The Impossible Quest Of Hailing A Taxi On Christmas Eve George Saoulidis, 2017-12-08 Scrooge Is Looking For A Taxi Dickens meets I, Robot in this sci-fi retelling of a classic story. In this modern retelling of Charles Dickens' A Christmas Carol, Scrooge is looking for a taxi to get home on Christmas Eve. But he will get the ride of his life, as he is walked through his past, his present and his future to end up a changed man. Set in modern day Athens, this science-fiction version of the classic ghost story is guaranteed to bring shivers down your spine and a smile to your face. "It isn't too late for all us Scrooges, and this story did make me see more than the classic." "An entertaining, uplifting novella perfect to read during Christmastime." "This is a rollicking, hiccup producing, laugh out loud morality play that would make Dickens sit up and take notice. A lot of fun!" Read more of the Cyberpunk Fairy Tales, a unique twist on the classic stories you grew up with. Sometimes dark and disturbing like the Grimm stories, other times new and relevant to the modern age.

Uber B. Yasanthi Perera, Pia A. Albinsson, 2020-01-16 Uber is one of the most innovative companies of our time. This book provides a detailed analysis of the company and its success and goes beyond the headlines about safety and culture. Americans are so accustomed to using Uber today that the name of the innovative ride-sharing company has almost become a verb, as in to Uber somewhere, and yet Uber has been around only since 2010. In less than a decade, Uber has disrupted the ride-hailing industry, from making

it easier and more affordable to become an Uber driver than a cab driver to rating riders as well as drivers. As an early pioneer in using technology to create a new business model and new efficiencies, Uber is considered one of the most important case studies in the sharing economy. However, little in-depth information exists on this innovative company. This book traces Uber's origin and evolution in the face of competitive pressures, discusses the company leadership and corporate culture, addresses such controversies as rider and driver safety and sexual harassment of female employees, and explores how the company is addressing these challenges. Students of business, entrepreneurs, and anyone interested in the development and exponential growth of the sharing economy will benefit from reading this book.
