The Adventures of an Economic Migrant Tony Wade,2007 Who is Anthony Wade and what makes the story of his experiences different or unique from those of the tens of thousands of persons who have migrated from the Caribbean to Britain? Wade's odyssey from the idyllic and unchallenging setting of his homeland of Montserrat in the 1950s to a cold, unfamiliar and racially hostile England is a familiar story among Caribbean migrants of his and later generations. Not so familiar is the intriguing story of how he established the most successful black enterprise in Britain at a time when it was difficult to obtain business financing, penetrate the market for hair and beauty products and gain acceptance in an environment hostile to non-white immigrants. Wade overcame all these obstacles - and more, including the near collapse of his company Dyke and Dryden, following a change in majority ownership - to become one of Britain's first black multi-million pound company and mentor an entire generation of black entrepreneurs. Wade's story is not only about how he achieved phenomenal business success or about the relentless pursuit of personal wealth; it is also one of involvement in community affairs and leadership of a diverse range of business and community development organizations. In this role he opened up new avenues for self-employment, greater job opportunities and improvement in the quality of life for countless numbers of Afro-Caribbean people. The most striking example of Wade's civic-minded career was his leadership of the Stonebridge Housing Action Trust which today stands as one of the most successful community redevelopment projects in the entire UK. Written in an engaging and at times, amusing style, Wade is not shy in revealing intimate details of his personal life. A romantic at heart, he introduces readers to his three beautiful wives, Daphne, Rosalyn and Vasantha and writes about the joys of raising three children. The story of Wade's 'Adventures' provides an important lesson for young black entrepreneurs. IT teaches that success come from not who you are but from the ability to remain focused in pursuing objectives, and perseverance in complex times, while maintaining integrity and honesty in business practices and in our personal lives. Anthony Wade now enjoys a life of quiet retirement with Vasantha in Jamaica but still finds time for community involvement and his latest passion, writing.

Let's Pretend This Never Happened Jenny Lawson,2013-03-05 The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
