

Blow Up The Frog

Carmen Bredeson

Frogs, 2002-12 Come face to face with the wonders of the natural world with this entertaining new series, packed with fantastic facts, jokes, puzzles, and cartoons. Come FACE TO FACE with the world of frogs with this entertaining and informative book. You'll learn all about the major species of frogs and how they live. Find out which frogs are poisonous, where the biggest frog in the world lives, how frogs grow legs -- and dozens of other unbelievable frog facts! Each FACE TO FACE book is packed with mind-blowing facts, fantastic photos, and zany comic strips. Exciting information bursts off every page of these vibrant books. Dramatic photos and full color art bring the frogs' world to life!

Poison Dart Frogs Up Close Carmen Bredeson, 2009-01-01 Why are they called poison dart frogs, anyway? Readers will learn the answer to this question and more in this exciting book. Colorful, up-close photographs of these beautiful, tiny frogs in their native habitats give readers a stunning view of these fascinating creatures.

Radicalization Melissa Dearey, 2009-12-04 Expanding the influence of auto/biography studies into cultural criminology, *Radicalization: The Life Writings of Political Prisoners* addresses the origins, processes and cultures of terrorist criminality and political resistance in a globalized world. Criminologists and penologists have long been aware of the sheer volume of autobiography emerging from our prisons. Political prisoners, POWs, freedom fighters and terrorists have been consistently and strongly represented in this corpus of work, including such authors as Bobby Sands, Wole Soyinka, Nelson Mandela, Moazzam Begg, Ngugi wa Thiong'o, Angela Davis, George Jackson, and Aung San Suu Kyi among others. For many of those who have been detained for ostensibly politically motivated crimes, life writing has proven to be indispensable in explaining the causes and processes which account for their situation. Embedded with these life writings are narratives of radicalization or resistance. Melissa Dearey here undertakes an international and comparative analysis of such narratives, where the 'life story' is considered as a mode of expressing and transmitting 'radical' cultural values.

The One Year Book of Did You Know Devotions for Kids Nancy S. Hill, 2002 A collection of interesting and sometimes silly facts that relates to a Bible verse.

This Is Frog Harriet Evans, 2020 This is Frog. Will you help him as he bounces about the rain forest? Let's jump right in. Flap, tap and clap with Frog in this humorous, interactive book.

Old Story New Marty Machowski, 2012-10-15 Old Story New makes it easy for parents to stay on the life-giving course of sharing the gospel story with their family. This second volume in Marty Machowski's family devotional series continues the gospel story begun in the Old Testament devotional, Long Story Short. Using the same effective ten-minute-a-day structure, it connects children ...

Don't Call Me Home Alexandra Auder, 2023-05-02 "Don't Call Me Home is about madness and love. Alexandra tells the best stories about her extraordinary childhood as she travels the world with her mother Viva. Wit and wisdom wrapped and bound with love." --Debbie Harry "Alexandra Auder's Don't Call Me Home is thrumming with life, in all its absurdity, vividness, and gunk. I literally laughed and cried, and cheered hard throughout for our intrepid narrator, who has gifted us an incomparable tale." --Maggie Nelson author of *The Argonauts* and *On Freedom* A moving and wickedly funny memoir about one woman's life as the daughter of a Warhol superstar and the intimate bonds of mother-daughter relationships Alexandra Auder's life began at the Chelsea Hotel--New York City's infamous bohemian hangout--when her mother, Viva, a longtime resident of the hotel and one of Andy Warhol's superstars, went into labor in the lobby. These first moments of Alexandra's life, documented by her filmmaker father, Michel Auder, portended the whirlwind childhood and teen years that she would go on to have. At the center of it all is Viva: a glamorous, larger-than-life woman with mercurial moods, who brings Alexandra with her on the road from gig to gig, splitting time between a home in Connecticut and Alexandra's father's loft in 1980s Tribeca, then moving back again to the Chelsea Hotel and spending summers with Viva's upper-middle-class, conservative, hyperpatriarchal family of origin. In *Don't Call Me Home*, Alexandra meditates on the seedy glory of being raised by two counterculture icons, from walking a pet goat around Chelsea and joining the Squat Theatre company to coparenting her younger sister, Gaby, with her mother and partying in East Village nightclubs. Flitting between this world and her present-day life as a yoga instructor, actress, mother, wife, and much-loved Instagram provocateur, Alexandra weaves a stunning, moving, and hilarious portrait of a family and what it means to move away from being your mother's daughter into being a person of your own.

