

A Touch From God

Bruce Gordon Epperly

A Touch from God Freddy Jones, 2015-12-17 I am a Born Again Christian, and I write books that I believe are inspired by God and that reflect my values and beliefs. I am quite involved with my church, and I love working with elementary aged children. I believe that the things I do, including writing books, should come from a heart and a life devoted to Christ. A Touch From God is about how two families, the Smith family and the Martinez family have to face some difficult situations. In the case with the Smith family, Tommy, the husband and the father, gets shot when he gets in the crossfire when two people are having an argument. After Tommy has finished visiting a shut-in. When this happens, there is a concern about if or how Tommy will survive. In the case with the Martinez family, Carlos and Gloria, the husband and wife, have to deal with the challenge of dealing with their son who is caught up in the world of drugs and rebellion. In both cases, their faith in Jesus Christ gets them through.

In Touch with God Marie Shropshire, 2000 Let the multitude of my thoughts toward you comfort you and cause your thoughts to turn more and more to me. In Touch with God (more than 150,000 copies sold) now with a new cover, leads readers to a relationship with the Creator that will sustain and guide them. Personal, easy-to-read devotions share the peace and strength of Scripture for daily living. This walk through heartfelt reflections and illustrations reveals the fulfillment that comes from a vibrant faith. Touching God Duc Dau, 2012 'Touching God: Hopkins and Love' is the first book devoted to love in the writings of Gerard Manley Hopkins, illuminating our understanding of him as a romantic poet. Discussions of desire in Hopkins' poetry have focused on his unrequited attraction to men. In contrast, Duc Dau turns to Luce Irigaray and Maurice Merleau-Ponty's theories of mutual touch to uncover the desire Hopkins cultivated and celebrated: his love for Christ. 'Touching God' demonstrates how descriptions of touching played a vital role in the poet's vision of spiritual

eroticism. Forging a new way of reading desire and the body in Hopkins' writings, the work offers fresh interpretations of his poetry.

Who Holds the Key to Your Heart? Lysa M.

TerKeurst, 2002-07-01 Inside the hearts of most women lies a secret place containing hidden thoughts, painful experiences, and emotions that they feel are better left alone. Lysa TerKeurst offers Who Holds the Key to Your Heart? as a practical tool to help women identify their shame and lead them to hope and healing through Scripture. Women will be renewed through a deeper understanding of their identity in Christ and break the bondage hidden in their secret place.

To Touch the Hand of God Eugene J.

Phelan, 2016-05-31 Walter, who has recently experienced the loss of his wife, is having trouble adjusting to his new role as a single father. Feeling particularly down one Saturday morning, Walter is caught off guard by a question from his young daughter, Karen: What happens if you hold a mirror up to another mirror? Her curiosity leads the two on a mission to answer the question. What results is a thrilling discovery for Karen, and confirmation for Walter that he will continue to create happy memories with his daughter despite the loss felt by them both. With beautiful illustrations depicting the love between a father and his daughter, To Touch the Hand of God is a powerful lesson for parents and kids alike: We are stronger than we think.

Affirming the Touch of God Evan B. Howard,2000

Both Ignatius of Loyola and Jonathan Edwards wrote about the theme of Christian discernment. Evan B. Howard clarifies patterns of Christian discernment common to both Roman Catholics and Protestants. Yet his study extends analysis further; through a synthesis of cognitive psychology and religious philosophy, Howard provides greater specification of the roles of affectivity in discernment. This will allow spiritual advisors to better guide men and women into an effective discernment process. Psychologists, philosophers, and students of religion will find this book highly valuable.

To Touch the Face of God Kendrick Oliver,2013

Oliver's study is rigorous and detailed but contemplative in its approach, examining the larger meanings of mankind's first adventures in the heavens.

Prayers That Touch God's Heart Estella

Holiday,2018-04-24 The one thing we should strive for in life is to please God, our heavenly Father. It pleases God when we seek Him in prayer and brag

about His love and affection for us. God will give us Holy Ghost boldness and supernatural power to impact the world with his love when we pray. Prayer can be difficult for people, and this prayer book will help them to grow confidence in their personal prayer life.

Touching God Jon Korkidakis, 2021-12-23 Prayer is an important spiritual discipline, yet for many, it can be either confusing, intimidating, or not well understood. On a popular level, prayer is commonly seen as a means to an end—asking and receiving from God. But is there much more to prayer? In *Touching God: Discovering Prayer that Moves the Heart of God*, you will discover a new dimension of prayer—one that will deepen not only this important spiritual discipline in your life, but also your relationship to God. This book will help you transform your prayer life from spiritual duty, to one that will touch the very heart of God, and when we touch the master's heart, we experience the power of prayer in unimaginable ways.

