**Controlling and Beating Football Defensive Blitz** Bill Renner, 2015-10-01 Coach Renner has coached high school football and called offensive plays for 30 years, 319 games to be exact. He was a head coach for 23 years at four different high schools in two different states, Virginia and North Carolina. He has coached against aggressive blitz oriented defensive coaches and understands the nuances of why and how defenses' blitz. This book shows you how to control where and who the defense can blitz using formations. Coach Renner shows you his simple short passing game and two easy to install run plays to counter attack the blitz. In fact, incorporating these into your offense can eliminate defenses' blitzing you. Coach Renner uses over 40 diagrams to explain and simplify defensive blitz strategy, the short passing game routes to use versus the blitz and two run game blocking schemes. He also provides illustrations and discusses how you can have success using his two blitz proof formations. There is nothing tricky or fancy to Coach Renner's information. Simple formations and plays that when incorporated into your offensive scheme can control and beat any of your opponents who decide to blitz you as a continual strategy. It is a proven offensive method Coach Renner has used for 12 years against the highest level of competition in his state with success. If you want to know how to control and beat defensive blitz Coach Renner's simple but comprehensive plan will help you.

Facing the Blitz Jeff Kemp,2015-03-17 Every Trial Is an Opportunity to Flourish In football, a blitz is an all-out attack. Defenses use them to force the quarterback into a mistake and create mayhem and destruction. But by its nature the blitz also creates an opportunity for the quarterback and his team, as it leaves holes in the defense. What looks like the worst play can become the best. During a life blitz, when everything seems like it's collapsing--financially, relationally, spiritually, or physically--if you take initiative you can do more than just survive. You can grow, succeed, and advance. In Facing the Blitz, Jeff Kemp shares lessons he's learned through all kinds of life blitzes, both personal and professional. Discover how life is about transformation and being others-oriented; having the right mind-set can turn unnecessary fear and misery into courage and joy. No matter who you are--men, women, sports fans, business leaders, etc.--this book is about the things that matter in

your life. Don't end up flat on your back when trouble comes. Learn to seize opportunities to flourish and grow. Includes end-of-chapter questions for assessment and application. I hope you share it with friends to help them through their own difficulties and to strengthen their important teams, from family to business to sports.--Tony Dungy, author of *Uncommon: Finding Your Path to Significance* Facing the Blitz is a gem full of wisdom and hope and practical advice for anyone who fears suffering and difficulty. It's easy to read, remember, and use. In *Facing the Blitz*, Kemp transforms this on-field knowledge into real-life wisdom, teaching you how to beat the blitzes in your life and turn them into victories.--William Bennett, former U.S. Secretary of Education and host of the nationally syndicated talk show *Morning in America* Every one of us will be confronted by seemingly insurmountable odds at some point. *Facing the Blitz* provides solid, biblical advice for confronting life's most difficult challenges.--Jim Daly, president, Focus on the Family As a quarterback, Jeff Kemp knows the blitz well and gives us preparation and training for life's blitzes.--Darrel Billups, ThD, executive director, National Coalition of Ministries to Men A must-read. He's as prepared to face the blitz as well as anyone I know--and I'm not talking about just when he was an NFL quarterback. Read, learn, and apply. Valuable lessons for life's greatest challenges.--Jim Nantz, CBS
