Bangalore, now known officially as Bengaluru, is the capital of the Indian state of Karnataka. There are city tours that can show you the city efficiently if you are short on time. Typically, tours do not include entry fees into the attractions. Bangalore, like the rest of India, has a habit of charging foreigners a lot more than locals for attractions. Once called the Garden City of India and the Pensioner's Paradise, these epithets don't apply to the modern Bangalore. Nowadays it a large, cosmopolitan city with a large working population. Bangalore is the major centre of India's IT industry and known worldwide as the Silicon Valley of India. Wink Travel Guides introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.
