Sara's life turns upside down and she is forced to work as a servant in the school she once attended. Despite all of her misfortunes, Sara maintains a

kind spirit and a cheerful attitude. She works hard and makes friends with everyone she meets-- including a funny monkey who lives next door. When the monkey's owner makes the acquaintance of this sweet little girl, Sara's father's past is once again considered. Is Sara's fate set as a servant girl? *A Little Princess* by Frances Hodgson Burnett is a sweet childhood classic that deserves to be read again and again.

Burnett,2015-08-27 A Little Princess is a 1905 children's novel by Frances Hodgson Burnett. Sara Crewe is a bright and charming student at Miss Minchin's Select Seminary for Young Ladies, and had a privileged background but is now living as a Cinderella figure. When her adoring father dies on the eve of her eighth birthday, Sara is devastated. Penniless, Sara is banished to the attic and forced to work as a serving girl at the school in which she was once a beloved student. She plays at being a princess. But her response shows that being a princess is less a social ranking than a state of mind. Based on a 2007 online poll, the National Education Association named the book one of its Teachers' Top 100 Books for Children. It was one of the Top 100 Chapter Books of all time in a 2012 poll by School Library Journal.

A Place to Belong Amber O'Neal

Johnston,2022-05-17 A guide for families of all backgrounds to celebrate cultural heritage and embrace inclusivity in the home and beyond. Gone are the days when socially conscious parents felt comfortable teaching their children to merely tolerate others. Instead, they are looking for a way to authentically embrace the fullness of their

diverse communities. A Place to Belong offers a path forward for families to honor their cultural heritage and champion diversity in the context of daily family life by: • Fostering open dialogue around discrimination, race, gender, disability, and class • Teaching “hard history” in an age-appropriate way • Curating a diverse selection of books and media choices in which children see themselves and people who are different • Celebrating cultural heritage through art, music, and poetry • Modeling activism and engaging in community service projects as a family

Amber O’Neal Johnston, a homeschooling mother of four, shows parents of all backgrounds how to create a home environment where children feel secure in their own personhood and culture, enabling them to better understand and appreciate people who are racially and culturally different. A Place to Belong gives parents the tools to empower children to embrace their unique identities while feeling beautifully tethered to their global community.

A Little Princess: the New Annotated Edition and Unabridged Guide (Children Book) Frances Hodgson

Burnett,2020-04-02 A Little Princess is a children's novel by Frances Hodgson Burnett. It is an expanded version of the short story Sara Crewe: or, What Happened at Miss Minchin's, which was serialized in St. Nicholas Magazine from December 1887. According to Burnett, after she composed the 1902 play A Little Un-fairy Princess based on that story, her publisher asked that she expand the story as a novel with the things and people that had been left out before. The novel was published by Charles Scribner's Sons (also publisher of St. Nicholas) with illustrations by Ethel Franklin Betts and the full title A Little Princess: Being the Whole Story of Sara Crewe Now Being Told for the First Time.The novella appears to have been inspired in part by Charlotte Brontë's unfinished novel, Emma, the first two chapters of which were published in Cornhill Magazine in 1860, featuring a rich heiress with a mysterious past who is apparently abandoned at a boarding school.The thread of the book is evident in the novella, in which Sara Crewe is left at Miss Minchin's, loses her father, is worked as a drudge, and is surprised with the kindness of an Indian gentleman who turns out to be Captain Crewe's friend. However, at just over one-third the length of the later book, the novella is much less detailed.Generally, the novel expanded on things in the novella; Captain Crewe's investments are only referred to briefly and generally, and much

of the information revealed in conversations in the novel is simply summarised. However, there are details in the novella which were dropped for the novel. While a drudge, Sara is said to have frequented a library, in which she read books about women in rough circumstances being rescued by princes and other powerful men. In addition, Mr. Carrisford's illness is specified as liver trouble. After writing *Sara Crewe*, Burnett returned to the material in 1902, penning the three-act stage play *A Little Un-fairy Princess*, which ran in London over the autumn of that year. Around the time it transferred to New York City at the start of 1903 with title was shortened to *A Little Princess*. (It was *A Little Princess* in London, but *The Little Princess* in New York.) Burnett said that after the production of the play on Broadway, her publisher, Charles Scribner's Sons asked her to expand the story into a full-length novel and put into it all the things and people that had been left out before. The book was illustrated by Ethel Franklin Betts and published in 1905 under the full title *A Little Princess: Being the Whole Story of Sara Crewe Now Being Told for the First Time*.
