

Birth

William Sears,William Sears (M.D.),Martha Sears

The Positive Birth Book Milli Hill,2017-03-16 Work out what kind of birth you really want, and learn how to maximise your chances of getting it, in this refreshing, warm and witty guide to pregnancy, birth and the early weeks. Packed with vital and cutting-edge information on everything from building the ultimate birth plan, to your choices and rights in the birth room; from optimal cord clamping, to seeding the microbiome; from the inside track on breastfeeding, to woman-centred caesarean, The Positive Birth Book shows you how to have the best possible birth, regardless of whether you plan to have your baby in hospital, in the birth centre, at home or by elective caesarean. Find out how the environment you give birth in, your mindset and your expectations can influence the kind of birth you have, and be inspired by the voices of real women, who tell you the truth about what giving birth really feels like. Challenging negativity and fear of childbirth, and brimming with everything you need to know about labour, birth, and the early days of parenting, The Positive Birth Book is the must-have birth book for women of the 21st century.

The Birth Book William Sears,William Sears (M.D.),Martha Sears,1994-01-01 Gives expectant parents an overview of the options available, offering up-to-the-minute advice on such matters as physical and emotional preparation, the father's role, avoiding a cesarean birth, and other information

Natural Hospital Birth Cynthia Gabriel,2011-03-17 A complete and reassuring guide to natural childbirth in a hospital setting.

Polly's Birth Book Polly Block,1996-05-01

Gentle Birth Choices Barbara Harper,2005-08-09 Birth as every woman would like it to be • Recommended by Lamaze International as one of the top ten books for pregnant women and their families • Includes a 45-minute DVD of six live gentle births • More than 32,000 copies sold of the original edition New parents are faced with a myriad of choices about pregnancy, labor, and birth. In Gentle Birth Choices Barbara Harper, renowned childbirth advocate, nurse, former midwife, and mother of three, helps to clarify these choices and shows how to plan a meaningful, family-centered birth experience. She dispels medical myths and reimagines birth without fear, pain, or violence. Harper explains the numerous gentle birth choices available, including giving birth in an independent birth center, at home, or in a hospital birthing room; finding a primary caregiver who shares your philosophy of birth; and deciding how to best use current technologies. She also provides practical advice for couples wishing to explore the option of using a doula or water during labor and birth to avoid the unwanted effects of drugs and epidurals. The Gentle Birth Choices DVD blends interviews with midwives and physicians and six actual births that illustrate the options of water birth, home birth, and vaginal birth after a prior Cesarean section. The DVD clearly reveals the strength of women during childbirth and the healthy and happy outcome of women exercising gentle birth choices. It is a powerful instructional tool, not only for expectant parents, but also for midwives, hospitals, birth centers, and doctors.

Ways of Knowing about Birth Robbie Davis-Floyd,2017-10-11 There is no other living scholar with Davis-Floyd's solid roots, activism, and scholarly achievements on the combined subjects of childbirth, midwifery, obstetrics, and medicine. Ways of Knowing about Birth brings together an astounding array of her most popular and essential works, all updated for this volume, spanning over three decades of research and writing from the perspectives of cultural, medical, and symbolic anthropology. The 16 essays capture Robbie Davis-Floyd's unique voice, which brims with wisdom, compassion, and deep understanding. Intentionally cast as stand-alone pieces, the chapters offer the ultimate in classroom flexibility and include discussion questions and recommended films.

Babies Are Not Pizzas Rebecca Dekker,2019-08-20 While finishing her doctorate, Rebecca gave birth to her firstborn. But hospital practices and policies that were more than 20 years out of date left her with preventable complications. Join Rebecca as she exposes the stark realities of institutional care during childbirth and reveals inspirational solutions for parents and professionals alike.

The Business of Birth Louise Marie Roth,2021-02-01 How the fear of malpractice affects mothers and reproductive choices Giving birth is a monumental event, not only in the personal life of the woman giving birth, but as a medical process and procedure. In The Business of Birth, Louise Marie Roth explores the process of giving birth, and the ways in which medicine and law interact to shape maternity care. Focusing on the United States, Roth explores how the law creates an environment where medical providers, malpractice attorneys, and others limit women's rights and choices during birth. She shows how a fear of liability risk often drives the decision-making process of medical providers, who prioritize hospital efficiency over patient safety, to the detriment of mothers themselves. Ultimately, Roth advocates for an approach that protects the reproductive rights of mothers. A comprehensive overview, The Business of Birth provides valuable insight into the impact of the law on mothers, medical providers, maternity care practices, and others in the United States.

