Academic Year Abroad, 2001 Institute of International Education, New York, NY.,Institute of International Education (New York, N.Y.),2001 This guide provides detailed listings of more than 2,600 programs sponsored by U.S. and foreign universities, language schools, and a wide variety of other organizations. Most educational opportunities listed in this directory are available to undergraduates, but many programs are open to precollege students, graduate students, teachers, professionals, and other adults. Options range from lecture courses and intensive language immersions to internships, student teaching, field research, and voluntary service. The body of the guide consists of program descriptions arranged alphabetically by geographic region and country. There is also a worldwide section for programs that are active in more than one area. Each listing provides information on the institutional sponsored and enrollment and contact information. A sample listing explains each section of the description. Programs are also indexed by sponsoring institution, consortia, fields of study, special options, cost ranges, and duration. (SLD)

The Journal of the Assembly During the ... Session of the Legislature of the State of California California. Legislature. Assembly,1973

The Internet Upheaval Ingo Vogelsang,Benjamin M. Compaine,2000 Early 2000 saw the US economy enjoy the longest period of sustained growth and economic prosperity in its history. This book argues that the impact of information technologies, particularly the internet, partly explain this phenomenon and analyzes the reform of telecommunications policy.
