*Play Your Best Golf Now* Lynn Marriott,Pia Nilsson,2011-04-28 Two of golf's most revolutionary teachers share a personalized approach to accessing your peak performance. The VISION54 approach is far more than just pure golf technique, it allows an individual to unlock their true potential by opening their mind and believing anything is possible to achieve. - David Leadbetter, David Leadbetter Golf Academy Pia Nilsson and Lynn Marriott are Complete Game Coaches, leaders of a new kind of golf instruction that focuses on more than just the grip, the stance, and the swing. Their VISION54 method targets the complete golfer-the whole person-not just the technical aspects of the game. Their coaching philosophy focuses on possibilities, not limitations, with an end goal of MY54- the idea that any golfer can reach their own personalized version of peak performance, scoring nothing but birdies on a par-72 course. Building on the core concepts introduced in Every Shot Must Have a Purpose and the strategic thinking in The Game Within the Game, Play Your Best Golf Now takes the mystery out of the soft skills of golf and shows golfers how to add these skills to their game for peak performance. Players learn to master the 8 Essential Playing Skills: 1. LEAVE YOUR MIND BEHIND and enter the Play Box 2. DECIDE AND COMMIT to your shots 3. FIND YOUR BALANCE both physically and mentally 4. FEEL YOUR TEMPO on the course and dance to its rhythm 5. TAME TENSION to improve your swing 6. BUILD EMOTIONAL RESILIENCE 7. STORE MEMORIES and learn from the past to make a better present 8. DROWN SELF-TALK IN USEFUL THOUGHTS And the 2 Essential Practice Skills: 1. SIMULATE GOLF on the practice range to maximize your time and effort 2. INTEGRATE SKILLS and practice with a plan These Essentials complement the technical anchors of the game-the grip, the stance, the swing-and give players a foundation for achieving their peak performance. MY54 is the vision, and these are the building blocks for achieving a higher level of play.

**AND THAT'S THAT!** Louise Suggs, 2014-06-13 **AND THAT'S THAT!** is the life story of one of golf's greatest champions. Louise Suggs shares a rich and colorful insight into the courage it took for her and a small group of women in the post WWII years to step out and build a women's professional sports organization - the Ladies Professional Golf Association. One of the LPGA's 13 Founders and one of the original Hall of Fame members, Louise Suggs began to make her name in golf with a dazzling amateur career, a dominant eight-year stretch during which she won every crown of significance in the women's game - many of them on multiple occasions. Louise went on to win 60 professional titles, a number bettered by only three other women in the 63-year history of the LPGA. She also triumphed in 11 major championships - an achievement bested by only two other women. A Few Words About Louise Suggs Louise deserves great credit for the work she did in making the LPGA a reality. She was a delight to play with. Her swing was a magnificent combination of fluid rhythm, balance and grace. She was an unselfish mentor to me, and I'm honored to call her friend. - Mickey Wright, World Golf Hall of Fame Member Louise is an inspiration and a role model for all women and girls to dream big and commit to making it happen - even in the face of seemingly insurmountable challenges. Her remarkable life story is humble, heroic, and humorous, and demonstrates how much is possible when you are true to yourself and never lose sight of always doing the right thing. - Cindy Davis, President Nike Golf - Vice President Nike, Inc. What is most impressive about Louise is her absolute humility in the face of such extraordinary accomplishments. What she has done throughout her life and career warrant a Paul Bunyan-sized ego, yet Louise exhibits nothing less than grace, dignity and an authentic spirit. While the LPGA is lucky to have Louise as a hero, I believe no one is more fortunate than the person who can call Louise a friend. - Ty Votaw, Executive Vice President - Chief Global Communications Officer PGA Tour The LPGA wouldn't be even close to what it is today if it hadn't been for Louise and some of the other players of her era. Louise has always been a woman of integrity and conviction. This guided her through her life and that is what I have always loved about her. - Beth Daniel, World Golf Hall of Fame Member, 2009 U.S. Solheim Cup Captain The goal for a life well lived should be the ability to "leave your mark" - on the people you met, the places you visited, and in the career you pursued. Suffice it to say that no one has left a more permanent mark than Louise Suggs. Because of the courage, vision, and perseverance of Louise and her fellow LPGA Founders, women all over the world can pursue their dreams in this wonderful game. - Mike Whan, LPGA Commissioner

***Women in Golf*** David L. Hudson Jr., 2007-11-30 Despite the thirst for more information about women's golf, very little exists about its history outside of books about the legendary Babe Didrikson Zaharias. Hudson fills this void, offering a complete history of women in golf. He focuses on the fascinating development of women's golf, the creation of the women's tour, star athletes of the past, the astronomical rise of the present-day tour greats, and the future of the sport. Golf may well have replaced baseball as America's pastime, and the sport enjoys incredible popularity across the globe. At the professional level, women's golf continues to escalate in popularity and media attention, particularly with the dominance of LPGA champion Annika Sorenstam and the interest surrounding teenage phenom Michelle Wie. Despite the thirst for more information about women's golf, very little exists about its history outside of books about the legendary Babe Didrikson Zaharias. Hudson's new book fills this void, focusing on the fascinating development of women's golf, the creation of the women's tour, star athletes of the past, and the astronomical rise of the present-day tour greats. In addition, Hudson examines women's golf in the context of the country's history of discrimination against women. Women's golf grew in popularity after the passage of the 19th Amendment in 1920, granting the right of suffrage. Unfortunately, gender discrimination remains a reality in the world of golf in certain locales of country club golf. Nonetheless, women's golf has never been more popular. For example, the Futures Tour, where girls and young women hone their skills on the way to the LPGA, has grown to more than 300 players from 27 countries, making it the largest international

developmental tour in the world. And the 2006 LPGA Tour featured 34 events with prize money nearing \$50 million, the highest ever in LPGA history. In 1890, Hudson writes, the Washington Post reported that some girls are anxious to learn golf, because they are really fond of sport and exercise; others, because it gives them a chance to show off a natty suit. Those girls are now acknowledged as women—and this book shows how very far they, and their sport, have come.
