**A Collection Of Short Stories & Poems** Gary E. Smith,2021-11-04 This is a book of short stories of everyday human emotional experiences. Stories of profound loss. Stories of great friendships. Stories of growing old with a dog, of going to war, and of course, stories of deep romantic love. I hope the stories encourage the reader to do some introspection on what it means to be human. I believe the poems, like all art, will mean more to some than to others.

Also, enjoy mysteries involving Private Detective Jack Donovan in If You Could Hear What I See and its sequels. Plus, enjoy the tearful poems The Thin Blue Line and Rebuking Michael. **Anthology - Short Stories & Poetry (2nd Edition)** Ronald K. Reddout,2019-01-30 In this book you will find short stories of varying lengths as well as story poems and regular and lyrical poetry. Stories in this anthology include (1) a house that has a very subtle (or maybe not so subtle) way of eliminating its owners, (2) the results of an alien invasion from the viewpoint of one of the aliens, (3) a morning in the life of a taxi driver set approximately two thousand years in the future on the heavily industrialized Planet of Mulgroon, (4) a slightly altered version of the familiar children's fairy tale entitled Goldilocks and the Three Bears that introduces you to baby bear's three older siblings - Bernice, Cynthia, and Franklin as well as two other very short stories. This anthology also contains three different styles of poetry: Story Poems - poetry that tells a story, of course; Poetry - the regular kind - mostly non-rhyming; and Lyrical Poetry, or poetry that can be set to music and sung. Themes range from the very down-to-earth to fanciful to love as well as to science-fiction/fantasy and futuristic related themes.

*Best Short Stories & More: A Multi-Genre Collection of Short Stories & Poems* Az Writers,2018-11-25 Best Short Stories & More by AZ Writers contains 77 captivating stories written by 45 established authors possessing an outstanding range of talent. Unlike many other Short Story collections; in this book, the reader will experience the writing voice and style of many authors. Whereas in most other collections the reader is confronted with a dozen or more stories written by one author who writes stories with the same voice, the same style, and usually with the same plot, which after a story or two, become quite boring. Or, as in some other collections, the reader will find stories written 100 years ago by authors who are no longer with us. In Short Stories & More by AZ Writers, the reader will find a contemporary multi-genre collection of stories by dozens of authors who are still, as of this writing, on the green side of the grass. Short Stories & More by AZ Writers includes memoir stories, historical fiction, creative non-fiction, and many other well-written pieces that will amuse, intrigue and mystify the reader. A few of these stories may make you laugh, and a few may bring a tear to your eye. In this collection, you will find well-crafted stories with irony, sarcasm, adventure, mystery, crime, and a couple of stories with a bit of romance. This collection also includes 40+ non-abstract poems created by 25 established and emerging poets, who, in their own poetic style, have written poems that tell a story. Below are two reviews from Best Selling Authors who have read, Short Stories and More by AZ Writers. Mike Rothmiller Writes--Short Stories and More by AZ Writers is an impressive collection of stories and sonnets written by an eclectic group of Arizona writers. You'll laugh, you'll cry and more importantly, you'll enjoy the book. The wide-ranging subjects hold your interest and make the reader eager to continue. It's well worth your time.- New York Times Best Selling Author Mike Rothmiller Sam Barone Writes--Not much is assured in life or literature, but here's one guarantee you can count on - in this collection of stories and poems you will find several that will make you glad you bought the book. AZ Writers have produced an impressive body of work. One story made me laugh aloud, another brought back nearly forgotten memories, and one touched my heart. So, your favorite stories and poems, the ones that will reach out only to you, are waiting for your discovery. Best Selling Author-Sam Barone \*Sam Barone has written more than a dozen books. **Slices of Life** Michael Patrick Mullaley,2012-08-24 It is impossible to capture the essence of a man in a simple recount of his life. Likewise, it would be equally impossible to reveal his trials, tribulations, and accomplishments exclusively through poetry. But together it may be possible to capture enough of a man's soul to keep him alive in the hearts of his audience for all of time. In his collection Slices of Life: A Selection of Short Stories and Poems, author Michael Patrick Mullaley seeks to capture the full dimensionality of his existence. Through a conglomeration of memoir, poetry, and prose, Mullaley challenges the limitations of written

expression and weaves a totality of insight into not only his own being, but also some deeper aspects of the human condition as a whole, exploring both weighty questions and everyday pains and pleasures. The Cedar Chair explores a moving relationship between an inmate and a little girl, and many of the stories feature a core struggle, such as that of the older runner in All the Way. Some of his poems appeal to a cerebral nature, such The Contender, while others appeal to the senses, as in Feelings. A thought-provoking collection of prose and poetry, fiction, and nonfiction, Slices of Life captures the depths of Mullaleys soul and considers questions of human nature.

