**Charming Consort** Bing Shan,2019-12-02 Woman, This King will definitely conquer you! The wise and cold Prince was about to get married for the first time. The secret service had arrived and traversed the world. They were useless firewood turned into geniuses, and the Prince of Devilish Charm was very domineering. He was pretending to be the young princess in order to cause trouble. If Your Highness wants to get married, you have to ask if she agrees!

**Cool CEO's Exclusive Love** Jiu YueDeTaoZi,2020-11-20 Having become a maid in the CEO's mansion, she had never thought about what would happen, nor had she ever thought about the huge changes that would take place in her life. For three days and three nights, he did it again and again. He said, Woman, remember who your man is! He was sometimes cold, sometimes gentle, and he melted her heart with his strong gentleness. Yet when she believed that the billionaire had fallen in love with her, a little maid, it was like a bolt out of the blue, he gave the order: Go for an abortion! Make her disappear from my sight ... .. She did not want to believe that the sweetness of the past was false; he did not know how much he had misunderstood her. \*\*\*

**Fun at the Telephone Company** Chuck Bozue,2012-01-05 During my lifetime, I noted that people, particularly men, love to tell stories about their life experiences. If you know a fireman or policeman well enough, you know that they can entertain for hours by relating their on-the-job experiences. Even mundane occupations are settings for good stories. Having worked at a telephone company for thirty-two years, I had my share of experiences. I share them with my friends and family. Sooner or later, someone suggested writing a book. Not a classic, but rather one of those bathroom novels loaded with short stories. Thats what you will find here. However bizarre, they are all true. Of course the names were changed to protect my buddies and me who did and said some incredibly stupid and sometimes dangerous things. In some cases, the company policies and procedures I write about may not be depicted as they actually were. Ive attempted to depict them as the field foremen, technicians, and I perceived them. You will have many laughs and more than a few Ive been there moments along the way. The telephone company wasnt my whole life, so I threw in a few personal and family stories along the way. Hopefully between work and home, these stories will give you background on the real telephone company and also a seemingly directionless individual who was successful because of both.

**Dave Bing** Drew Sharp,2012-11-05 What kind of person loses sight in one eye and then through dedicated practice and honed skills becomes one of the top 50 NBA players of all time? What kind of person, with limited business experience, builds a start-up company into a thriving corporation and is recognized as one of the world's most successful black executives? What kind of person, while running a \$350 million business, takes the time to reach out to black youths lacking father figures and provides counsel and support? And what kind of person, instead of enjoying a well-deserved luxurious retirement, chooses to become mayor of a large city that many long ago had written off as dead? Dave Bing, that's who. In Dave Bing, Detroit Free Press sports columnist Drew Sharp chronicles the compelling story of a figure whose sheer will to succeed, refusal to make excuses for setbacks, and efforts to contribute to society set him apart as an anomaly—a man of virtues so rarely found in recent history. His path from Washington D.C. to Syracuse to Detroit is sometimes tumultuous, blazed by hard work, perseverance, and savvy. Much more than the stereotypical tale of celebrity ex-jock who does good, this is a story about a black male who, even as a youngster, determined to conquer whatever challenges came his way. And now, as mayor of Detroit, Bing encounters perhaps his greatest test of all. Faced with entrenched and power-hungry political foes, a series of failed and corrupt predecessors, a work force ill prepared for today's job market, a staggering city debt, and recent health problems, Bing would appear to have little chance of surviving his office. Both the naysayers and optimists would do well to read the book.

**A Cold Day in Paradise** Steve Hamilton,2000-02-15 When first published, A Cold Day in Paradise won both the Edgar and Shamus awards for Best First Novel, launching Steve Hamilton into the top ranks of today's crime writers. Now, see for yourself why

this extraordinary novel has galvanized the literary and mystery community as no other book before it.... Other than the bullet lodged near his heart, former Detroit cop Alex McKnight thought he had put the nightmare of his partner's death and his own near-fatal injury behind him. After all, the man convicted of the crimes has been locked away for years. But in the small town of Paradise, Michigan, where McKnight has traded his badge for a cabin in the woods, a murderer with the same unmistakable trademarks appears to be back. McKnight can't understand who else would know the intimate details of the old murders. And it seems like it'll be a frozen day in Hell before McKnight can unravel truth from deception in a town that's anything but Paradise.

By Alia's Blood Bing C. Michael,1977-07-07 In the end, the Miami paper would nail it in their editorial. This thing was about Alia, all about her, and her swim that fateful night. The story began 28 years ago with a reporter stationed at a Coral Gables hospital located hard by Biscayne Bay. It concerned the mysterious death of a pregnant Honduran female and a deadly curse they say followed her from the Bay Islands. Alia, descendant of a 17th-century pirate and a woman taken from a captured slaver, was island nobility but chose to flee her family and an arranged marriage to be with the man she loved. Her daughter lived. Rumor had it that it was predestined the newborn would carry the curse, pass it to her surviving firstborn female offspring, then die. So it would travel, daughter to daughter, down through the generations until the bloodline was broken. The attending doctor filled in the required blanks of the death certificate and moved on, duty complete, official cause of death listed as cardiac arrest. Then, as is often the case in legends of cursed bloodlines, the tale sank into the tapestry of local lore. Now, after years of silence, it surfaces, exploding into the public consciousness. Serena, woman child of Alia, must now face her mother's legacy--and break the curse or die.

*Bon Courage* Ken McAdams,2010-08-01 One year and one arduous home-renovation into their marriage, Ken and Bing head to the French countryside to celebrate their long-delayed honeymoon, swearing they're getting out of the home-fixing business for good. When they fall in love with the village of La Montagne Noire, they find themselves buying a fixer-upper and starting all over again-but this time, in French! McAdams recounts their mishaps and misadventures with humor, capturing the essence of French village life, the awkwardness of being foreigners in a close-knit town, the couple's hilarious linguistic pratfalls, and how the mammoth undertaking that threatens to tear their new marriage apart ultimately brings them closer together and helps them find a place in the community they have grown to love.

**Wild Beyond Belief!** Brian Albright,2015-01-27 Exploitation filmmakers played a significant role in revolutionizing American cinema during the 1960s and early 1970s, churning out a string of independent Westerns, biker films, nudie-cuties and horror flicks in record times and often on shoestring budgets. With titles like *Horror of the Blood Monsters*, *Cycle Savages* and *The Incredible 2-Headed Transplant*, these films pushed the boundaries of acceptable on-screen violence and nudity and kept the American theater industry afloat as several major studios teetered on the brink of financial collapse. This work tells the story of that “other” Hollywood through interviews with 16 directors, performers, screenwriters, and stuntmen who helped bring these zero-budget films to the screen against incredible odds. The interviews give insights into exploitation filmmaking from the perspectives of pioneering directors Al Adamson and Jack Hill, actors Jenifer Bishop and Robert Dix, and stuntmen Gary Kent and Gary Littlejohn, and others. The work includes more than 50 photographs, including many rare behind-the-scenes images of the filmmakers on set.
