More Better Deals Joe R. Lansdale, 2021-02-25 Ed Edwards works in the dirty, tough world of used car sales, but feels sure he is destined for more in life. Dreaming of a brighter future for himself and his plucky little sister, Ed wants to get out of the game. And when Dave, his lazy, grease-stained boss, sends him to repossess a Cadillac, the better deal Ed has been searching for suddenly seems in reach. The Cadillac in question belongs to Frank Craig and his beautiful wife Nancy, owners of a local drive-in and pet cemetery. Ed knows Nancy well - too well. In the throes of their salacious affair, Nancy has suggested they kill Frank and claim his insurance policy. It is a

tantalizing offer: Ed could finally say goodbye to cars and maybe even send his sister to college. But does he have what it takes to seal the deal? Full of grit, wit and dark humour, *More, Better Deals* showcases Edgar award-winning author Joe Lansdale's brilliant writing and delivers another unputdownable thriller.

Some of the 'tricks' used by Job and others to secure better deals are highlighted.

Do Deal Richard Hoare, Andrew Gummer, 2022-03 We negotiate constantly. In work, and in life. As we try to get the 'best deal', it can feel like a tug of war - without the fun. Yet what if the process was more collaborative, and even laid the foundations for a strong future relationship? In *Do Deal*, music lawyers Richard Hoare and Andrew Gummer share their refreshing approach to negotiation. Not only has it led to major record deals and enduring creative partnerships, but also a reputation for getting the deal done without leaving both parties bruised and battered. Now, they will help you to: - Identify your natural

negotiating style - Develop strategies to deal with difficult situations (and people) - Build trust and negotiate more collaboratively - Think creatively to enrich deal terms With case studies from Glastonbury Festival and films such as True Grit, this is an essential read before any negotiation. Soon you'll be approaching the bargaining table with new skills and greater confidence, regardless of the cards you're holding. Deal?

Negotiating the Deal Kerry Johnson MBA, Ph.D., 2022-05-24 Negotiation is the fastest and most amount of money you will ever make. In one hour, you could make Thousands or even Millions of dollars. Axiom's End Lindsay Ellis, 2020-07-21 THE INSTANT NEW YORK TIMES BESTSELLER The alternate history first contact adventure *Axiom's End* is an extraordinary debut from Hugo finalist and video essayist Lindsay Ellis. Truth is a human right. It's fall 2007. A well-timed leak has revealed that the US government might have engaged in first contact. Cora Sabino is doing everything she can to avoid the whole mess, since the force driving the controversy is her whistleblower father. Even though Cora hasn't spoken to him in years, his celebrity has caught the attention of the press, the Internet, the paparazzi, and the government—and with him in hiding, that attention is on her. She neither knows nor cares whether her father's leaks are a hoax, and wants nothing to do with him—until she learns just how deeply entrenched her family is in the cover-up, and that an extraterrestrial presence has been on Earth for decades. Realizing the extent to which both she and the public have been lied to, she sets out to gather as much information as she can, and finds that the best way for her to uncover the truth is not as a whistleblower, but as an intermediary. The alien presence has been completely uncommunicative until she convinces one of them that she can act as their interpreter, becoming

the first and only human vessel of communication. Their otherworldly connection will change everything she thought she knew about being human—and could unleash a force more sinister than she ever imagined.

Looking for Lovely Annie F. Downs, 2016-04-05 "I want you to take every step of your life with excitement for where you are headed. And I want you to feel beautiful and confident as you do." But how? When the enemy whispers lies that you are not smart enough, pretty enough, or rich enough? Or you are too dumb, too loud, too quiet, too thin, too fat, too much or not enough? What if you don't have what it takes to be who you really want

to be? In *Looking for Lovely*, Annie F. Downs shares personal stories, biblical truth, and examples of how others have courageously walked the path God paved for their lives by remembering all God had done, loving what was right in front of them, and seeing God in the everyday—whether that be nature, friends, or the face they see in the mirror. Intensely personal, yet incredibly powerful, *Looking for Lovely* will spark transformative conversations and life changing patterns. No matter who we are and what path God has us on, we all need to look for lovely, fight to finish, and find beautiful in our every day!

The Myth of the Bigger, Better Deal Matt A Mayer, 2024-02-27 Hundreds of millions of people use dating apps. Billions are spent on them. Yet, only 10% of users ever find a long-term relationship on them. Something is horribly wrong when so many people are spending so much money to fail 90% of the time. The dating apps lead everyone to believe the bigger, better deal is just one swipe away, so we kick good or great enough to the curb in search of the perfect match. The only problem is that match is nothing more than a myth, which we will never find. Read one guy's view on what is wrong with the dating apps and what needs to change if we stand any chance of finding love on our smartphones. This brutally honest book is a must read for anyone who uses dating apps and spends far too much time frustrated and confused.
