*Army Life* A. O. Marshall, 2009-09-01 In 1884, when Albert O. Marshall published *Army Life*, a memoir of his service as a private in the Thirty-Third Illinois Regiment, twenty years had passed since his 1864 discharge. Marshall left the journal untouched at publication, and today it is a journal that is rare in what it is not. This memoir is not a complete story of the Thirty-Third (known as the "Normal Regiment" because many of its soldiers were from Illinois State Normal University), nor is it a complete roster of regiment members, nor a list of killed and wounded. *Army Life* is not, even, a purely military account written from an officer's point of view. It is the story of a twenty-year-old private whose engaging writing belies his age but also allows his youth to shine through. Marshall tells of the battles he fought and the games he played, of his friends, fellow soldiers, and officers, and of the regiment's activities in Missouri and Arkansas, at Vicksburg, and in Louisiana and on the Texas Gulf Coast. Enhanced with careful editing and thorough annotations, this journal Marshall carried faithfully to every mustering out is a rich and important Civil War memoir.

Ishmael Reed Ishmael Reed, 2009-09-01 Ishmael

Reed's career as one of our great playwrights has long been eclipsed by his other work. Here published for the first time, Reed's plays follow the ancient tradition of using the theater as a forum in which the official versions of our history can be critiqued. Dealing with subjects that mainstream theatergoers might find disturbing—homelessness, the arbitrary entrapment of a black politician, the excesses of the radical feminist movement, the use of black conservatives to promote right-wing agendas, the exploitation of blacks and Africans as unsuspecting guinea pigs by the pharmaceutical industry, and the hypocrisy of the Christian church—Reed's plays are a pungent antidote to the watered-down world of contemporary pop culture, where, Reed argues, minority voices remain as marginalized and stigmatized as they were a hundred years ago.

**Hunting Love** San Maozi, 2019-12-30 It was about an ordinary woman who had fallen in love with a man who seemed too different from her in the city. He was a demon, a demon that An Qi could not shake off and refused to let go of. After being entangled with him for so many years, An Qi knew very well that he wouldn't be able to defeat him. Every single time, the only one with a body covered in injuries would be An Qi. He was like a wounded kitten, licking his wounds alone. Trembling in the dark.
