How to Analyze People on Sight The Five Human Types Elsie Lincoln Benedict, Ralph Paine Benedict, 2016-09-01 The most essential thing in the world to any individual is to understand himself. The next is to understand the other fellow. For life is largely a problem of running your own car as it was built to be run, plus getting along with the other drivers on the highway. From this book you are going to learn which type of car you are and the main reasons why you have not been getting the maximum of service out of yourself. Also you are going to learn the makes of other human cars, and how to get the maximum of co-operation out of them. This co-operation is vital to happiness and success. We come in contact with our fellowman in all the activities of our lives and what we get out of life depends, to an astounding degree, on our relations with him.

bents and possibilities.--San Francisco Bulletin, January 25, 1919. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

of all communication is nonverbal. Only 7 percent of meaning comes from our words. Have you ever been curious as to what people are thinking about? In this book you will learn the Techniques and strategies that will enable you to recognize certain behavioral patterns. You will learn what people really think about you, You can use these techniques to improve your relationships, career, and self development. The techniques used in this book

can be used on anyone at anytime. This book contains proven steps and strategies on how to read other people through their body movements, their head gestures, their posture, their proxemics, and even by looking into their eyes. A greater percentage of modern communication is considered as nonverbal. A tilt of one's head, the thrust of one's lip - all of these provide subtle clues about his personality and the meaning behind his words. Understanding other people on sight and deciphering their messages through their unconscious movements will help sharpen your intuition and develop your critical thinking skills. Often, we tend to judge people in a very biased manner. The fact is that these preconceptions are difficult to get rid of. Many times, this causes us to form inaccurate judgments. This book's goal is to help you see the social world from a whole new angle. Nonverbal Cues will show you the truth There are several factors that hinder an individual's ability to communicate freely. If you're a parent or a caregiver, it is important to identify nonverbal cues that indicate distress. Being able to analyze a person on sight may also be extremely beneficial to one's career and social life. It helps you to become a better communicator and allows you to build your presence. On an intimate level, being able to decode a person's non-verbal messages will help you determine the degree of their interest towards you. More than that, being able to read a person on sight prevents you from being the victim of deceit. No one wants to go about blindly in this world. By reading this book, not only will you be able to really look at people, you will also be able to perceive them. What you will get from this book Learn to differentiate between different Gestures and Kinesics Learn what hand gestures and body movements really imply Determine if someone agrees or disagrees through Head gestures Determine if someone is attracted through their eye contact Read true intentions and feelings towards you from facial expressions Learn how Proxemics(distance) influence's someone's behavior Learn how to read posture and body movements Benefits this book can
