The Book of 528 Leonard G. Horowitz, 2011 Come celebrate and expand your intelligence and heart's deepest convictions-LOVE, joy, faith, and bravery. These are the qualities of 528Hz frequency of sound, and 528nm of light. Dr. Horowitz advances medicinal music with the 528 Revolution, and explains pure Divine spirituality as the Holy Spirit power of LOVE that performs all the natural healing miracles to remedy all crises and cure all diseases. Applications of this musical-mathematical discovery abound. For instance, the 528 Radio Network is now broadcasting in the frequency in which healing miracles are created, enhancing prayer power, and faith fueled outcomes. Dr. Horowitz advances medicinal music with the 528 Revolution, and explains pure Divine spirituality as the Holy Spirit power of LOVE that performs all the natural healing miracles to remedy all crises and cure all diseases. MUSIC is The Universal Language and LOVE is the Universal Healer. WATER is the Universal Solvent, and as a liquid crystal superconductor of sound, comprising eighty (80) percent of your body weight, LOVE transmits through your body water musically to produce miracles in the special frequency of LOVE/528. LOVE/528 music is the most powerful technology for social healing and deprogramming humanity out of its trance state generating spiritual dysfunction and distressing thought patterns, fretting over irrational fears. By broadcasting and receiving LOVE, people, and civilization as a whole, stand the best chance to evolve sustainably and prosperously. Revelations in *The Book of 528: Prosperity Key of Love* provide the greatest opportunity to transcend social, political, and economic impositions enslaving people to false doctrines and damaging divisions, degenerating everything good. *The Book of 528: Prosperity Key of Love* reveals the ways and means to freedom in healthcare and the energy industries. It provides a ground floor opportunity to advance industries and entrepreneurial endeavors integrating LOVE/528 to prosper during the predicted mass transfer of wealth from those of lower consciousness to those who command intelligence for a technological revolution based on the Miracle note of the universe--528Hz--an acoustic energy impacting everyone spiritually. This knowledge is fundamental to the long prophesied paradigm shift impacting every industry. In this context, 528 science, health, and healing is a function of Holy Spiritual activation and atonement, or a-tone-meant, and at-one-meant for the restoration of the Body Temple and society, including the evolution, reactivation, and restructuring of DNA musically for you to be all that you can be. Spirit is energy. Energy is frequency, and frequency is simply musical mathematics vibrating electronically and electro-genetically through spinning spiraling electrons. This physics of creation and recreation, fundamental to biophysics and metaphysics, administers cellular regeneration, as well as genetic expression.

Thomas Sankara Brian J. Peterson, 2021-03-02 Thomas Sankara: A Revolutionary in Cold War Africa offers the first complete biography in English of the dynamic revolutionary leader from Burkina Faso, Thomas Sankara. Coming to power in 1983, Sankara set his sights on combating social injustice, poverty, and corruption in his country, fighting for women's rights, direct forms of democracy, economic sovereignty, and environmental justice. Drawing on government archival sources and over a hundred interviews with Sankara's family members, friends, and closest revolutionary colleagues, Brian J. Peterson details Sankara's political career and rise to power, as well as his assassination at age 37 in 1987, in a plot led by his close friend Blaise Compaoré. *Thomas Sankara: A Revolutionary in Cold War Africa* offers a unique, critical appraisal of Sankara and explores why he generated such enthusiasm and hope in Burkina Faso and beyond, why he was such a polarizing figure, how his rivals seized power from him, and why T-shirts sporting his image still appear on the streets today.

The Quino Codex Pierre Belanger, Pablo Escudero, Ghazal Jafari, 2022-05-09 From germ theory to plantation logic, this book charts the 528-year legacy of global, colonial powers in the violent search for the elusive Cinchona plant of South America, the only known natural cure for malaria in the world. Stolen by the Jesuits in the 17th century, smuggled abroad by Britain and Holland during the 18th century, mapped by German explorer Alexander von Humboldt in the 19th century, and exploited by global pharma in the 20th century, the Cinchona plant and the story of its powerful quinine extract not only lie at the base of modern civilisation but trace the deep roots of Indigenous, territorial resistance back to the Amazon and the Andes. Using the unfamiliar format of an illustrated historical timeline, the chronological organisation of images and stories presented as unique spatial evidence offer counter-narratives to the conventional bounded map of the nation state and the distancing of the past that often overshadows and obscures realities of the present-future.
