A Nature Poem for Every Day of the Year Jane McMorland Hunter, 2020-11-27
365 poems celebrating nature and the changing seasons. This is the perfect bedside companion for any nature or poetry fan, featuring famous odes from big-name poets alongside unsung poems from less-well-known writers. Each poem is chosen to chime with the natural world through the seasons. Spring is a time of hope, a season of new life with William Wordsworth's daffodils, John Clare's lambs and Christina Rossetti's birdsong. Summer shifts into a time of leisure with long idyllic holidays in the countryside. According to Henry James, the two most beautiful words in the English language were 'summer afternoon', a sentiment echoed by Edward Thomas and Emily Dickinson. John Keats, William Blake and W. H. Auden are the poets we associate with autumn and this is possibly the most poetic season. The natural world, and the human one, hold onto the last lingering memories of summer before they turn to face the oncoming hardships of winter. Amy Lowell and George Meredith perfectly frame this time of year with their silver-fringed leaves and crimson berries. Winter can be savoured in poetry, rather than endured; bleak grey days are transformed into a world of glittering frost and snow-blanketed landscapes. Even in the darkest days life continues and soon we can turn our attention to the rebirth of spring. A wonderful collection of poems that help mark the daily turn of the seasons and all the rituals marking the significant moments of the year, from Candlemas to Christmas.

A Poem a Day Adrian Mitchell, 2001 A wonderful collection of poetry for young readers. Ages 6+.

A Poem A Day Dominique 'dom the Poet' Bancey, 2020-12-21 A Poem A Day is a mixture of poems by Dom The Poet. This collection features poetry about sexuality, love, heartbreak, change, along with other topics. It is to provide the reader with at least one poem to read each day of the year. It doesn't follow a specific storyline or theme but instead allows you to form your stories and interpretations throughout each poem portrayed. Part 1 provides 120 poems, representing 1/3 of 2021 (January through to April). Most of the poems are written in English, however, a few are written in the writer's native tongue, patios, otherwise known as Jamaican creole. They say an apple a day will keep the doctor away, I guess a poem a day will keep you from going insane. Enter the depths of my mind and soul with caution, beware of the puns and metaphors that will attack and watch out for the alliterations and similes that may crawl underneath your feet. Prepare to read between what may seem to be the simplest of lines as each word that has

been poured into each poem is a masterpiece on its own. Welcome to A Poem A Day.

May Day Phillis Levin, 2008-04-29 A sensuous and musical new collection from acclaimed poet Phillis Levin May Day is a work of a visionary imagination. In tones playful and celebratory, in gestures both intimate and international, Levin's poems explore how tenderness and violence change our lives. From a flood overtaking the Prague zoo to the joy of a maypole dance, from a mural of the Trojan War in a Greek diner in New York to the "noiseless explosions" of time in the opening of a flower, these poems are rhapsodies of the senses and the intellect, disclosing new thresholds of meaning.

What it Means to be Avant-garde David Antin, 1993 what it means to be avant-garde is David Antin's third collection of talk poems published by New Directions. As in his earlier talking at the boundaries (1976), and tuning (winner of the 1984 PEN/Los Angeles Literary Award for Poetry), Antin's brilliant improvised disquisitions at once challenge readers' expectations even as they instruct and entertain. A poet, performance artist, art critic, and professor of visual arts, Antin, since his college days in New York in the '50s, has been at the cutting edge of the avant-garde. The avant-garde? Yes, if by this is meant not an image of fashion but the place where art and life intersect, imparting to both a greater urgency - if is meant the place where experience and knowledge find their deepest expression, where the idea of a universal language can find shape, where the price of art is itself,

where the fringe is the very center of existence.

Only As the Day Is Long Dorianne Laux, 2020-05-12 A collection of new and selected works from a prize-winning poet known to bear compassionate and ruthless witness to the quotidian. Only as the Day Is Long represents a brilliant, daring body of work from one of our boldest contemporary poets, known to bear compassionate and ruthless witness to the quotidian. Drawn from Dorianne Laux's five expansive volumes, including her confident debut *Awake*, National Book Critics Circle Finalist *What We Carry*, and Paterson Prize-winning *The Book of Men*, the poems in this collection have been brought to the hard edge of meaning (B. H. Fairchild) and praised for their enormous precision and beauty (Philip Levine). Twenty new odes pay homage to Laux's mother, an ordinary and extraordinary woman of the Depression era. The wealth of her life experience finds expression in Laux's earthy and lyrical depictions of working-class America, full of the dirt and mess of real life. From the opening poem, *Two Pictures of My Sister*, to the last, *Letter to My Dead Mother*, she writes, in her words, of living gristle with a perceptive frankness that is luminous in its specificity and universal in its appeal. Exploring experiences of survival and healing, of sexual love and celebration, *Only as the Day Is Long* shows Laux at the height of her powers.