Laboring On Wendy Simonds,Barbara Katz Rothman,Bari Meltzer Norman,2013-10-23 Facing the polar forces of an epidemic of Cesarean sections and epidurals and home-like labor rooms, American birth is in transition. Caught between the most extreme medicalization — best seen in a Cesarean section rate of nearly 30 percent — and a rhetoric of women's choices and the natural, women and their midwives, doulas, obstetricians, and nurses labor on. Laboring On offers the voices of all of these practitioners, all women trying to help women, as they struggle with this increasingly split vision of birth. Updating Barbara Katz Rothman's now-classic In Labor, the first feminist sociological analysis of birth in the United States, Laboring On gives a comprehensive picture of the ever-changing American birth practices and often conflicting visions of birth practitioners. The authors deftly weave compelling accounts of birth work, by midwives, doulas, obstetricians, and nurses, into the larger sociohistorical context of health care practices and activism and offer provocative arguments about the current state of affairs and the future of birth in America.

What We Talk About When We Talk About Birth Elissa Schappell,2014-03-25 It's an elemental, almost animalistic urge—the expectant mother's hunger for birth narratives. We are inundated with how-to guides and month-by-month pregnancy manuals when what we truly crave are artful, entertaining, unvarnished accounts of labor and delivery. We want to know what really happens—the good, the bad, and the ugly. In anticipation of the publication of Labor Day: True Birth Stories by Today's Best Women Writers, celebrated author Elissa Schappell brings us What We Talk About When We Talk About Birth. In this frank, funny, and bittersweet essay she explores the phenomenon of sharing birth stories, reveals her reluctance to tell her own, and discovers that talking about childbirth—the joy, the fear, the pain—is as instinctual as the act itself. And if you love birth stories as much as we do, read thirty more essays like this one in Labor Day: True Birth Stories By Today's Best Women Writers, including Lan Samantha Chang, Julia Glass, Lauren Groff, Ann Hood, Danzy Senna, Dani Shapiro, and Cheryl Strayed.

The Water Birth Book Janet Balaskas,2004 The Waterbirth Book is the comprehensive guide to all aspects of waterbirth and the use of water throughout pregnancy and during infancy.

The Birth Order Book Kevin Leman,2009-10 Key insights into birth order help readers understand themselves and improve their marriage, parenting, and career skills.

Our Bodies, Ourselves: Pregnancy and Birth Boston Women's Health Book Collective,Judy Norsigian,2008-03-04 The trusted editors of Our Bodies, Ourselves, called “a feminist classic” by The New York Times, present a comprehensive guide to pregnancy and childbirth, from prenatal care and emotional well-being to how to handle the pain of childbirth. Pregnancy and birth are as ordinary and extraordinary as breathing, thinking, or loving. But as soon as you announce you're expecting, you may be bombarded with advice from every angle—well-meaning friends, relatives, medical professionals, even strangers want to weigh in on what you should or shouldn't do, and it's easy to feel overwhelmed by their conflicting recommendations. Our Bodies, Ourselves: Pregnancy and Birth will help you sort fact from fiction, giving you the most accurate research, up-to-date information, and the firsthand experiences of numerous women who have been exactly where you are today. You'll get the tools you need to take care of yourself and your baby during and after your pregnancy, from tips on eating well during pregnancy to strategies for coping with stress and depression. Learn everything you need to know about: · Choosing a good health care provider · Selecting a place of birth · Understanding prenatal testing · Coping with labor pain · Speeding your physical recovery · Adjusting to life as a new mother Our Bodies, Ourselves: Pregnancy and Birth is an essential resource for women that will guide you through the many decisions ahead.

A Good Birth Anne Lyerly,2013-08-01 Drawing on a landmark study involving more than one hundred pregnant women and mothers, a renowned OB/GYN synthesizes the secrets to a good birth—medically and emotionally. Most doctors are trained to think of a “good” birth only in terms of its

medical success. But Dr. Anne Lyerly knows firsthand that there are many other important elements that often get overlooked. Her three-year study of a diverse group of over one hundred expectant moms asked what matters most to women during childbirth. The results, presented to the public for the first time in *A Good Birth*, show what really matters goes beyond the clinical outcome or even the usual questions of hospital versus birthing center, and reveal universal needs of women, like the importance of feeling connected, safe, and respected. Bringing a new perspective to childbirth, the book’s wisdom is drawn from in-depth interviews with women with a wide variety of backgrounds and experiences, and whose birth stories range from quick and simple to complicated and frightening. Describing what went well, what didn’t, and what they’d do differently next time, these mothers give voice to the complete experience of childbirth, helping both women and their healthcare providers develop strategies to address the emotional needs of the mother, going beyond the standard birth plans and conversations. Transcending the “medical” versus “natural” childbirth debate, *A Good Birth* paves the entryway to motherhood, turning our attention to the deeper and more important question of what truly makes for the best birth possible.

