Take a Chance to be First Warren E. Avis,1986 The entrepreneur and rent-a-car pioneer offers the inspiration, motivation, and information needed to get started and keep climbing in any kind of business, covering areas such as how to raise venture capital and computer-based formulas for success.

The Lucky Few Heather Avis,2017-03-21 When life looks radically different than the plan we have for ourselves, it's the lucky few that recognize God's plan is best. That's what adoptive mom Heather Avis learned, and that's the invitation of this book. As the mother of three adopted children - two with Down syndrome - Heather Avis has learned that it's truly the lucky few who get to live a life like hers, who actually recognize that God's plans are best, even when they seem so radically different from the plans we have for ourselves. When Heather started her journey into parenthood she never thought it would look like this, never planned to have three adopted children, and certainly never imagined that two of them would have Down syndrome. But like most things God does, once she stepped into the craziness and confusion that comes with the unknown and the unplanned, she realized that they were indeed among the lucky few. Discover in this book what 70,000+ followers of Heather's hit Instagram account @macymakesmyday already know: the power of faith and family can help us stay strong in the toughest times. This book will also be especially touching to those with adopted family members or children with Down syndrome in their lives.

Give Me One Good Reason... Avis P. Raines,2012-02-17 Give Me One Good Reason is a tale of love, passion, and commitment, but yet there's betrayal, dishonesty, deception, and deceit. It gives you a twisted perception of a certain situation and then explodes into the unthinkable. But just when you think that all hope is gone, as we sometimes feel in life, there's a silver lining. That certain someone or something comes along and makes it all better. We can either accept certain situations, people, and things within our lives or we can let it go. We know that life isn't always as sweet as a bed of roses, but it doesn't have to be a bed of thorns either. Give Me One Good Reason is just that tale of failure to Faith. Life sometimes come with drama and dissatisfaction, but you don't have to deal with that and why would you want to. It's all about being happy and enjoying life to the fullest. Happiness starts with you and you only, other people may come along to enhance that happiness or add to it. Never let anyone determine your happiness, because they can be a part of your life one moment and decide to walk out the next.

Avis Dolphin Frieda Wishinsky,2015-03-25 Inspired by the story of actual passengers on the ill-fated Lusitania, this is a novel of great adventure and suspense, including graphic novel-style illustrations. Avis Dolphin doesn't want to leave New York and sail to England on the Lusitania. War is raging in Europe, and the Germans threaten to sink the ship. Avis is lonely and afraid until she meets a kindly professor whose stories of a magical island help her face an uncertain future. When the Lusitania is attacked, Avis must draw on all her newfound strength to cope with the confusion, terror and despair. How can she survive the sudden devastation of the ship? Will the people she cares about, especially the professor, live through the horror and danger? The immediacy of Frieda

Wishinsky's voice will engage readers in this thrilling story based on real events. They will identify with Avis and Professor Holbourn as they grapple with a stubborn captain, encounter German stowaways and contend with the feud between Avis's two cabin mates. In an atmosphere of growing anxiety, readers will be glued to the dramatic events as they unfold and the surprising fate of the people they have come to know. Willow Dawson's art depicts the stories the professor tells Avis in enchanting graphic-novel form. They provide a riveting magical element to the story, creating a story-within-a-story. Like Avis, readers will fall in love with Foula and will dream of the island long after they have reached the last page of this exciting story. Different--A Great Thing to Be! Heather Avis, 2021-06-29 NEW YORK TIMES BESTSELLER • This joyful rhyming book encourages children to value the "different" in all people, leading the way to a kinder world in which the differences in all of us are celebrated and embraced. Macy is a girl who's a lot like you and me, but she's also quite different, which is a great thing to be. With kindness, grace, and bravery, Macy finds her place in the world, bringing beauty and laughter wherever she goes and leading others to find delight in the unique design of every person. Children are naturally aware of the differences they encounter at school, in their neighborhood, and in other everyday relationships. They just need to be given tools to understand and appreciate what makes us "different," permission to ask questions about it, and eyes to see and celebrate it in themselves as well as in those around them.

Avis Glaze Roderick Bennis, 2017-01-28 Avis Glaze was recently identified as one of the most inspiring women every educator should know. From her earliest days in Jamaica, as a young girl who was driven to teach others to read, to her rapid rise through all levels of the school system to become the founding CEO of the Literacy and Numeracy Secretariat and Ontario's Education Commissioner, Glaze has been a persistent voice in the belief that there should be no 'throw-away kids.' Recognized for her record of innovations in education, including improved student learning and achievement in Ontario, she initiated system-wide character development programs in schools, communities and workplaces. This award-winning educator has been a steadfast advocate for equity of outcomes for all students. That is why Glaze has always acted with a sense of urgency because, as she often says, "the children cannot wait." Glaze was chosen by the Canadian government to assist with education reform in South Africa. She is in demand as a speaker across the globe, having worked in more than 22 countries and over 30 U.S. states to help maximize impact. She is truly an international leader in the field of education. Part biography, part chronicle of achievements, this book will reignite passion and commitment to improve teaching, learning, leadership, and organizational effectiveness.

Space Chronicles: Facing the Ultimate Frontier Neil deGrasse Tyson, 2012-02-27 “A compelling appeal, at just the right time, for continuing to look up.”—Air & Space America’s space program is at a turning point. After decades of global primacy, NASA has ended the space-shuttle program, cutting off its access to space. No astronauts will be launched in an American craft, from American soil, until the 2020s, and NASA may soon find itself eclipsed by other countries’ space programs. With his signature wit and thought-provoking insights, Neil deGrasse Tyson—one of our foremost thinkers on all things space—illuminates the past, present, and future of space exploration and brilliantly reminds us why NASA matters now as much as ever. As Tyson reveals, exploring the space frontier can profoundly enrich many aspects of our daily lives, from education systems and the economy to national security and morale. For America to maintain its status as a global leader and a technological innovator, he explains, we must regain our enthusiasm and curiosity about what lies beyond our world. Provocative, humorous, and wonderfully readable, *Space Chronicles* represents the best of Tyson’s recent commentary, including a must-read prologue on NASA and partisan politics. Reflecting on topics that range from scientific literacy to space-travel missteps, Tyson gives us an urgent, clear-eyed, and ultimately inspiring vision for the future.
