Alpha Bear Mandy Rosko,2016-06-02 A Bear's Hunger Won't Be Denied..... Former Navy Seal Dane Green is in a bad mood. After being injured on a rescue mission to retrieve the alpha's mate and sister, and a fiery red head with amazing legs, he's stuck in bed. To make matters worse, the red head he was injured for while rescuing, is insisting on nursing him back to health. It might be great if he didn't want to pull her in bed with him. Lois Graham was afraid of Dane when he first kidnapped her. The bear shifter is large and gruff and everything she's not used to. Lois is a human, and the fact that shifters exist at all shattered her world perception. After Dane stood in the way of claws and teeth that would have torn her to pieces, Lois can't help but see him in a different light. Something between them has changed, and she's determined to find out what it is, why Dane looks at her with that soft expression, and to let him know that she wouldn't mind being pulled into his bed. Dane already lost one mate to humans. He's not about to let himself get close to another, not when there are dangerous people out there who want to see him punished by hurting Lois. She thinks she's ready for this world, but she's not, and the best thing Dane can do would be to walk away. Too bad the bear inside him has other plans for their mate. It has no intention of letting Lois go.

Alpha Chase C J Primer,2022-08-15 SIX-PACK SERIES BOOK SIX * While this book can be read as a standalone, I highly recommend reading books one through five (Alpha Gray, Alpha Theo, Alpha Jax, Alpha Brock, and Alpha Reid) for context before starting in on this one. This is the final book in the series. * This book is a slow burn with a very polarizing protagonist. It will be a toxic, bumpy ride for these two to reach their HEA. You've been warned! CHASE: Two months ago, everything changed. An enemy descended on our territory, a war was fought, and lives were lost. I woke up the next morning as Alpha of my pack, a role I never expected to step into so soon. I learned that I'd been lied to, deceived for half my life by the people closest to me. I couldn't take the pain, so I just shut it all out, descending into a darkness of my own making. And then there she was. Her flame burned so bright that I couldn't resist reaching out to touch it. Taste it. Take it. If she's fire, I'm gasoline- this thing between us chaotic and volatile, bound to set everything and everyone around us ablaze. Still, I can't let her go. If I'm headed for hell, I'm dragging her with me. VIENNA: Life has never been an easy ride for me, but I've always been resilient. I'm just trying to make my way in the world; trying to build something for myself that nobody can take away. I've got big plans, none of which include getting involved with an arrogant Alpha who thinks he can lay claim to anything he wants. The truth is, Chase doesn't know what he wants- but that doesn't stop him from pulling me into his vortex of destruction, one that I can't escape no matter how hard I try to fight it. I'm no savior, but maybe he doesn't need someone to save him from the darkness. Maybe what he really needs, is for someone to join him there. The Six-Pack Series is a collection of werewolf shifter romance novels. These books contain mature content (steamy scenes!) and themes that may not be suitable for younger readers. If frequent use of profanity and f-words offend, then these books may not be for you. This book ends with a HEA for the main characters and no cliffhangers. It is the final book in the series, so it wraps up all outstanding storylines. If you haven't read the previous five books in the series, then please be aware that this book contains spoilers for the rest of the series.

To make matters worse Jax's in danger of losing the title of Alpha and the love of his life.

Alpha Jax C J Primer, 2021-11-24 SIX-PACK SERIES BOOK THREE * While this book can be read as a standalone, I highly recommend reading book one (Alpha Gray) and book two (Alpha Theo) for context before diving into this book. JAX: I'm no stranger to one night stands. Lots of girls want to hook up with an alpha, so why should this one be any different? Maybe it's because she was the best I ever had. Maybe it's because she refused to tell me her name or anything about herself. We agreed to one night, no strings attached. The problem is, I can't get that night out of my head, and I've been obsessed with finding this girl ever since. When she shows up at the squad complex for recruit training, I feel like it's my lucky day- until my best friend introduces her as his sister and things get... complicated. I can't go against bro code, right? Even if Quinn is my dream girl. Even if there's a crazy attraction between us that I'm finding harder to resist every day. I'm so screwed. QUINN: One night. It was supposed to be one night of anonymous, meaningless sex with a handsome stranger. I just wanted to have a good time and try to forget about my cheating ex. It definitely did the trick- I haven't thought about my ex since, but now I can't stop thinking about that night. I can't stop thinking about the stranger with all the right moves that set my body on fire. When I arrive at the complex for a fresh start, I'm shocked to see him again- and even more surprised to find out that he's not only an alpha, but he's also one of my brother's best friends. Theo would kill Jax if he found out about that night. He can never know- which means I have to keep my distance from Jax. Even if I can't stop fantasizing about him. Even if it kills me. The Six-Pack Series is a collection of werewolf shifter romance novels. These books contain mature content (steamy scenes!) and themes that may not be suitable for younger readers. If frequent use of profanity and f-words offend, then these books may not be for you. While this book ends with a HEA for the main characters and wraps up their story, it does end on a bit more of a cliffhanger than the previous two books, as the overarching storyline that runs through the series remains unresolved at the conclusion of this book and picks up with the next.

