A Stroke of Midnight Laurell K. Hamilton, 2006 An erotic vampire romance set in historical times. Synopsis: The village of Greenwich is rundown by an unknown blood disease, the only hope for survival is to stay isolated from everyone. At this hospital, each night, she spends working side by side with the mysterious doctor, Alexander Debergman. For Alexander, life was nothing more than a mere two hundred years of solitude and darkness. His work was the only thing that could sustain him, until he met Serena. She was the sunlight he hadn't seen in centuries, she was a vision of warmth and beauty, love and desire. The unexpected happens when Serena not only loses her beloved mother to the sickness, but falls ill from it herself. When Alexander finds Serena fighting for her life and slowly losing the battle, he does the only thing he can do to save her life-make her what he is, a vampire.

Stroke of Midnight K. Webster, 2020-10-02 Money can buy anything. And anyone. As the head of the Constantine family, I'm used to people bowing to my will. Cruel, rigid, unyielding--I'm all those things. When I discover the one woman who doesn't wither under my gaze, but instead smiles right back at me, I'm intrigued. Ash Elliott needs cash, and I make her trade in crudeness and degradation for it. I crave her tears, her moans. I pay for each one. And every time, she comes back for more. When she challenges me with an offer of her own, I have to decide if I'm willing to give her far more than cold hard cash. But love can have deadly consequences when it comes from a Constantine. At the stroke of midnight, that choice may be lost for both of us.

At the Stroke of Midnight Tara Sivec, 2018-02-27 Meet the Naughty Princess Club: a brand new series from USA Today bestselling author Tara Sivec that introduces readers to Fairytale Lane and the hilarity—and romance—that ensue when three women start a new business to make it rain. Once upon a time Cynthia was the perfect housewife. Between being the President of the PTA and keeping her home spotless without a hair (or her pearls) out of place, her life was a dream come true. Her husband was once her knight in shining armor, but now he's run off with all their money...and the babysitter. Dressed as a princess at the annual Halloween block party on Fairytale Lane, she meets two other "princesses" also facing money troubles: antique store owner Ariel and librarian Isabelle. When the women are invited to wear their costumes to a party where they're mistaken for strippers, Cindy, Ariel, and Belle realize that a career change could be the best way to make their money problems go bippity-boppity-boo. But can structured Cindy approach a stripper pole without sanitizing wipes? And could the blue-eyed anti-prince that has been crossing her path become Cindy's happily ever after? *At the Stroke of Midnight* is a hilarious, empowering story where princesses can save themselves while slaying in stilettos.

Her ex-husband took away her voice and her self-confidence, and Ariel is drowning under a sea of debt to afford the alimony she has to pay him. She refuses to ever fall for a man's charms again, and is determined to make her own way. When her house and her beloved antiques are taken by the bank after too many missed payments, Ariel finds herself adrift until the infuriatingly charming Eric Sailor comes to her rescue. Although she can't stand the millionaire playboy, Eric's kindness and unconditional support reveal hidden depths and a love that Ariel never imagined she could find. But there are outside influences who will stop at nothing to keep them apart; can Ariel and Eric weather the storm and find a way to be together in *Kiss the Girl*?

A Stroke of Midnight Laurell K. Hamilton,2006-11-28 I am Meredith Gentry, P.I., solving cases in Los Angeles, far from the peril and deception of my real home—because I am also Princess Meredith, heir to the darkest throne faerie has to offer. The Unseelie Court infuses me with its power. But at what price does such magic come? How much of my human side will I have to give up, and how much of the sinister side of faerie will I have to embrace? To sit on a throne that has ruled through bloodshed and violence for centuries, I might have to become that which I dread the most. Enemies watch my every move. My cousin Cel strives to have me killed even now from his prison cell. But not all the assassination attempts are his. Some Unseelie nobles have waited centuries for my aunt Andais, Queen of Air and Darkness, to become weak enough that she might be toppled from her throne. Enemies unforeseen move against us—enemies who would murder the least among us. The threat will drive us to allow human police into faerie for the first time in our history. I need my allies now more than ever, especially since fate will lead me into the arm of Mistral, Master of Storms, the queen's new captain of her guard. Our passion will reawaken powers long forgotten among the warriors of the sidhe. Pain and pleasure await me—and danger, as well, for some at that court seek only death. I will find new joys with the butterfly-winged demi-fey. My guards and I will show all of faerie that violence and sex are as popular among the sidhe as they are among the lesser fey of our court. The Darkness will weep, and Frost will comfort him. The gentlest of my guards will find new strength and break my heart. Passions undreamed of await us—and my enemies gather, for the future of both courts of faerie begins to unravel.