The Burning Sky Ron Faust, 2013-06-12 To salvage his broken-down ranch, near-bankrupt Ben Pearce devises a hunting scheme, the consequences of which he cannot begin to imagine. The prey: three rare, fierce cats--a leopard and two mountain lions caught in the wild. The predators: an arrogant Texas millionaire, his beautiful but disturbed wife, and their near-psychopathic teenage son. Each of them will hunt one of the animals with only Ben as guide: first the wife, then the son, and finally the Texan. In a closed New Mexico canyon, a hunt conceived in evil will run its deadly course when the hunters discover that the leopard is stalking them--an unexpected twist in this terrifying game that will forever change their lives.

Before the Dawn Gerry Adams, 2018-02-28 "In this compelling memoir of his early life, the president of Sinn Féin . . . recalls the development of the modern 'Troubles' in Northern Ireland" (Kirkus). Gerry Adams was the president of Sinn Féin, the political wing of the Irish Republican Army, for more than thirty years. In this autobiography of his early life, he shares a personal account of the political unrest and violence of the 1970s and 80s. He opens up about his imprisonment, secret talks with the British government, his leadership role in Sinn Féin, and the tragic hunger strike by imprisoned IRA prisoners in 1981. Born in 1948, Adams vividly recalls growing up in the working-class Ballymurphy district of West Belfast, where he became involved in the civil rights campaign in the late 1960s. When the unionist regime responded to the protests with violence, the situation exploded into conflict. Adams recounts his growing radicalization, his relationship with the IRA, and the British use of secret courts to condemn republicans. Adams was a political prisoner who spent a total of five years in the notorious Long Kesh prison camp. Though he opposed the hunger strike, Adams was instrumental in the mass campaign of support which saw Bobby Sands elected to British Parliament and Ciaran Doherty and Kevin Agnew elected to Irish Parliament. First published in 1996, this edition contains a new introduction and epilogue written by the author, covering Adams's family, Brexit, and the peace process.

Slimy Underbelly Kevin J. Anderson, 2014-08-26 Two decaying thumbs up!--Jonathan Maberry Flushing Out Evil There's something fishy going on in the Unnatural Quarter.

Bodies are floating face-down, the plumbing is backing up, and something smells rotten—even to a zombie detective like Dan Shamble. Diving into the slimy underbelly of a diabolical plot, Dan comes face-to-tentacles with an amphibious villain named Ah'Chulhu (to which the usual response is Gesundheit!). With his snap-happy gang of gator-guys—former pets flushed down the toilet—Ah'Chulhu wreaks havoc beneath the streets. While feuding weather wizards kick up storms and a gang of thieving lawn gnomes continues their reign of terror, Dan Shamble is running out of time—before the whole stinking city goes down the drain. . . Includes Bonus Story! Praise for the Dan Shamble Novels Darkly funny, wonderfully original.—Kelley Armstrong The Dan Shamble books are great fun. —Simon R. Green Prepare to be entertained.—Charlaine Harris Smart, savvy, incredibly clever! —Heather Graham

Every Child matters "Book of Mirrors" Heike Thieme,2021-08-17 The book of mirrors Insight Knowledge Awareness Introspection Self-discovery Experience Inspiration Growth All about dreams, knowledge of people, dogs, upbringing, work, also with colleagues, art, gained knowledge and maturity.

My Tongue is My Own Ann-Marie Priest,2020-11-17 A masterful portrait of a major Australian writer, her incandescent poetry and her battles to be heard in a male-dominated literary establishment. Winner of the 2023 National Biography Award The first biography of Gwen Harwood (1920--1995), one of Australia's most significant and distinctive poets. Harwood is renowned for her brilliance, but loved for her humour, rebellion and mischief. A public figure by the end of her life, she was always deeply protective of her privacy, and even now, some twenty-six years after her death, little is known of the experiences that gave rise to her extraordinary poems. This book follows Harwood from her childhood in 1920s Brisbane to her final years in Hobart in the 1990s. It traces how a lively, sardonic and determined young woman built a career in the conservative 1950s, blasting her way into the patriarchal strongholds of Australian poetry. Harwood refused to be bound by convention, 'liberating' herself, to use her word, before women's lib existed. Yet she also struggled for much of her life to combine marriage and motherhood with her creative ambitions. In this sense, she is a twentieth-century everywoman. She is also a unique and powerful presence in Australian literary history, a poet who challenged orthodoxies and spoke in a remarkable range of voices. This illuminating, moving biography reveals a deeply passionate figure both at odds with her time and deeply of it, and reclaims and celebrates this important Australian writer. 'Gwen Harwood, that excellent poet and critic, deserves a sympathetic and lively biography. Ann-Marie Priest, to her credit, has just written that book.' --Ann Blainey, winner of 2009 National Biography Award 'Read this meticulous biography with Harwood's poetry in hand, and chase down every poem that Priest cites.' -The Sydney Morning Herald 'Ann-Marie Priest has captured completely the sprite-like nature of one of Australia's finest poets... Through these pages, the great poet feels so alive.' - Judges comments, National Biography Award

