A Bird's-eye View of Our Civil War Theodore Ayrault Dodge,1883

The Story of a Bird Lover (Classic Reprint) William Earl Dodge Scott,2015-09-27 Excerpt from The Story of a Bird Lover It is not merely the fact that the author of this book is recognized by ornithologists as one of the foremost experts in America as regards the life and habits of birds that has led the publishers to urge him to write this biography of a bird lover. Neither is it chiefly the fact that his favorite study has led him into many not well-known parts of the country, where his experiences, personal and scientific, have been curious and interesting. It is rather because Mr. Scott in quite an unusual, perhaps even unique, degree has brought the life of birds nearer to the life of man - has established, so to speak, personal relationships with the whole bird kingdom. A visit to Princeton, where Mr. Scott occupies the post of Curator of the Department of Ornithology in the University, and a few hours spent with his remarkable collection of live birds, would show clearly what is meant. Here, in a laboratory forming part of his own house, are in six rooms about five hundred live birds, native and foreign. No small part of the author's time and all the time of an assistant are spent in caring for these birds and in studying them. The Jazz Bird Craig Holden,2012-12-11 October 6, 1927 - On a quiet afternoon in Eden Park, Cincinnati, Imogene, a beautiful society lady, is shot

and killed by her husband, the notorious bootlegger George Remus. After spending a quiet moment over the body, Remus returns to his car and directs his driver to the police station, where he turns himself in. Shocked and fascinated by this horrible murder, the country gears up for a sensational trial. The man known as 'the king of the bootleggers' against Chief Prosecutor Charlie Taft, the youngest son of the former president. The facts are clear, the truth less so. What happened to Remus' \$80 million fortune, which disappeared while he was imprisoned on a minor charge? Why did George Remus murder his wife, the blue-blooded beauty once known as the Jazz Bird, who had struggled to free him from prison? And what of Charles Dodge, the federal agent who pursued Remus with such zeal, only to become desperately entangled with his wife? Was the Jazz Bird at the centre of this complicated love triangle or an innocent victim of circumstances beyond her control?
