**The Baby Monitor** Rosie Walker,2024-02 I'm closing my daughter's bedroom door after putting her to bed and saying I love her one last time, when I hear the baby monitor crackle to life. The voice sends shockwaves to my core: 'Your mother doesn't love you.' My husband says it's just exhaustion and I'm hearing things. But he has no idea what that voice is doing to Olivia. He doesn't see the look in my daughter's eyes as she pushes me away and says, 'I want my other mother.' Then Olivia plunges down the stairs screaming. In my worst nightmares, I never imagined I could come so close to losing my child. As I watch Olivia sleep in a hospital bed, her broken arm in a sling, I decide this has to stop. Someone unscrewed our baby gate from the wall. I know I've been unwell in the past, but I'm not making this up. The only people who've been inside our house are the ones I thought I could trust. Someone close is watching me, speaking to Olivia and trying to make me look like a bad parent. I don't care what my husband says. I'm more scared than I've ever been in my life, but my precious child means everything to me. They have no idea how far I'll go to protect my daughter... An absolutely gripping and addictive psychological thriller that will keep you turning the pages until late into the night. If you love *The Housemaid*, *Gone Girl* or *The Woman in the Window*, you'll adore *The Baby Monitor*. What readers are saying about Rosie Walker: 'EXCELLENT... This was definitely HEART-POUNDING!!... I never knew who was speaking the truth, this totally got me, the ending was totally NOT what I expected. This book will stay with me for a long time, I will definitely be telling my friends about it. LOVED, LOVED, LOVED IT!!!! Super great book.' Goodreads reviewer 'Holy cow what a ride!!! Twists and turns and just a great book! This book is full of so many turns and keeps you up way past your bedtime!' Goodreads reviewer 'I definitely was not expecting the chills that ran down my spine... The twists made my head spin!... This book is so totally worth reading, you won't look at... baby monitors the same way again!!' Goodreads reviewer 'AMAZING and full of twists! I honestly could not put it down and almost read it all in one go (I would have if I had the time!)... The ending was so unexpected. Highly recommend this to everyone who enjoys psychological thrillers!' @kkuromireads 'Once you start you cannot put it down you need to know it is all going to turn out. It was such a suspenseful read... I loved how unreliable the narrator was it had you on edge all the way through... This was such a gripping emotional read.' NetGalley reviewer 'I couldn't stop thinking about it when I wasn't reading. Was desperate to get back to it! It's rare I love a book like this so much.' Goodreads reviewer 'What a book! Just when you think you know what's happening, it all switches up. You just get sucked in and can't put it down till the very last page!' Goodreads reviewer

**Baby, Unplugged** Sophie Brickman,2021-09-07 A charming, meticulously researched, and illuminating look at how technology infiltrates every aspect of raising children today, filled with helpful advice parents can use to best navigate the digital landscape, and ultimately learn to trust their own judgment. There's an app or device for nearly every aspect of parenting today: monitoring your baby; entertaining or educating your toddler; connecting with other new parents for tips, tricks, and community—virtually every aspect of daily life. But it isn't a parenting paradise; the truth is much more complicated. The mother of two young daughters, journalist Sophie Brickman wondered what living in a tech-saturated world was doing to her and her children. She turned to experts, academics, doctors, and innovators for advice and insight. Baby, Unplugged brings together Brickman's in-depth research with her own candid (sometimes hilarious) personal experience to help parents sort through the wide and often confusing tech offerings available today and to sort out what's helpful and what's not. Filled with relatable and entertaining stories as well as practical takeaways, Baby, Unplugged is destined to become a touchstone for parents today, giving them the permission to forge their own path through the morass of technological options, to restore their faith in themselves, and to help them raise good, social, and engaged people in the modern world.
