Sound of the Crowd: a Discography of the '80s (Fourth Edition) Steve Binnie, 2018-11-05 SOUND OF THE CROWD: A DISCOGRAPHY OF THE '80s is the ultimate record collector's guide to the 1980s. In the era of multi-formatting, picture discs, coloured vinyl, multiple remixes, funny shaped records and tiny CDs you could lose down the back of the sofa, this book lists every format of every single, EP and album released in the UK in the 1980s by over 140 of the decade's biggest acts, from

ABBA to Paul Young. This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early '80s K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the '80s music website Sound of the Crowd and writer, producer and co-host of the unconventional '80s chart show Off The Chart, broadcast weekly on Mad Wasp Radio.

Pop Music Production Phil Harding, 2019-06-28 Pop Music Production delves into academic depths around the culture, the business, the songwriting, and most importantly, the pop music production process. Phil Harding balances autobiographical discussion of events and relationships with academic analysis to offer poignant points on the value of pure popular music, particularly in relation to BoyBands and how creative pop production and songwriting teams function. Included here are practical resources, such as recording studio equipment lists, producer business deal examples and a 12-step mixing technique, where Harding expands upon previously released material to explain how

‘Stay Another Day’ by East 17 changed his approach to mixing forever. However, it is important to note that Harding almost downplays his involvement in his career. At no point is he center stage; he humbly discusses his position within the greater scheme of events. Pop Music Production offers cutting-edge analysis of a genre rarely afforded academic attention. This book is aimed at lecturers and students in the subject fields of Music Production, Audio Engineering, Music Technology, Popular Songwriting Studies and Popular Music Culture. It is suitable for all levels of study from FE students through to PhD researchers. Pop Music Production is also designed as a follow-up to Harding’s first book PWL from the Factory Floor (2010, Cherry Red Books), a memoir of his time working with 1980s pop production and songwriting powerhouse, Stock Aitken Waterman, at PWL Studios.

----- What readers are saying about I Know What I Saw The story is unlike any other I've read...fast paced, thrilling and full of suspense - 5* NetGalley reader review I Know What I Saw is one of the best thrillers I have read in possibly years...I would definitely recommend this novel to anyone who loves thrillers. I felt as though I was right there in this book trying to figure out what was going on with the protagonist. - 5* NetGalley reader review I was drawn into this book from the very start. The pages turned increasingly quickly as my desperation to find out what really did happen in the past just grew and grew. At one point the pages were turning so quickly that it was almost as if they were turning themselves and the page numbers became a blur! - 5* NetGalley reader review

Card Steve Hill,2018-06-14 When does a hobby become an obsession? At the start of yet another football season, long-suffering Chester supporter Steve Hill makes his traditional tongue-in-cheek pledge to do The Card every game, home and away. However, this time it is different. This time he means it... One man, 50 matches, 15,000 miles. Spurning parental duties in search of glory, what follows is a disturbing journey into the heart of darkness, from Gateshead to Torquay and all points in between. An odyssey of forgotten towns, bad pubs, crumbling stadiums and shattered dreams, this is

Broken Britain viewed through the prism of the match day experience: I have been to Macclesfield, but I have never been to me... Written on the road as a tragicomic travelogue, *The Card* is self-deprecating black humour at its best. Whether you love the game or not, it is an extraordinary story of football, friendship and fatherhood. And motorways. With literally dozens of fellow fans urging him on, can Hill achieve immortality and valiantly complete *The Card: Every Match, Every Mile*?

The Art of Murder Fiona Walker, 2024-05-20 Welcome to the beautiful English village of Inkbury. Tucked deep in the North Wessex Downs, its only claim to fame is the picturesque riverside that once appeared in a Richard Curtis movie. That is, until the murder... Former stand-up comic Juno Mulligan has been suffering a serious sense-of-humour failure. Not only has she lost the love of her life, but she's having to relocate to the (admittedly idyllic) village of Inkbury to watch out for her elderly mother, who she's genuinely worried might be marrying a wife-killer. She hopes that her old friend, disgraced-journalist-turned-novelist Phoebe Fredericks can help her crack the case of whether her mother's

perma-tanned, iceberg-smiled, three-times-a-widower fiancé is hiding a murderous past. But before they have a chance, the local art dealer washes up distinctly dead in the village's famous river. His lover is in the frame, but Juno and Phoebe suspect that there is a deeper secret... One that relates to Phoebe's own past and Juno's present. Will the unofficial Village Detective Agency solve the mystery before the killer strikes again? In sleepy Inkbury, as they soon discover, living one's best midlife can be murder. An utterly gripping cozy crime mystery, from million-copy bestselling Fiona Walker, guaranteed to absolutely delight fans of Richard Osman, Janet Evanovich and the Reverend Richard Coles. The Sound of Being Human Jude Rogers, 2022-04-28 'Too often we treat popular music as wallpaper surrounding us as we live our lives. Jude Rogers shows the emotional and cerebral heft such music can have. It's a personal journey which becomes universal. Fascinating' Ian Rankin 'Moving and absorbing, *The Sound of Being Human* mixes memoir, analysis, anecdote and personal chronicle into a mosaic that evokes what music means to the individual and the human tribe. A candid, beautiful read' Stuart Maconie *The Sound of Being Human* explores, in detail, why music plays such a deep-rooted role in so many lives, from before we are born to our last days. At its heart is Jude's own story: how songs helped her wrestle with the grief of losing her father at age five; concoct her own sense of self as a lonely adolescent; sky-rocket her relationships, both real and imagined, in the flushes of early womanhood, propel her own journey into working life, adulthood and parenthood, and

look to the future. Shaped around twelve songs, ranging from ABBA's 'Super Trouper' to Neneh Cherry's 'Buffalo Stance', Kraftwerk's 'Radioactivity' to Martha Reeves and the Vandellas' 'Heat Wave', the book combines memoir and historical, scientific and cultural enquiry to show how music can shape different versions of ourselves; how we rely upon music for comfort, for epiphanies, and for sexual and physical connection; how we grow with songs, and songs grow inside us, helping us come to terms with grief, getting older and powerful memories. It is about music's power to help us tell our own stories, whatever they are, and make them sing.
