HM Revenue and Customs Great Britain: Parliament: House of Commons: Committee of Public Accounts,2010-02-25 This report examines the following issues: claiming the additional tax allowances available to older people; administering tax for older people; and providing cost-effective support for older people. Older people are a significant and growing group for HM Revenue & Customs (HMRC), making up 18 per cent of taxpayers, with 5.6 million liable for income tax. Older people are poorly served by the Department. Errors occur because people's tax affairs often become more complicated when they reach pension age, and HMRC's systems do not cope well with their multiple sources of income. For example, an estimated 1.5 million older people have overpaid tax by £250 million because of discrepancies between the Department's records and those of their employers and pension providers. Older people may also be paying too much tax because they do not claim additional tax allowances available. Some 2.4 million older people have also overpaid around £200 million in tax because they did not have their savings income paid gross of tax. HMRC should devise simpler systems so that older people can have peace of mind about their tax affairs and it should have a more coherent plan for meeting the needs of older people efficiently and effectively. It costs the Department twice as much on average to deal with an enquiry from an older person compared to those from other taxpayers because their enquiries tend to be more complicated. HMRC should safeguard opportunities for face-to-face contact which older people often prefer.

Staked Kevin Hearne,2016-01-26 NEW YORK TIMES BESTSELLER • In the eighth book in The Iron Druid Chronicles, two-thousand-year-old Druid Atticus O'Sullivan faces the clan of vampires who have been bent on destroying him—including Leif, his former best friend turned enemy. When a Druid lives as long as Atticus does, he's bound to run afoul of a few vampires—make that legions of them. Even his former friend and legal counsel turned out to be a bloodsucking backstabber. Now the toothy troublemakers—led by power-mad pain-in-the-neck Theophilus—are no longer content to live undead and let live. Atticus needs to make a point—and drive it into a vampire's heart. As always, Atticus wouldn't mind a little backup. But his allies have problems of their own. Ornery archdruid Owen Kennedy is having a wee bit of troll trouble: Turns out when you stiff a troll, it's not water under the bridge. Meanwhile, Granuaile is desperate to free herself of the Norse god Loki's mark and elude his powers of divination—a quest that will bring her face-to-face with several Slavic nightmares. As Atticus globe-trots to stop his vampire nemesis, the journey leads to Rome. What better place to end an immortal than the Eternal City? But poetic justice won't come without a price: In order to defeat Theophilus, Atticus may have to lose an old friend. Don't miss any of The Iron Druid Chronicles: HOUNDED | HEXED | HAMMERED | TRICKED | TRAPPED | HUNTED | SHATTERED | STAKED | SCOURGED | BESIEGED