Do Birth Caroline Flint,2024-01-09 Whether it's your first, second or fifth baby, most of us approach childbirth with some trepidation. Yet this life-changing event can, and should, be a positive one. Midwife Caroline Flint is one of the most inspirational figures in the world of childbirth. Over the years, she has helped hundreds of women give birth comfortably and confidently. And now she will help you. In *Do Birth*, you'll find out: - Preparations to make if you choose a homebirth - Intuitive ways to help labour progress smoothly - How to make a hospital birth more homely - Advice on breastfeeding and the first hours, days and weeks with your newborn Having a baby is one of life's most exciting adventures. This book will help you to embrace it.

Birth Matters Ina May Gaskin,2011-03-22 Renowned for her practice's exemplary results and low intervention rates, Ina May Gaskin has gained international notoriety for promoting natural birth. She is a much-beloved leader of a movement that seeks to stop the hyper-medicalization of birth—which has lead to nearly a third of hospital births in America to be cesarean sections—and renew confidence in a woman's natural ability to birth. Upbeat and informative, Gaskin asserts that the way in which women become mothers is a women's rights issue, and it is perhaps the act that most powerfully exhibits what it is to be instinctually human. *Birth Matters* is a spirited manifesta showing us how to trust women, value birth, and reconcile modern life with a process as old as our species.

Birth Karen Brody,2011-12-09 Think giving birth is just one day so your birth choices don't matter? Think again. Playwright Karen Brody interviewed over one hundred low-risk, educated mothers about their birth experiences and turned what she discovered into a critically acclaimed play *Birth*. Today the play is part of BOLD, a global movement to improve childbirth choices for mothers. If you want to understand childbirth today then this is a must-read (and see!) play. The themes in *Birth* are universally found in most industrialized countries today: - a surprisingly large number of pregnant women do not know their birth options and the risks of medical interventions; - pregnant women are being physically and verbally coerced; - power - and pleasure - are available to women who give birth; - and that inside all pregnant moms there is a knowing that their bodies rock. *Birth* has been performed to sold-out audiences throughout the world as part of the BOLD movement, raising money for projects that educate pregnant mothers and expand their childbirth choices. This book includes the complete second edition of *Birth*, a foreword by bestselling women's health author Dr. Christiane Northrup, and Karen Brody's reflections on childbirth today and how pregnant mothers can have an empowering birth.

Birth Chairs, Midwives, and Medicine Amanda Carson Banks,1999-01-01
African American Midwifery in the South Gertrude Jacinta Fraser,1998-11-30 In an important contribution to African American studies and anthropology, *African American Midwifery in the South* brings new voices to the discourse on the hidden world of midwives and birthing.

Giving Birth with Confidence Judith Lothian,Charlotte De Vries,2017-03-28 For a Safe and Healthy Birth... Your Way! *Giving Birth with Confidence* will help take the mystery out of having a baby and help you better understand how your body works during pregnancy and childbirth, giving you the confidence to make decisions that best ensure the safety and health of you and your baby. *Giving Birth with Confidence* is the first and only pregnancy and childbirth guide written by Lamaze International, the leading childbirth education organization in North America. Written with a respectful, positive tone, the full version of this book presents: • Information to help you choose your maternity care provider and place of birth • Practical strategies to help you work effectively with your care provider • Information on how pregnancy and birth progress naturally • Steps you can take to alleviate fear and manage pain during labor • The best available medical evidence to help you make informed decisions Previously titled *The Official Lamaze Guide*, this 3rd edition has updated information on: • How vaginal birth, keeping mother and baby together, and breastfeeding help to build the baby’s microbiome. • How hormones naturally start and regulate labor and release endorphins to help alleviate pain. • Maternity-care practices that can disrupt the body’s normal functioning. • The latest recommendations on lifestyle issues like alcohol, vitamins, and caffeine. • Room sharing and cosleeping: the controversy, recommendations, and safety guidelines. • Out-of-hospital births are on the rise: New research and advice on planned home birth, including ACOG’s revised guidelines, which support women’s choices and promote seamless transfer to hospital, if needed. • The importance of avoiding unnecessary caesareans for mother and child. Includes the new ACOG guidelines on inductions and active labor. • The research in support of the Lamaze International’s “Six Healthy Birth Practices,” which are: • Let labor begin on its own. • Walk, move around, and change positions throughout labor. • Bring a loved one, friend, or doula for continuous support. • Avoid interventions that aren’t medically necessary. • Avoid giving birth on your back and follow your body’s urges to push. • Keep mother and baby together—it’s best for mother, baby, and breastfeeding.

Eventually, you will definitely discover a additional experience and exploit by spending more cash. still when? complete you tolerate that you require to acquire those all needs when having significantly cash? Why dont you try to get something basic in the beginning? Thats something that will guide you to comprehend even more a propos the globe, experience, some places, in the manner of history, amusement, and a lot more?

It is your unconditionally own times to operate reviewing habit. in the midst of guides you could enjoy now is **Birth** below.

Birth Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Birth PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Birth PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Birth free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across

different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Birth Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