One Touch B. Hennie,2012-02 It wasn't until I began to write this book that the Lord would begin to reveal everything to me. He was pulling a yes from my spirit, but I would have to go through this process for him to develop me before he could use me to help someone else. I knew I was being led by the Holy Spirit, but my flesh, my mind, had to catch up with my spirit. During the process where you have surrendered your will to his will, the Lord has dug deep down in you and taken out of you all that is not like him. Then he can impart himself in you. His Spirit is in control; no longer the works of your flesh. He has empowered you to do his will. Now you can receive the blessings the Lord has promised you. I remember many years ago when the Lord spoke these words into my spirit: After you have suffered awhile, I will restore, strengthen and keep you (1 Peter 5:10). But what I didn't know that it would be years later that I would have to go through sickness, pain, and suffering. Through this process, he was preparing me for my healing ministry.

God's Touch Bruce Gordon Epperly,2001-01-01 The mounting evidence of the interconnectedness of

spirituality, health, and medicine suggests giving new attention to the healing ministry of Jesus. Through a fresh reading of the Gospel narratives, Bruce Epperly reveals the centrality of whole-person healing within Jesus' mission as teacher and social reformer and stresses that churches should seek to recover a healing ministry that touches both the spirit and the body. God's Touch traces the links between Jesus' approach to wholeness of mind, body, spirit, and relationships, and the practices of complementary and alternative medicine today.

Touched by God Luigi Gioia, 2018-09-20 Luigi Gioia's book *Say it to God: In Search of Prayer* was chosen as the 2018 Archbishop of Canterbury's Lent Book and welcomed by many as an honest, accessible guide to freshen their practice of prayer in the midst of busy modern life. In *Touched by God*, Gioia moves on to explore the art of contemplation. He points out that contemplation is not a more advanced way of praying but a silent and loving attentiveness to God which has nothing in common with disembodied, ahistorical and impersonal forms of spirituality. Contemplation begins when we are touched by God through Scripture and become aware of his presence in us. Gioia shows how this happens concretely in the lives of the characters of the Gospel of John, his chosen guide to learn how to welcome God in our lives and interact with him. Gioia's way to contemplation takes the reader not only through Scripture but also through plays and novels where God is never mentioned or is seen as absent, distant or even as an enemy. By engaging with both

religious and non-religious authors the reader can discover that contemplation is not some kind of spiritual wonderland but coexists with doubts, thrives in the middle of struggles, is discovered even in suffering, dissolves guilt and leads to authentic self-knowledge and compassion for every human being.

God's Touch Henry Mugabo, 2020-12-22 GOD'S TOUCH- Is full of inspiring and touching message on how the Touch of God is important in our life, and each morning, take a moment to think about - GOD'S Hand and Touch. Malick,2012-04-17 Eternally amazing! Ten real-life experiences about faith in Allah, the Qur'an, and amazing encounters with the God of Abraham. Ten Amazing Muslims is a compilation of stories representing a vast demographic of Muslims—from Jihadists to peaceful leaders and humble Bedouins to intellectuals of various echelons of society worldwide. True stories include a man raised to be a terrorist, to a scholar seeking to know Muhammad and a woman raised as a Bedouin. Through these experiences you will gain a deeper understanding of Islam and be amazed at the personal encounters with the God of Abraham, Isaac, Ishmael, and Jacob. You will hear truths from the Qur'an, the Torah, the Zabur (the Book of Psalms), and the Injil (the Gospel)—the words of Muhammad, Moses, Jesus, and the ancient prophets of God. In their own words, ten amazing Muslims tell their stories about how God chose to reveal Himself to them in extraordinarily supernatural ways. Most of these men and women are devout Muslims, while others are scholars of the Qur'an and Hadith—some are just ordinary Muslims searching for answers from God.

The Other Hand of God Kilian

McDonnell,2017-02-28 If the Spirit is not equal to the Father and the Son, can the Trinity survive?

Is the role of the Spirit in salvation as important as that of the Son? Why was the divinity of the Spirit problematic in the early Church? If the Son, Jesus Christ, is the way the truth and the life, what role does the Spirit have in God's reaching out to touch the Church and the world? Is there any contact with, any experience of God, apart from the Spirit? In what sense is the Spirit the goal of the Christian life? The Other Hand of God addresses these theological queries. Chapters are To Do Pneumatology is to Do Trinity, Struggling with Ambiguity, The Way of Doxology, To Do Pneumatology is to Do Eschatology, Movement Toward Fixity: Holy Spirit in Patristic Eschatology, To Do Pneumatology Is to Start at the Beginning, No Unified Vision in the New Testament, Losing the Battle to Stay with the Imprecision of the Scriptures, The Mission of the Spirit: Junior Grade?
