**Black Beauty (1877). By: Anna Sewell** Anna Sewell,2017-02-11 Black Beauty is an 1877 novel by English author Anna Sewell. It was composed in the last years of her life, during which she remained in her house as an invalid. The novel became an immediate best-seller, with Sewell dying just five months after its publication, but having lived long enough to see her only novel become a success. With fifty million copies sold, Black Beauty is one of the best-selling books of all time. While forthrightly teaching animal welfare, it also teaches how to treat people with kindness, sympathy, and respect. In 2003, the novel was listed at number 58 on the BBC's survey The Big Read. PLOT: The story is narrated in the first person as an autobiographical memoir told by the titular horse named Black Beauty-beginning with his carefree days as a colt on an English farm with his mother, to his difficult life pulling cabs in London, to his happy retirement in the country. Along the way, he meets with many hardships and recounts many tales of cruelty and kindness. Each short chapter recounts an incident in Black Beauty's life containing a lesson or moral typically related to the kindness, sympathy, and understanding treatment of horses, with Sewell's detailed observations and extensive descriptions of horse behaviour lending the novel a good deal of verisimilitude. The book describes conditions among London horse-drawn taxicab drivers, including the financial hardship caused to them by high licence fees and low, legally fixed fares. A page footnote in some editions says that soon after the book was published, the difference between 6-day taxicab licences (not allowed to trade on Sundays) and 7-day taxicab licences (allowed to trade on Sundays) was abolished and the taxicab licence fee was much reduced. Anna Sewell (30 March 1820 - 25 April 1878) was an English novelist, best known as the author of the classic 1877 novel Black Beauty. Biography: Anna Sewell was born on 30 March 1820 in Great Yarmouth, Norfolk, England, into a devoutly Quaker family. Her father was Isaac Phillip Sewell (1793-1879), and her mother, Mary Wright Sewell (1798-1884) was a successful author of children's books. She had one sibling, a younger brother named Philip and was largely educated at home. When she was twelve, the family moved to Stoke Newington where she attended school for the first time. Two years later, however, she slipped while walking home from school and severely injured her ankles. Her father took a job in Brighton in 1836, in the hope that the climate there would help to cure her. Despite this, and most likely

because of mistreatment of her injury, for the rest of her life she could not stand without a crutch or walk for any length of time. For greater mobility, she frequently used horse-drawn carriages, which contributed to her love of horses and concern for the humane treatment of animals. At about this time, both Sewell and her mother left the Society of Friends to join the Church of England, though both remained active in evangelical circles. Her mother expressed her religious faith most noticeably by authoring a series of evangelical children's books, which she helped to edit, though all the Sewells, and Mary Sewell's family, the Wrights, engaged in many other good works. While seeking to improve her health in Europe, Sewell encountered various writers, artists, and philosophers, to which her previous background had not exposed her.....

Daughter of the Salt King A. S. Thornton, 2021-02-02 2021 Foreword INDIES Finalist A girl of the desert and a jinni born long ago by the sea, both enslaved to the Salt King—but with this capricious magic, only one can be set free. As a daughter of the Salt King, Emel ought to be among the most powerful women in the desert. Instead, she and her sisters have less freedom than even her father's slaves ... for the Salt King uses his own daughters to seduce visiting noblemen into becoming powerful allies by marriage. Escape from her father's court seems impossible, and Emel dreams of a life where she can choose her fate. When members of a secret rebellion attack, Emel stumbles upon an alluring escape route: her father's best-kept secret—a wish-granting jinni, Saalim. But in the land of the Salt King, wishes are never what they seem. Saalim's magic is volatile. Emel could lose everything with a wish for her freedom as the rebellion intensifies around her. She soon finds herself playing a dangerous game that pits dreams against responsibility and love against the promise of freedom. As she finds herself drawn to the jinni for more than his magic, captivated by both him and the world he shows her outside her desert village, she has to decide if freedom is worth the loss of her family, her home and Saalim, the only man she's ever loved.
