*Bathe the Cat* Alice B. McGinty, 2022-02-08 Bathe the floor? Sweep the dishes? This riotous romp of a picture book follows a frantic family as they try to get some chores done—with no help from the family cat, who keeps scrambling the list of chores with hilarious effects. Get ready for a rollicking read-aloud with a truly purrfect ending. It's cleaning day, but the family cat will do anything to avoid getting a bath. So instead of mopping the floor or feeding the fish, the family is soon busy rocking the rug, vacuuming the lawn, and sweeping the dishes. Bouncy rhyme carries the story headlong into the growing hilarity, until finally Dad restores some kind of order—but will the cat avoid getting his whiskers wet? HILARIOUS READ-ALoud: Word scrambles are a delight in this silly rhyming picture book! Kids will love the accessible rhyming text, and emerging readers will be able to anticipate words after repeated reads, making for an engaging and interactive read-aloud experience. CATNIP FOR CAT LOVERS: This sweet and sneaky feline will do anything to get out of having a bath! Ample cat antics and scenes of increasing mischief (and increasing chaos!) will tickle young readers and entice parents—particularly those with a furry feline member of their own households. TWO DADS LEAD THE WAY: Dad and Papa are the heads of this large and loving biracial family, mirroring illustrator David Robert's own orientation and providing picture book readers with a positive depiction of LGBTQ+ characters in a fun and funny family story. WINNING AUTHOR-ILLUSTRATOR TEAM: Alice McGinty is a prolific author of books for children, and David Roberts is well-known for his work on the popular Questioners series. Together, their upbeat text and energetic art with pops of neon color make for a standout picture book, just right for gifting and enjoying together at storytime. Perfect for: • Parents • Gift-givers • Cat lovers

*The Cat's Meow* Jonathan B. Losos, 2023-05-02 The past, present, and future of the world's most popular and beloved pet, from a leading evolutionary biologist and great cat lover. Engaging and wide-ranging ... The Cat's Meow is a readable and informed exploration of the wildcat that lurks within Fluffy. —The Washington Post The domestic cat—your cat—has, from its evolutionary origins in Africa, been transformed in comparatively little time into one of the most successful and diverse species on the planet. Jonathan Losos, writing as both a scientist and a cat lover, explores how researchers today are unraveling the secrets of the cat, past and present, using all the tools of modern technology, from GPS tracking (you'd be amazed where those backyard cats roam) and genomics (what is your so-called Siamese cat . . . really?) to forensic archaeology. In addition to solving the mysteries of your cat's past, it gives us a cat's-eye view of today's habitats, including meeting wild cousins around the world whose habits your sweet house cat sometimes eerily parallels. Do lions and tigers meow? If not, why not? Why does my cat leave a dead mouse at my feet (or on my pillow)? Is a pet ocelot a bad idea? When and why did the cat make its real leap off the African plain? What's with all those cats in Egyptian hieroglyphics? In a genial voice, casually deciphering complex science and history with many examples from his own research and multi-cat household, Losos explores how selection, both natural and artificial, over the last several millennia has shaped the contemporary cat, with new breeds vastly different in anatomy and behavior from their ancestral stock. Yet the cat, ever a predator, still seems only one paw out of the wild, and readily reverts to its feral ways as it occupies new lands around the world. Humans are transforming cats, and they in turn are transforming the world around them. This charming and intelligent book suggests what the future may hold for both *Felis catus* and *Homo sapiens*.

**The Naked Cat with the Velvet Paws** Lisa B. Olek, 2011 A beautiful cat has been bullied and comes to the aid of the neighbor cats. He scarifies his own fur to help others.

**Reigning Cats And Dogs** Hilary B. Price, 2003-04-02 Dog and cat owners alike will love this humorous little book. On page after page, they will see their own experiences with shedding loved ones brought to life in Hilary Price's captivating and clever cartoons. *Reigning Cats and Dogs* is a collection of the most popular dog and cat strips from Price's wonderfully funny syndicated comic, *Rhymes with Orange*. These fan favorites offer an insider's view of pet ownership—from the tumbleweeds of hair they deposit in every corner to their ability to take up so much room on the bed that you end up with your head on the nightstand. Readers also get a dog and cat's-eye view of the world—where canines cram for the obedience school final and felines explain their compulsion to sit on your newspaper. Plus there are plenty of quips on the lengths we people will go to satisfy our most beloved family members. *Reigning Cats and Dogs* is guaranteed to leave pet owners—and everyone else who treasures the best in contemporary cartooning—howling for more.

Although they are not related, they have the same brown-gray fur. Together, they share the warmth, shelter and love of their owners. Gideon and Mau encounter a tired and hungry calico lady cat. Mau tries talking to the calico cat but is met with an unfriendly response. Gideon advises his brother to let her be. They then meet another cat with ginger-coloured fur, which looks equally hostile. **B D. L. Luke**,2016-03-15 The night before Halloween in Hoboken, New Jersey, the Willow Witch summons Bernard, nicknamed B, and eight other strays to enter in the Black Cat Contest. Each contestant much find three ingredients for her witch's brew. When the trials are complete, aye on Halloween night, the winner will become her familiar and gain a home. Although he lives with Victor, a grim, gaunt, and ungainly-looking crow that roosts on the eaves of an abandoned coffee factory, B has been homeless since Mrs. Blue, his human recently passed away. Finding the three ingredients is the least of B's problems. If there isn't a car, truck, bus, or taxi cab to run him over than the Feral Cat Crusaders are there to lock him away in the animal shelter. The pace and movement of the plot are good and the story unfolds well. There is an element of eeriness and spookiness as the plot revolves around Halloween. The narration is detailed and descriptive, making the entire story very visual and alive. Bernard the cat will remain in the minds of young readers for a long time after the book is read because of his need to gain a home and his striving to make that happen. B's determination and hard work to succeed is noteworthy. The illustrations are good and add color to the story. The low Witch and Witchcraft heighten the spooky atmosphere of the plot with the Halloween moon and Jack-O-Lantern grin. All the other characters in the story are also interesting: their personalities are well sketched and they add to the excitement of the plot. But B stands out with his fights and his desperation to win the contest. An exciting story with the right element of thrill, adventure and eeriness. Reviewed by Mamta Madhavan for Readers' Favorite

**CatChristmas B. Kliban**,2010-09 If you are a cat person, you know that cats celebrate Christmas. They marvel at Christmas trees, attack gift wrap, give presents (c'mon! a dead mouse counts!), receive presents, and eat too much. This holiday behavior was shrewdly documented by B. Hap Kliban (1935–1990), the closest man to a cat anyone has ever encountered. For the first time, his dozens of Yuletide Cat cartoons and paintings have been collected in this charming but revealing little book. As an extra added attraction, never-before-published Cat lyrics to well-known Christmas carols are included, researched and collected by Professor Winkie B. Earmites. Hark the Hungry Kitties Sing, We Wish You a Mousie Christmas, and Kitties We Have Heard on High are just a few of the rousing standards included. Click on the small picture above for an inside view.