*Mapping the Nation* Sheshalatha Reddy,2013-10-15 Focusing specifically on the poetic construction of India, ‘Mapping the Nation’ offers a broad selection of poetry written by Indians in English during the period 1870-1920. Centering upon the “mapping” of India – both as a regional location and as a poetic ideal – this unique anthology presents poetry from various geographical nodal points of the subcontinent, as well as that written in the imperial metropole of England, to illustrate how the variety of India’s poetical imagining corresponded to the diversity of her inhabitants and geography.

**The Short Stories** Langston Hughes,2002 For the first time in many years, Langston Hughes's published collections of stories are now available in a single book. Included in this volume are: Ways of White Folks, originally published in 1934; Laughing to Keep from Crying, originally published in 1952; and additional stories from Something in Common and Other Stories, originally published in 1963; as well as previously uncollected stories. These fictions, carefully crafted in the language Hughes loved, manifest the many themes for which he is best known. We meet and come to know many characters--black and white, young and old, men and women & mdash;all as believable as our own families, friends, and acquaintances. Hughes's stories portray people as they actually are: a mixture of good, bad, and much in-between. In these short stories, as in the Simple stories, the reader enjoys Hughes's humor and irony. The stories show us his inclination to mock himself and his beloved people, as much as he ridicules the flaws of those who belittle his race. His genuine characters interact and realistically bring to life this era of America's past. By maintaining the form and format of the original story collections, this volume presents Hughes's stories as he wanted them to be read. This volume will be an invaluable addition to the library of anyone interested in African American literature generally and the fiction of Langston Hughes specifically.

**A Flame and an Echo** Yashwant Ayalasomayajula,2020-02-10 A Flame And An Echo contains a number of high-quality short stories and poems written by an author between the ages of sixteen and eighteen, and then selecting the only the best of the stories written to be published in the collection. Within this includes... (1) Bleeding In The Rain: What does one do when awoken to only find themselves in a room full of darkness? The answer isn't exactly what one may expect. (2) The Black Rivers: Sometimes one must simply accept the reality that, you know, real men don't cry... or try their best to do so. (3) Reflection on Crystalline: With the ability to see another's future when looking into their eyes, one ought to imagine what our protagonist sees in the pupils of those around him. (4) Grindstone: All knives need to be sharpened at some point if you want to keep using it. No matter the intention (5) A Lawful Rebellion: A simple rebellion, one that in no way is treasonous, results in unintended consequences, as one would imagine. In this case, and full-blown war. (6) A Short Poem Ballad: As one would expect from the title of this piece, it serves as an anthology within an anthology, featuring Penship, Freeway, and Sleepcycle (7) The Ruby Bracelets: Would it truly be worth wearing wealth incarnate if one could never take them off? I don't know, I'm asking you. (8) Shattering: How many times can something shatter before you finally understand it's probably going to shatter again realistically in an hour... (9) An Untethered Angel: Angels are not meant to be trapped on the human-exclusive planet known as the Earth. It's quite the simple truth. (10) Your Average Residential Murder: It's just your average residential murder... nothing too fancy. (11) The Boulders: When the weight of the world crushes your back, is fighting back even an option? Probably not, realistically (12) A Flame And An Echo: Lastly comes the poem that the anthology is named after, the one in which the echoes that surround us all are put into question. All twelve (fourteen if A Short Poem Ballad is counted as three) of these stories invigorate a distinct set of feeling, such that when combined, a spectrum of emotion is formed, encompassing hope, grief, despair, betrayal, nostalgia, passion, conflict, regret, joy, surprise, freedom, vengeance, comfort, relief, sorrow, rage, tiredness, resilience, and confusion, all in one anthology, simply begging for an audience to experience it all, or rather, relate to it all.
