**Bicycle Love** Garth Battista, 2014-11-13 "This compilation of tales conforms to a simple Freudian fact: You're as crazy as you thought, but in good company." —Bicycling Magazine Okay, so some of us might be a bit too attached to our bicycles. Outsiders may say this is "inappropriate" or "unnatural." But most cyclists will agree that passionate, all-consuming bicycle love is a fine and glorious thing. Bicycles take us places, physically and metaphysically, we cannot go without them. They move us; they make us dizzy and giddy, exhilarated and exhausted. All athletes love their sport, but cycling has a fetishistic side to it—the love of this deceptively simple machine that allows you to silently float, race, climb, glide over the earth. It brings the rush of wind to your ears and the surge of force through your body as you lean into a turn. It brings you to the fields and woods and sunshine, moving down the open road. Its beauty and charisma are undeniable. These sixty-two personal tales of the many varieties of bicycle love range from dreamy reminiscences of childhood bikes to powerful, sometimes insane adult attachments to mountain bikes, road bikes, and tandems. They all celebrate the freedom of cycling, the elegance of the machine, and the beauty of the act. They tell of the strange and wonderful things a bicycle has brought to life, the relationships that bloom or fade under the bicycle's influence, and the unforgettable places bicycles have brought us. Funny, revealing, and intensely emotional, these stories show the secret inner life of every cyclist.

**Live to Ride** Peter Flax, 2024-03-19 A visual celebration of the beauty and lure of bicycle culture by renowned cycling journalist Peter Flax *Live to Ride* is an ode to cycling from one of the world's most respected cycling journalists. The bicycle is one of the greatest inventions in human history. It can literally transport you to places you want to go—to your school or office, to the summit of a local hilltop, to some objective in your pursuit of fitness—but it can do more than that. A bicycle can also transport you to an entirely different mindset, a place where you can embrace the unexpected and live in the moment. People are drawn to riding for many of the same reasons—to test themselves, find themselves, and express themselves. To find some peace and beauty. To inject fun and adventure into their busy lives. *Live to Ride* is an illustrated gift book for those who love to bike. It's for every type of cyclist—from mountain bikers, to commuters, to tourers and triathletes and beach cruisers and bikepackers and messengers. To wheelie kids, to vintage bike collectors. Author, Peter Flax, a celebrated cycling journalist, is here to show us that cycling should be inclusive—that all riders are connected in various, yet similar, ways. Organized by theme, each one exploring what Flax believes are the shared reasons that people ride: Adventure, Speed, Utility, Nature, Competition, and Self-Expression. Within each chapter are interviews and profiles with a diverse list of famed riders, both legendary and contemporary. Also included is the ultimate destination ride, with a map, based on that chapter's theme; and insider info like the one perfect bike; and essential

gear that a rider needs to be in the know about. Modern and sleek in its design, and filled with a mix of photography and illustration, this is both a book any rider will cherish for years to come.

**With You by Bike** Katrina Rosen,2019-09-03 After many years together Katrina and Mike's marriage has unravelled. In a quest to mend their relationship they embark on a year long, 13,000 kilometre cycling tour with the hope of strengthening their commitment to one another. Katrina is an adventure athlete who craves the wild; her husband, Mike, watches sports with his buddies. Like many couples, after 11 years in a relationship they've grown apart and have become mere acquaintances, as opposed to husband and wife. When they hit rock bottom they realize it's time for a change and they make the dramatic decision to travel the world by bike. The couple ride through barren landscapes, scorching fires, and humid jungles. From backcountry roads in New Zealand, sharing a picnic with a man and his multiple wives in Malaysia, or camping at an orphanage in Cambodia; at every turn, they are touched by locals who feed them stories and laughter. Together they repair 54 flat tires, navigate heat exhaustion in Vietnam, altitude sickness in Tibet, and two robberies before they face the last hard climb to the world's tallest mountain. *With You By Bike* is honest and raw, describing Katrina's search for forgiveness, acceptance, and change. It's about rediscovering choice from the seat of a bicycle, exploring the world, and finding love by veering off the beaten path.
