. This is why I keep taking on new challenges for myself and my family, and it's why you should give it a try as well. What's your Challenge? Find it here!
