How to make your images look like the pros, and how to take advantage of the camera, creative, and B&W profiles—you'll finally get the whole image editing thing, and you'll know exactly what to do, which sliders to move (and which to avoid) in what order, and why. How to unlock the power of Lightroom's Masking tools and how to paint with light to take your images to another level. How to use Lightroom along with Photoshop, and how to make the two work together absolutely seamlessly. You'll be surprised at what you'll be able to do, even if you've never used Photoshop before. How to expand Lightroom's power to your phone or tablet, so you can organize and edit your images from anywhere.
