*This Little Piggy Went to Market in the City* Tara Lawall, 2021-06 The classic piggy market tale you love, but this time you don't have to touch anyone's feet. A must-have for any modern parent! Based on the beloved nursery rhyme, *This Little Piggy Went to Market in the City* takes you through farmers' markets, where piggies grapple with insufferable hipster crowds, poke fun at fad diets, and contemplate composting, among other things. This will be a book parents will actually want to read to their kids for the hundredth time. In this book, the author and illustrator: Play with insights about the happenings of farmers markets in cities. Examine the burden of dealing with crowds when you really just want to eat an almond croissant. Nod to the feeling of loss and disappointment when you forget your canvas tote. Ponder what composting is, exactly? Poke fun at trend diets like The Ketogenic Diet. Allude to how a vegetarian piggy would handle this market--

*This Little Piggy Stayed Home* Stephan Pastis, 2004-03 *This Little Piggy Stayed Home* continues the adventures of Rat and Pig, two characters who couldn't be more different-or more surprising. Rat is your typical Every Rodent: scheming, self-centered, and more than occasionally manipulative. By contrast, Pig is sensitive, kind, and-even on his best days-just plain stupid. Together with Zebra and Goat, they confront the strange and wonderful world around them, a place that looks suspiciously like our own.

*This Little Piggy* James Serafino, 2019-01-08 If You Give a Mouse a Cookie

meets Stuck in this clever laugh-riot that honors an underrated superstar in kid-cuisine -- cereal -- and the girl who just can't eat enough of it . . . no matter how large a mess she leaves in her wake! [A] buoyant tale of togetherness. --Kirkus Once there was a girl who only ate cereal. This kid LOVED cereal. But lots of cereal can make a BIG mess and get a girl in trouble. So she asks the dog for help cleaning up her crumbs, but the dog soon fills up. Then she asks a cat, but the cat only wants to nap. One after another, animals try to help...but the mess is too large! Then the girl meets a pig... Perfect for the fan of Dragons Love Tacos, If You Give a Mouse a Cookie, and Oliver Jeffers' Stuck.

*Piggy Bunny* Rachel Vail, 2012-02-14 Most piglets want to be pigs when they grow up. Not Liam. He wants to be a bunny. Even if it takes a lot of practice to learn how to hop...and to eat salad. Even if no one believes that a piggy can be a bunny. With a lot of determination, and a little help from his grandma, Liam is determined to make his dream come true. For children who put on a cape or a tutu, who dream of being someone or something different, *Piggy Bunny* offers a reassuring and fun opportunity to believe in themselves.

Piggy Hero Pip Jones, 2018-01-30 *Piggy Handsome* is a very confident guinea pig with a hugely inflated ego - he hails from a long line of very famous guinea pigs. But sadly Handsome STILL hasn't achieved world renown. Well, now he has a new plan to get his name on the telly - he'll be someone's hero! When pushing Jeff Budgie off a roof and 'saving' him fails spectacularly,

Handsome is at his wits' end. Little does he know, however, that the dastardly Dixons have escaped prison and are seeking revenge for their capture. What's more, Dan and Dolly's ghastly greed has led them to kidnapping, and now someone really DOES need saving! Can Piggy Handsome save the day for real? And will it earn him the fame he so desperately desires?

**The Adventures of Piggy** Devitt J Elverson, 2016-12-27 This is a childrens book for adults. It contains some of the stories of the misadventures of a very brash and outrageous doll that lived in my aunts handbag who would come out and whisper things to her which she would repeat. Some of these stories are based on real events that happened to Piggy and my aunt, Daphne. A painting was made of him by a well-known artist, he was thrown out of a train window and he did kick sugar off of tables and jump into peoples tea cups. Several poems were written about Piggy which I did not include in this book because I do not have permission from their authors, but a letter written by my great aunt, Buddie to Piggy is incorporated into one of the stories. . As children, Daphnes nieces and nephews as well as her friends were often entertained by Piggy. Those of the family who have read these stories have told me that they are an accurate portrayal of Piggy.

**A Funny Thing Happened on the Way to the Agora** R. Drew Griffith, Robert B. Marks, 2007 The authors embark on a lively and funny journey through the more bizarre activities of the ancient Greek and Roman worlds, ranging everywhere from moochers to quacks to shrews to willing suckers.

**The Agora Bone Well** Maria A. Liston, Susan I. Rotroff, Lynn M.

Snyder, 2018-12-31 Even though Dorothy Thompson excavated the Agora Bone Well in 1938, the well and its remarkable finds have never been fully studied until now. Located outside the northwest corner of the Athenian Agora and dating to the second quarter of the 2nd century B.C., the well contained the remains of roughly 460 newborn infants, as well as a few older individuals. Also found in the well were the bones of over 150 dogs and an assortment of other animals, plus various artifacts, including an intriguing herm (treated here by Andrew Stewart) and an ivory chape. In addition to a thorough examination of the contents of the well, the authors provide a thoughtful analysis of the neighborhood in which the well was located and carefully compare the deposit with similar accumulations found elsewhere in the Mediterranean. The product of close cooperation between archaeological, palaeoanthropological, and faunal scholars, this interdisciplinary work will be of interest to a large audience across a variety of fields.

**Piggy** Mireille Geus, 2008 Lizzie struggles to overcome the closed, internal world of autism when a new girl moves into her neighborhood, befriends her, then insists that Lizzie join her in seeking revenge on the boys who tease them.

Piggy Book Anthony Browne, 1993
