Black Beauty Anna Sewell,2015-12-01 Continuously in print and translated into multiple languages since it was first published, Anna Sewell's Black Beauty is a classic work of children's literature and an important text in the fields of Victorian studies and animal studies. Writing to "induce kindness, sympathy and an understanding treatment of horses," Sewell realistically documents the working conditions of Black Beauty, who moves down the social scale from a rural carriage horse to a delivery horse in London. Sewell makes visible and tangible the experience of animals who were often treated as if they were machines. Though she died shortly after it was published, Sewell's book contributed significantly to late nineteenth-century campaigns for humane treatment of horses and remains a seminal anti-cruelty text today. The Broadview Press edition reproduces the first edition of 1877, restoring material often abridged in other modern editions. Appendices include materials on contemporary animal-rights movements, "equine management," and Victorian understandings of animal emotions.

Anna Sewell's Black Beauty Cathy East,2009-06-25 Black Beauty, published in 1877 and set in Victorian London, was Anna Sewell's only novel. Yet it has remained a classic for 140 years. Now the beloved story of Black Beauty is retold for beginning readers with full-color illustrations on every page.

Black Beauty (1877). By: Anna Sewell Anna Sewell,2017-02-11 Black Beauty is an 1877 novel by English author Anna Sewell. It was composed in the last years of her life, during which she remained in her house as an invalid. The novel became an immediate best-seller, with Sewell dying just five months after its publication, but having lived long enough to see her only novel become a success. With fifty million copies sold, Black Beauty is one of the best-selling books of all time. While forthrightly teaching animal welfare, it also teaches how to treat people with kindness, sympathy, and respect. In 2003, the novel was listed at number 58 on the BBC's survey The Big Read. PLOT: The story is narrated in the first person as an autobiographical memoir told by the titular horse named Black Beauty-beginning with his carefree days as a colt on an English farm with his mother, to his difficult life pulling cabs in London, to his happy retirement in the country. Along the way, he meets with many hardships and recounts many tales of cruelty and kindness. Each short chapter recounts an incident in Black Beauty's life containing a lesson or moral typically related to the kindness, sympathy, and understanding treatment of horses, with Sewell's detailed observations and extensive descriptions of horse behaviour lending the novel a good deal of verisimilitude. The book describes conditions among London horse-drawn taxicab drivers, including the financial hardship caused to them by high licence fees and low, legally fixed fares. A page footnote in some editions says that soon after the book was published, the difference between 6-day taxicab licences (not allowed to trade on Sundays) and 7-day taxicab licences (allowed to trade on Sundays) was abolished and the taxicab licence fee was much reduced. Anna Sewell (30 March 1820 - 25 April 1878) was an English novelist, best known as the author of the classic 1877 novel Black Beauty. Biography: Anna Sewell was born on 30 March 1820 in Great Yarmouth, Norfolk, England, into a devoutly Quaker family. Her father was Isaac Phillip Sewell (1793-1879), and her mother, Mary Wright Sewell (1798-1884) was a successful author of children's books. She had one sibling, a younger brother named Philip and was largely educated at home. When she was twelve, the family moved to Stoke Newington where she attended school for the first time. Two years later, however, she slipped while walking home from school and severely injured her ankles. Her father took a job in Brighton in 1836, in the hope that the climate there would help to cure her. Despite this, and most likely because of mistreatment of her injury, for the rest of her life she could not stand without a crutch or walk for any length of time. For greater mobility, she frequently used horse-drawn carriages, which contributed to her love of horses and concern for the humane treatment of animals. At about this time, both Sewell and her mother left the Society of Friends to join the Church of England, though both remained active in evangelical circles. Her mother expressed her religious faith most noticeably by authoring a series of evangelical children's books, which she helped to edit, though all the Sewells, and Mary Sewell's family, the Wrights, engaged in many other good works. While seeking to improve her health in Europe, Sewell encountered various writers, artists, and philosophers, to which her previous background had not exposed her.....

Black Beauty's Early Days in the Meadow Anna Sewell,2013-09-01 One of the most popular animal stories of all time, Anna Sewell's Black Beauty was first published in 1877. Drawn from the original text and intended for even the youngest of horse lovers, Black Beauty's Early Days in the Meadow depicts the first few months of the horse's life as a foal frolicking in the meadow. Artist Jane Monroe Donovan renders the classic story in lush oil paintings that convey a pastoral world of green fields and shady trees, while tenderly capturing the special love between mare and foal. The perfect harmony of words and pictures proves once again that the simplest messages are often the strongest. Readers will relish the sweetness of life in the meadow and the companionship of family and friends.

Escape from her father’s court seems impossible, and Emel dreams of a life where she can choose her fate. When members of a secret rebellion attack, Emel stumbles upon an alluring escape route: her father’s best-kept secret—a wish-granting jinni, Saalim. But in the land of the Salt King, wishes are never what they seem. Saalim’s magic is volatile. Emel could lose everything with a wish for her freedom as the rebellion intensifies around her. She soon finds herself playing a dangerous game that pits dreams against responsibility and love against the promise of freedom. As she finds herself drawn to the jinni for more than his magic, captivated by both him and the world he shows her outside her desert village, she has to decide if freedom is worth the loss of her family, her home and Saalim, the only man she’s ever loved.