Alpha Brock C J Primer, 2022-01-29 SIX-PACK SERIES BOOK FOUR * While this book can be read as a standalone, I highly recommend reading books 1 - 3 (Alpha Gray, Alpha Theo, and Alpha Jax) for context before starting in on this one. * This book is a slow burn with a very moody, broody protagonist (grumpy/sunshine trope). It will be a bumpy ride for these two to get to their HEA. You've been warned! BROCK: I don't believe in happy endings. I stopped believing in them right around the time the woman I loved left me for another man. I was foolish to believe in love and it nearly destroyed me. When I picked myself back up, I swore I'd never be that stupid again. If you never give someone your heart, they can't break it- so for years, I've closed myself off; never opening up, never feeling a thing. Growing more and more bitter as everyone around me finds their happy endings. Then Astrid walked into my life. She's annoyingly perky, infuriatingly beautiful, and seems convinced that her cheerful little-miss-sunshine act can melt the ice around my heart. Worst of all, though, is some part of me wants her- and a girl like that is dangerous in my hands. She'll give me every piece of herself, only for me to watch her break when I can't give her anything in return. ASTRID: My whole life, I've gone with my gut. I get feelings about things and people that others don't get, and I've been told that it's a special gift; that I'm an 'intuitive'. I've also been accused of being an eternal optimist, which is why I'm thrown for a loop when I get hit with a gut feeling about the moodiest, broodiest guy I've ever met, like we're supposed to be something to each other. Like we're connected somehow. Trusting my gut hasn't let me down thus far, but the more time I spend with Brock, the more I wonder whether my 'gift' has gone haywire. This guy has built walls around his heart a mile thick, and there's no way he's letting anyone through. He's living his life in the darkness, and I'm a little afraid that if I let myself get too close to him, he may steal my light. The Six-Pack Series is a collection of werewolf shifter romance novels. These books contain mature content (steamy scenes!) and themes that may not be suitable for younger readers. If frequent use of profanity and f-words offend, then these books may not be for you. While this book ends with a HEA for the main characters and no major cliffhangers, there are some overarching storylines that may not be resolved at the conclusion of this book because they run throughout the series.

A Mate's Denial P. Jameson, The prophecy says she'll reject him but this wolf shifter is about to make her an offer she can't refuse... Trager was only a wolfling when a devastating foretelling by the pack elders made him an outcast, exiled from his home in the Ozark Mountains. Though he is destined to be denied by his mate, he's spent the years planning, waiting . . . hunting her. Now that he's found her, he decides to take fate into his own hands and win her heart. But when a rival wolf pack threatens to destroy the very shifters who cast him out, he'll have to return to the Ozark Mountains to save them, and convince the woman he's falling for, to help. It's been a year since Kerrigan lost the love of her life in a tragic motorcycle accident, and she is finally ready to move on. Especially since she was never the love of his. But being with a man who couldn't appreciate her curves has left her heart ragged. A roughened biker, who's hot enough to stop her breath, is the very last thing she's looking for. Except apparently he's been looking for her, and even though she doesn't totally love herself, he stares at her like she sets his world on fire. To be accepted, wanted, as she is, is her deepest desire, and Trager seems to want every inch of her. But she's not sure if she can risk her heart again with someone who could so easily crush it.

Alpha Reid C J Primer, 2022-04-29 SIX-PACK SERIES BOOK FIVE * While this book can be read as a standalone, I highly recommend reading books 1 - 4 (Alpha Gray, Alpha Theo, Alpha Jax, and Alpha Brock) for context before starting in on this one. REID: I've always exercised complete control in all things. When it comes to my pack, I'm in control as its

Alpha. In everyday life, I follow a schedule and value structure and discipline. My friends think I stick too close to the rules, but maintaining order and being in control are the key things that keep me grounded. That's part of the reason why the wait for my fated mate has been so frustrating- because it's the one thing I have no control over. And when I finally meet her, I quickly realize she's equally as uncontrollable, as is the bond between us. I've been waiting all my life for Serena, but when she shows up on the eve of a war, can I really trust her? And if so, will I ever be able to conquer her chaos? SERENA: They say life is full of choices, but mine were stripped from me the moment my pack was attacked and my family was killed. Since then, I've been on autopilot, just doing what I have to do to survive. That is, until the last thing I expect to happen, does; I stumble upon my fated mate. I suddenly have a choice again- give in to the mate bond between Reid and I, or risk losing it all. Can I trust him with my secrets, and can he handle them? Once he knows the truth, will he even still want me? It's an impossible choice, because no matter which one I make, I may still lose everything... The Six-Pack Series is a collection of werewolf shifter romance novels. These books contain mature content (steamy scenes!) and themes that may not be suitable for younger readers. If frequent use of profanity and f-words offend, then these books may not be for you. While this book ends with a HEA for the main characters and no major cliffhangers, there are some overarching storylines that may not be resolved at the conclusion of this book because they run throughout the series.

The Last Stand of Payne Stewart Kevin Robbins,2019-10-08 From award-winning sports writer Kevin Robbins, discover the story of legendary golfer Payne Stewart, focusing on his last year in the PGA Tour in 1999, which tragically culminated in a fatal air disaster that transpired publicly on televisions across the country. Forever remembered as one of the most dramatic storylines in the history of golf, Payne Stewart's legendary career was bookended by a dramatic comeback and a shocking, tragic end. Here, Robbins brings Stewart's story vividly to life. Written off as a pompous showman past the prime of his career, Stewart emerged from a long slump in the unforgettable season of 1999 to capture the U.S. Open and play on the victorious U.S. Ryder Cup team. He appeared to be a new man that summer: wiser, deeper, and on the verge of a new level of greatness. Then his journey to redemption ended in October, when his chartered Learjet flew aimlessly for more than a thousand miles, ran out of fuel, and fell to earth in a prairie in South Dakota. His

death marked the end of an era, one made up of shotmakers who played the game with artistry, guile, finesse, and heart. Behind them were Tiger Woods, David Duval, Phil Mickelson, and other young players whose power and strength changed the PGA Tour forever. With exclusive access to Stewart's friends, family, and onetime colleagues, Kevin Robbins provides a long-overdue portrait of one of golf's greats in one of golf's greatest seasons.
