His latest effort, Friends Trivia, is the best source for accurate and well-written trivia questions about the top-rated sitcom during its decade of dominance from 1994 to 2004. The book commences with general information about the show and its history, as well as noteworthy facts guaranteed to educate and enthrall the reader. The next section covers some of the unique and interesting sets, such as Central Perk and Monica's apartment, and iconic props used in the series like Joey's magna doodle, the orange couch, and the picture frame around the peephole. The third chapter covers the most memorable moments in the show which generally pertain to multiple friends or the entire gang. It addresses broader episode plots and character storylines. The next six sections cover specific information directly associated with each main character-Chandler, Joey, Monica, Phoebe, Rachel and Ross-highlighting the most uproarious scenes and unforgettable episodes while testing the viewer's attention to detail. Friends was known for signing big-name movie and television stars as well as developing some of the most unique and fascinating recurring characters in sitcom history.
