Traveling Light Eugene H. Peterson,2023-08-15 We aspire to freedom but often resign ourselves to an existence trapped in uneasiness and dread. Is there any way to shed such heaviness and reignite hope for deliverance? In *Traveling Light*, Eugene H. Peterson urges us to listen to an expert on freedom, Paul, whose letter to the Galatians reminds us of the realities of life in Christ, freely given to all. Peterson says, If there is a story of freedom to be told, the story must begin with God. . . . The Bible is not a script for a funeral service, but the record of the proclaimed and witnessed God bringing new life to the dead. Everywhere it is a story of resurrection—life where we expect death. That lightness of spirit we're shown in Scripture is a gift and challenge. With an open path forward, Peterson calls us to embrace change, exploration, trust, love, and much more. Now with a new study guide, share the work of pursuing real rescue and relief through the abiding wisdom of Peterson.

The First Book of Moses, Called Genesis ,1999 Hailed as the most radical repackaging of the Bible since Gutenberg, these Pocket Canons give an up-close look at each book of the Bible.

Archaeology and Bible History Joseph P. Free,Howard Frederic Vos,1992 Using Bible history

as the unifying element rather than a topical approach, this book shows how archaeological discoveries in Bible lands have helped to confirm the accuracy of Scripture. The authors also deal with issues of Biblical interpretation and criticism not strictly archaeological in nature. Free's text has been updated and revised by Vos.

BIBLE: Faith Verses Win Verses LLC, 2013-03-23 Scripture states the earth is round as opposed to flat. Isaiah 40 [22] It is He that sitteth upon the 'circle' of the earth... (KJV) Scripture reveals Light was created first, not the earth, and science has proven solar systems revolve around a core of Light within a galaxy. Genesis 1 [3] And God said, Let there be light: and there was light. [5] ... And the evening and the morning were the first day. We now know the Sun or any star has a life expectancy. Psalms 102 [25] ... and the heavens are the work of thy hands. [26] They shall perish, but thou shalt endure: yea, all of them shall wax old like a garment; as a vesture shalt thou change them, and they shall be changed: Science has proven that the universe is constantly expanding. Isaiah 51 [13] ... the LORD thy maker, that hath stretched forth the heavens, and laid the foundations of the earth; ... A movie called 'Patterns of Evidence' archaeologically proves the existence of Israel's Exodus -available on YouTube. Joshua 21 [45] There failed not ought of any good thing which the LORD had spoken unto the house of Israel; all came to pass. Scripture foretells the ability to live forever. Deuteronomy 11 [21] That your days may be multiplied, and the days of your children, in the land which the LORD sware unto your fathers to give them, as the days of heaven upon the earth. Other verses of interest: Deuteronomy 28 [13] And the LORD shall make thee the head, and not the tail; and thou shalt be above only, and thou shalt not be beneath;... Genesis 28 [14]...and in thee and in thy seed shall all the families of the earth be blessed. This book is a Bible Research Study in the Light of the Holy Qur'an.

Particular Redemption and the Free Offer David H. J. Gay,2013-05-21 The Bible teaches: (i) Christ died only for the elect; (ii) God offers Christ to all. This looks like a first-class contradiction. Many think they have found a way to avoid it. Arminians deny the first statement; hyper-Calvinists, the second. But still the Bible teaches both. Most Calvinists take another route. They use the formula: 'Christ's death - sufficient for all, effective only for the elect'. In this, some follow Moise Amyraut and say that Christ died provisionally for all, but effectively only for the elect. Others follow

John Owen and say that although Christ's death is sufficient for all on account of who he is, nevertheless it was intended and effective only for the elect. In this way, both think they justify the free offer in light of particular redemption. But both are wrong. The Bible does not try to solve the seeming paradox. It never uses 'the sufficiency formula'. It simply states that Christ died for the elect, but even so it commands all sinners to repent and believe - promising them Christ and salvation if they do. While this book does not promise an easy read, it will repay careful study. And the subject is worthy of such. Above all, its author's aim is to glorify God by stimulating the wider, more passionate, and less-inhibited preaching of the free offer to sinners by those who rightly hold to particular redemption. Michael Haykin: 'Impressive in its discussion of theological perspectives and fully competent in its handling of Scripture, here is an excellent resource for thinking through the nature of biblical evangelism and how it relates to the scriptural theme of the sovereignty of God in salvation, especially as the latter relates to the death of Christ. May those who are tempted to cool their passion for the salvation of sinners in light of convictions about Christ's redeeming work read this book and have that passion re-ignited by the fiery light of God's truth'.
