Entomological Society of Washington

*Diaspora Pride - People, Places, and Things (V4)* Indiana Robinson,2017-07-31 As a nation, we should preserve our social memory by honoring those who paved the way for us to exist, recognizing those who etched their indelible mark on our lives, and remembering those who went to the great beyond before us as expressed in the Salute to the Dearly Departed segment (People); our regions, areas, and territories; our locales, hotspots, and hangouts and places we love to visit and events we constantly attend in (Places), and the happenings and the things that we cherish to death - items, commodities, artifacts, and products (Things). So dear readers, enjoy the mind triggers and heart-wrenching diggers you will find in this book honouring the 55th year of celebrating Jamaica's independence and the tantalizing trip down memory lane with this unofficial reference/resource guide by your side. You will recollect who is who (people), where is where (places), and what is what (things) in both the Jamaican and the Diaspora/Global context.
