**Live Generation** Reza Mohajerinejad,2010-06-23 In the middle of the night on July 9, 1999,

government-backed militia brutally attacked the student dormitories of Tehran University, forever changing not only the political landscape but also the control the Islamic Republic of Iran had over its youth. Live Generation shares the true story of the courageous students who participated in a movement that provided the foundation for a new generation of youth willing to risk everything for the freedom of their country. Reza Mohajerinejad, one of the student organizers who led the 1999 protests, offers a compelling insiders perspective as he chronicles the days of protest, later known as 18 Tir on the Persian calendar. He details how students were pulled from their rooms and beaten, resulting in a six-day student uprising that brought some 50,000 students out into the streets of Tehran to protest a tyrannical government. While providing a fascinating look at the determination of Irans youth to ensure secular, democratic rule in their country, Mohajerinejad details his own journey to captivity and torture at the hands of the Islamic regime. Live Generation shares one mans unforgettable insight into one of the most critical, life-changing events in the history of Iran.

**Live Form** Jenni Sorkin, 2016-07-26 Ceramics had a far-reaching impact in the second half of the twentieth century, as its artists worked through the same ideas regarding abstraction and form as those for other creative mediums. Live Form shines new light on the relation of ceramics to the artistic avant-garde by looking at the central role of women in the field: potters who popularized ceramics as they worked with or taught male counterparts like John Cage, Peter Voulkos, and Ken Price. Sorkin focuses on three Americans who promoted ceramics as an advanced artistic medium: Marguerite Wildenhain, a Bauhaus-trained potter and writer; Mary Caroline (M. C.) Richards, who renounced formalism at Black Mountain College to pursue new performative methods; and Susan Peterson, best known for her live throwing demonstrations on public television. Together, these women pioneered a hands-on teaching style and led educational and therapeutic activities for war veterans, students, the elderly, and many others. Far from being an isolated field, ceramics offered a sense of community and social engagement, which, Sorkin argues, crucially set the stage for later participatory forms of art and feminist collectivism.

**By Blood We Live** John Joseph Adams, 2009-08-01 From Dracula to Buffy the Vampire Slayer; from Castlevania to Tru Blood, the romance between popular culture and vampires hearkens back to humanity's darkest, deepest fears, flowing through our very blood, fears of death, and life, and insatiable hunger. And yet, there is an attraction, undeniable, to the vampire archetype, whether the pale European count, impeccably dressed and coldly masculine, yet strangely ambiguous, ready to sink his sharp teeth deep into his victims' necks, draining or converting them, or the vamp, the count's feminine counterpart, villain and victim in one, using her wiles and icy sexuality to corrupt man and woman alike... Edited by John Joseph

Adams (Wastelands, The Living Dead), *By Blood We Live* gathers together the best vampire literature of the last three decades from many of today's most renowned authors of fantasy, speculative fiction, and horror, including Stephen King, Joe Hill, Garth Nix, Neil Gaiman, Kelley Armstrong, Ken Macleod, Harry Turtledove, Carrie Vaughn, and Tad Williams.

**Long Live the Queen** Bryan Kozlowski,2020-11-10 Does this crown make me look old?" said the Queen never. Her longevity, health and physical stamina are legendary. Now the longest reigning monarch in British history, Elizabeth II has spent over half a century on the throne, rarely taking a sick day and, in her tenth decade, remains amazingly comfortable in her own skin. How does one do it, Ma'am? For the first time, step behind Palace doors to unlock the little-known strategies behind the Queen's remarkable self-preservation. Investigating the 23 rules of her iconic resilience, you'll learn how to channel your inner royal – at work, at play, or at the table – in this fascinating plunge into the House of Windsor's famous fountain of youth. Extensively researched and delightfully revelatory, it's the story of how one strong queen can make stronger, happier, healthier subjects of us all. Long live you!

**An Actor Prepares-- to Live in New York City** Craig Wroe,2003 (Limelight). A guide for actors, and everyone else, to getting the best for less and surviving, thriving and living the good life in the Big Apple. Here is the ultimate guidebook for the hordes of aspiring young performers who arrive in the Big City determined to climb the ladder to stardom. But the purpose of Craig Wroe, an actor himself, is not to provide instruction on how to refine acting, singing or dancing talents or how to land a job in the chorus of The Producers . Plenty of other books do that. His aim is far broader to help you survive in the crowded, frantic, expensive maelstrom that is New York. From finding a decent, reasonably inexpensive place to live to finding competent, reasonably inexpensive dental care, from getting computer training to organize your day-to-day existence to joining a gym to harden your body, from eating well to dressing better all on a tight budget there is virtually no aspect of life in New York that is not covered in this book. And it not only names names; it gives addresses and phone numbers as well. And keep in mind that newly-arrived lawyers, accountants, models, writers you name them need these things too.

**Learning to Live Out Loud** Piper Laurie,2011 The noted actress recounts her early shyness and anxieties, her years as a contract actress at Universal, her break with the studio system, her subsequent career in film, the theater, and television, and her personal life.

Live from New York, It's Lena Sharpe Courtney Litz,2012-08-15 Coming soon to a network near you... Lena Sharpe wants her life to be the fabulous kind that movies are made of. She works in television, so she's familiar with the heroine, the hook and when to break for commercial. The problem is, she's always telling other people's stories. When will it be her turn? Potential costars are numerous.... Call it romantic, or call it delusional (her friends do), but Lena rewrites her life story for every guy she meets. She chats up a lowly band-boy and suddenly she's Mrs. Indie. Flirts with a banker, and presto, she's got a house in the country and a golden retriever. A happy ending is almost definitely pretty much guaranteed.... When Lena meets Colin, the perfect guy, she's on cloud nine. Suddenly, she has the life she's always wanted, complete with a new circle of fabulous friends—much to the chagrin of her old circle of fabulous friends. He even encourages her to quit her job and follow her dream. Is this love or just another fantasy? And what's up next? Diamond ring or reality check? To find out, tune in to *Live from New York, It's Lena Sharpe!*
