William Archer

**America Day by Day** Simone de Beauvoir, 2000-03-30 A portrait of 1940s America by a French writer, eg. The constipated girl smiles a loving smile at the lemon juice that relieves her intestines. In the subway, in the streets, on magazine pages, these smiles pursue me like obsessions. I read on a sign in a drugstore, 'Not to grin is a sin.' Everyone obeys the order, the system. 'Cheer up! Take it easy.' Optimism is necessary for the country's social peace and economic prosperity.

*American By Day* Derek B. Miller, 2018-04-03 A gripping and timely novel that follows Sigrid—the dry-witted detective from Derek B. Miller's best-selling debut *Norwegian by Night*—from Oslo to the United States on a quest to find her missing brother. She knew it was a weird place. She'd heard the stories, seen the movies, read the books. But now police Chief Inspector Sigrid Ødegård has to leave her native Norway and actually go there; to that land across the Atlantic where her missing brother is implicated in the mysterious death of a prominent African American academic—America. Sigrid is plunged into a United States where race and identity, politics and promise, reverberate in every aspect of daily life. Working with—or, if necessary, against—the police, she must negotiate the local political minefields and navigate the backwoods of the Adirondacks to uncover the truth before events escalate further. Refreshingly funny, slyly perceptive, *American by Day* is “a superb novel on all levels” (Times, UK). “Ingenious. Humorous. Wonderful.”—Lee Child

**America to-day, Observations and reflections** William Archer, 1904

Another Day in the Death of America Gary Younge, 2016-10-04 Winner of the 2017 J. Anthony Lukas Prize Shortlisted for the 2017 Hurston/Wright Foundation Award Finalist for the 2017 Helen Bernstein Book Award for Excellence in Journalism Longlisted for the 2017 Andrew Carnegie Medal for Excellence in Non Fiction On an average day in America, seven children and teens will be shot dead. In *Another Day in the Death of America*, award-winning journalist Gary Younge tells the stories of the lives lost during one such day. It could have been any day, but he chose November 23, 2013. Black, white, and Latino, aged nine to nineteen, they fell at sleepovers, on street

corners, in stairwells, and on their own doorsteps. From the rural Midwest to the barrios of Texas, the narrative crisscrosses the country over a period of twenty-four hours to reveal the full human stories behind the gun-violence statistics and the brief mentions in local papers of lives lost. This powerful and moving work puts a human face-a child's face-on the collateral damage of gun deaths across the country. This is not a book about gun control, but about what happens in a country where it does not exist. What emerges in these pages is a searing and urgent portrait of youth, family, and firearms in America today.

Challenged by a sentinel, he said, Look at me and you will see that I am President Davis. Well, said the soldier, you do look like a used postage-stamp. Pass, President Davis! LETTER III [...].

A beautifully written, densely plotted murder mystery that takes place at a private club off the coast of England. Read about a luxurious, celeb-only island during a weekend of partying and ultimately murder." –Reese Witherspoon (Reese's Book Club March '22 Pick) From the author of *People Like Her* comes a smart and sinister murder mystery set in the secretive world of exclusive celebrity clubs. Everyone's Dying to Join . . . The Home Group is a glamorous collection of celebrity members' clubs dotted across the globe, where the rich and famous can party hard and then crash out in its five-star suites, far from the prying eyes of fans and the media. The most spectacular of all is Island Home—a closely-guarded, ultraluxurious resort, just off the English coast—and its three-day launch party is easily the most coveted A-list invite of the decade. But behind the scenes, tensions are at breaking point: the ambitious and expensive project has pushed the Home Group's CEO and his long-suffering team to their absolute limits. All of them have something to hide—and that's before the beautiful people with their own ugly secrets even set foot on the island. As tempers fray and behavior worsens, as things get more sinister by the hour and the body count piles up, some of Island Home's members will begin to wish they'd never made the guest list. Because at this club, if your name's on the list, you're not getting out.
