Alpha, Omega, Alpha Don English,2010-05 After studying and preaching Revelation, Don English was left with many unanswered questions. Given an opportunity by God, he spent a full year studying only Revelation: reading, praying, and asking God for answers. Believing that God, through his Holy Spirit, had given him some answers that he could not find elsewhere, Don determined to put these answers onto paper; and so, *Alpha, Omega, Alpha* was born. A practical, common sense approach to the book of Revelation, *Alpha, Omega, Alpha* is a must-read for serious Bible students and new Christians alike. Using sound interpretation principles, this book will challenge the reader to read more critically the information that God gave to his apostle John. Follow along with the author as he reveals the meanings and messages behind the events—from the resurrection of the dead and the seven seals to the final battle and the final judgment—in one of the Bible's most important books. *Alpha, Omega, Alpha* will give the reader the zeal and the desire to further study and understand the message from the hand of God.

The Alpha and Omega Timeline Dawid Van Rensburg, 2014-08-12 We are moving through time. We are on a timeline. The timeline was created by a Super Extraterrestrial. The timeline started at Alpha, when humans were first planted on planet earth. The timeline will end at Omega, at the close of human history. It is the Alpha and Omega time line. The Extraterrestrial has total control over Alpha and Omega, but for the most part, He has left the remainder of the timeline under the control of the humans. Although the humans control most of the time line linking Alpha to Omega, they are not infallible and continually disrupt the timeline. Due to this continual disruption of the timeline, extraterrestrials must constantly monitor and make adjustments to keep the timeline on course toward the already predestined Omega. We know that it is theoretically possible to move up and down the timeline--from its beginning, to the present, and even into the future. By starting at Alpha (the beginning) and ending at Omega (the end), we will explore particular sections of the timeline. In this book, we will visit some of the past, some of the present, and some of the future. Some think the future looks great. Others say it is not looking too good. Want to know what is coming on the timeline? Read Dawid Van Rensburg's reveling book *THE ALPHA AND OMEGA TIMELINE*. Then you decide. This is NOT science fiction.

My Omega's Return (Blossoming of Fate 1) Rosa Swann, 2021-02-14 Two best friends have been apart for the first time in their lives, and it might have changed them more than they were ready to face... Destin I thought I was just picking up Seb, my life-long best friend, from the station for a week of wild antics. He desperately needs the distraction from his studies, he's been working way too hard. But when I catch sight of him, my heart starts beating in a way I've never felt before. Seb is my best friend. We've basically grown up together. He's almost like family. Only, these new feelings inside me are definitely not 'familial' in the same way as they used to be. I want to claim Seb, make him mine, and that scares me. I've never wanted to mark an Omega before... Seb These last few months have been the longest stretch of time that Destin and I have been apart, living in different cities, no longer seeing each other every day. Destin decided to stay behind to work at his father's company, while I went away to university. After all the stress from classes and missing my best friend, I was looking forward to spending the week relaxing and catching up at home. Only, the moment I step out of the station and catch sight of Destin, I know that I won't be relaxing this week. My heart starts to race and my body heats up, making me very aware that the guy who's always been at my side is not just anyone, but an Alpha. An Alpha I'm very attracted to. An Alpha who, as far as I know, has no interest in male Omegas like me... This is the first novella about Alpha Destin and Omega Seb in Blossoming of Fate, which takes place in the non-shifter Omegaverse Mates World and contains mpreg (male-pregnancy). This novella may include any of these elements: steamy scenes, 'I need tissues NOW' moments, cries of 'why, oh, why' and cliffhangers that make you bite your nails (and curse the author).
