**She Brought the Art of Women: a Song of Solomon, Nabonidus, and the Goddess** Janet Tyson,2022-10-31 She Brought the Art of Women offers an alternative, controversial, but thoroughly researched analysis of the Song of Solomon that attempts to prove it was composed as a unified narrative very soon after the fall of Babylon (539 BCE). Sources include Akkadian cuneiform inscriptions, Egyptian and Mesopotamian mythologies, rabbinical legends, accounts of priestly practices, archaeological evidence, the use of gematria, obscure magical rites, ancient medical texts, and the use of intertextuality. With one simple but profound shift in perspective-when the name Solomon is replaced by Nabonidus (the last King of Babylon), the Song makes complete historical sense. Nabonidus is the beloved of the Song; the female character is the Egyptian First Prophet of Amun-Re, Nitocris II. It is argued that the couple are united in a conciliatory marriage as part of a treaty in 549 BCE. Their union is fraught with anxiety, frustration, and confrontation, and becomes toxic, eventually driving the king mad. This perceived madness is evidenced in Babylonian inscriptions and elsewhere in the Bible. The legends of King Solomon are shown to be based on a conflation of events and characteristics peculiar to Nabonidus, most significantly Solomon's marriage to an Egyptian, his interest in the religion and rituals she brings with her, and his supposed wisdom. The name Solomon is a pseudonym, used to avoid invoking the king's true name, which becomes anathema to the post-exilic Jews. Nitocris's belief system is that of Shetaut Neter; it is into this religion she inculcates Nabonidus. Her ultimate position at Karnak is still debated but the Song does seem to substantiate the theory that she had attained the role of God's Hand before she left; this is depicted in the Song in the context of the Elixir Rubeus rite, performed only by the most advanced Adepts. The rite involves the ceremonial ingestion of sanctified male and female efflux (menstrual blood and semen), for the purposes of opening the third eye and finding union with the Divine.

**War of the Astral Spheres** Daisy Starling,2023-09-09 In the boundless expanse of the universe, beyond the grasp of mortal eyes, lies a realm that exists beyond reality as we know it. The War of the Astral Spheres, a tapestry woven from the threads of dreams and cosmic energies, is a place where the forces of light and darkness converge in an eternal dance. It is a realm of untold power and unfathomable mystery, where the laws of physics bend and the boundaries of possibility blur into insignificance. For eons, War of the Astral Spheres have remained hidden from the eyes of humanity, a sanctuary for celestial beings and arcane forces alike. Yet, the equilibrium that has held the astral tapestry in balance for millennia is beginning to fray. An ancient prophecy speaks of a convergence, a moment when the boundaries between the realms will weaken, and a cataclysmic war will erupt. A war that could reshape not only the Astral Realms but the very fabric of existence itself. As the first whispers of this prophecy circulate through the cosmos, beings of light and darkness stir. Celestial emissaries and shadowy denizens prepare for the conflict that looms on the horizon. In the heart of the Astral Realms, a tapestry of characters emerges, each with their own motives, allegiances, and destinies intertwined. Among them, a young Astral Scholar named Elara discovers an ancient tome that speaks of the impending war. As she delves into the secrets of the book, she finds herself drawn into a web of intrigue that spans across dimensions. A disgraced Knight of the Celestial Order, Seraphius, seeks redemption on the battlefield. A renegade Shadowmancer, Kaldor, hungers for forbidden knowledge and power. And a group of unlikely allies, each representing a different corner of the Astral Realms, must band together to prevent the prophecy's dire fulfillment. The threads of fate are unraveling, and the astral tapestry is on the brink of chaos. In a war where reality and dreams collide, where cosmic energies clash and destinies are forged, the denizens of the Astral Realms must choose their paths. As alliances are tested, secrets are unveiled, and battles rage, the question remains: Can harmony be restored, or will the War of the Astral Realms shatter existence itself?

**The Philosophy of War 3rd Edition** Curtiss FH and HA,2022-08-20 A Spiritual War Bulletin

**The Dissertation** R. M. Koster,2013-10-29 This novel posing as a dissertation on León Fuertes, the fictional president of a made-up Banana Republic is “still fresh, funny, and disturbingly relevant” (Publishers Weekly, starred review). To fulfill his PhD requirement, Camilo Fuertes decides to write about his father León, the martyred president of Tinieblas, a small country in Latin America. As Camilo traces his family’s roots, we follow León along his twisted path through delinquency, learning, lust, and bravery to his historic position of leadership. At once a powerful vision of Latin American history and a brilliant parody of the academic form—complete with endnotes—The Dissertation is the second novel in Koster’s acclaimed Tinieblas trilogy, and an essential postmodern novel in the tradition of Vonnegut, Barth, and Nabokov. “One of the few books of the past 20 years that deserves to be called astonishing. It is a brilliant novel, structurally a marvel and, in all, a demonstration of élan as that quality seldom is experienced in a work of fiction.” —The Des Moines Register “Longtime Panama resident Koster portrays Latin America with a comedian’s sense of timing, a scholar’s sense of history, and a native’s fond despair.” —Publishers Weekly (starred review) “Koster is that rare thing: a writer from the heart, passionate and

uncompromising.” —John le Carré

Journey to the Fifth Dimension—A Divine Journey Maria Zavou, 2012-03-22 JOURNEY TO THE FIFTH DIMENSION A true transcendental journey to the homeland of the psyche A DIVINE JOURNEY To the dimension where the future is grounded The Fifth dimension is an inner dimension which is administered by the divine essence of the universe, with thousands of galaxies. The so called Nefelon Galaxy has millions of stars, all of them inhabited. All of the stars pulsate with high frequencies and belong to spheres of different perception. There exist forms; though the molecular synthesis is more subtle. The Nephelon Galaxy is the world of the completed existence, where future mutations are planned and ascertained. It is there that everything is materialized and then channeled to open-minded people on Earth. As time travelers, we can now journey to the wonderful planets of the Nephelon Galaxy, and participate in advanced programs of self-awareness and transmutation to receive divine genetic proto-forms through hyper frequencies. Divine power is therefore activated from these advanced programs, and the participants develop hyper awareness and intellect. Thus, their neurons are transformed, certain charismas appear, and creation and material abundance emerge within the people who experience psychic and spiritual advancement; love is upgraded. The high frequency vibrations activate the union of soul-mates, bonded with love energy of a higher level, while womens uterus are mutated in order to bear crystalline souls. The rising number of births of crystalline souls defines a new circle of Earths evolution and development preparing the way for the meta-humans. This book contains secret keys, which constitute codes for mutation and transformation codes that activate the psychic archives of people. Thus its readers, unconsciously, go through the initiation stages and ascend evolutionary levels.

**Winning the Battles of Life & Making Heaven** Abraham Adoke, 2021-02-17 It is written “Heaven, even the heavens are the Lord's. But the earth He has given to the children of men”. ( PS 115:16). A dramatic change over the ownership of the earth occurred the day Lucifer, that serpent and great dragon was knocked out of the presence of God in heaven and he landed on earth with great wrath. Quickly, the son of perdition compartmentalized the second heaven and allotted spheres of influence to the angels who fell down from heaven with him. Thereafter, he established structures on the ground of the earth to turn the sons of men far away from God and to devastate the earth as well. The time came for heaven to end the destructive ministry of the devil and Jesus came for our redemption. Yet, a great number of the sons of men blinded by the institutions of Belial remain in captivity and they were not free from the onslaught of the dragon. This notwithstanding, Jesus came and finished His work of salvation perfectly and returned to heaven. Thereafter, He sent the Holy Spirit to continue with His ministry of salvation and deliverance until the end of time. Meanwhile, the battle between light and darkness has reached the climax with agents of darkness operating at the level of demonic supernatural. For this reason, the universal power of Christ is unveiled for the entire human race with a view to destroying all the works of darkness and to recover the dominion given to man. It is the divine supernatural given to deal with all battles of life in whichever ways they appear. It is the winning ticket on earth and connecting cord to eternal life with the Most High God. In addition, the universal power of Christ is out to quench the dragon fire unleashed on the earth as Covid-19 and any other device of the enemy in future. It is the power against the dragon storm and global terrorism. The person who walk in the universal power of Christ is transformed to overcome sin and automatically become a terror to darkness. It is the rod of divine supernatural given to the sons of men to rule the earth to the glory of God forever. This book which is in Volume 1, 2 & 3 combine together to form treasures of inestimable value. It is an unbeatable weapons of war in all spiritual encounter with darkness. With this, the present generation of the sons of men have the grace to win the battles of life and make heaven. Beloveth, Satan is doomed forever!

It is Velvet, the Arlanian Renegade Priestess, who commits the ultimate crime, by giving her sexual love to invading human soldiers, in the hope of bringing fusion between the two races, causing a revival of the ancient Fusion Cult. Anise, neophyte at the High Temple and disciple of Aurelon, joins the movement; which causes her expulsion from the Temple. Travelling to the war-torn city of Aldorone, Anise attempts to spread the call of reconciliation by herself. She receives unexpected help from the mysterious prostitute, Crystal. Infuriated by her mother's high-handedness, ignorant of her own true origins, she flees the court—leaving herself vulnerable to those who would see the Lightworld destroyed. Amid burgeoning unrest, desperate desires become divided loyalties and terrifying mercenaries lurk in the shadowy space between rebellion and anarchy.

*Battle Descriptions as Literary Texts* Johanna Luggin, Sebastian Fink, 2020-02-14 Battle descriptions are usually seen as the raw material of the military historian, who uses them to explain why generals won or lost a given battle. This volume does not aim to contribute to this discussion; it rather approaches battle descriptions as literary texts that interact with the expectations of a given audience. Therefore literary traditions in structure, vocabulary and topics of battle descriptions should be explored. The transgression of genre-borders – also literary and fictional texts are included – and a broad comparative approach, combining evidence from the third millennium BC up to the 20th century AD, makes cultural specifics and differences more easily perceivable. Contents With contributions by Marcos Such-Gutiérrez, Pavel Čech, Hilmar Klinkott, Wolfgang Oswald, Kai Ruffing, Oliver Stoll, Martin M.