A Promise to Catie Judd Holt,1992 Ambulance that no one has called. Billy is not afraid of whatever is causing the events until one night he is chased by two huge, silent dogs which only turn away from him in answer to a shrill whistle he has never heard before. Soon after, he discovers the dogs' owner in an isolated cabin far from everyone else; it is Hebronetta Sikes, an old conjure woman who convinces Billy that he is dealing with a real live ghost. He learns from his neighbor Mrs. Isbell that a.

Bestiary for Business Erika Schelby,2011-04 Business looking into Aesop's mirror, there to see current fads and follies fused to timeless fables? The BESTIARY FOR BUSINESS is doing just that. Today, all of us are in business in one way or another. We are the captives, participants, cheer leaders, anti-heroes or economically injured people in a national and global game. If one listens carefully, one will hear that much of the fun and fairness have gone from economic activities. So if these fables produce some smiles or even relief for annoyance, that would be great. The players in the BESTIARY are (innocent) animals with human characteristics. Now wouldn't it be wonderful if we as a species could advance to capitalism with a truly human face?

Slimy Chicken Zomnibus Kevin J. Anderson,2019-01-06 Together in one volume, two frighteningly hilarious Dan Shamble, Zombie P.I. adventures. SLIMY UNDERBELLY: There's something fishy going on in the Unnatural Quarter. Bodies are floating face-down, the plumbing is backing up, and something smells rotten—even to a zombie detective like Dan Shamble. Diving into the slimy underbelly of a diabolical plot, Dan comes face-to-tentacles with an amphibious villain named Ah'Chulhu and his snap-happy gang of gator-guys. While feuding weather wizards kick up storms and a gang of thieving lawn gnomes continues their reign of terror, Dan Shamble is running out of time before the whole stinking city goes down the drain. TASTES LIKE CHICKEN: Shamble faces his most fowl case yet, when a flock of murderous feral chickens terrorizes the Unnatural Quarter. Also in the caseload, Shamble deals with the sinister spokesman for Monster Chow Industries, a spreading contamination that drives vampires berserk, a serial-killer demon from the Fifth Pit of Hell, a black-market blood gang led by the nefarious Ma Hemoglobin, a ghost fighting a hostile takeover of his blood bars...and a cute little vampire girl who may, or may not, be his daughter. With his ghost girlfriend Sheyenne, his bleeding-heart lawyer partner Robin, and his Best Human Friend Officer Toby McGoohan, Dan Shamble is back from the dead and back on the case. The feathers will fly as he goes face-to-beak with the evil peckers.

The American Dreams Philip Ridley,2014-02-17 Philip Ridley is a singular writer, a prolific polymath, probably a genius, and the creator of some of the most peculiar, grotesque and compelling British plays (and films) of the last several years (Time Out) Ridley's film debut The Reflecting Skin caused a sensation at the 1990 Cannes Film Festival and went on to win eleven international awards. Set in the Idaho farmlands of the 1950s, the film follows eight-year-old Seth through a mythical summer where reality is heightened to the level of an hallucinogenic, quasi-fantasy. The Passion of Darkly Noon is a modern fable; echoing the surrealist style of Ridley's dazzling and innovative debut film. A young man roaming the American countryside, the victim of a savage attack on his religious cult, is rescued by Callie, for whom he develops a dangerous obsession. Provocative, shocking and disturbing, a true original...a masterpiece. (What's On)

Tree Frogs Chris Bowman,2015-01-01 The colors of most tree frogs help them blend in with their surroundings. But when startled, some tree frogs shock predators with their brightly colored eyes. Beginning readers will be surprised by other cool facts about tree frogs in this eye-catching title.

Saul Bellow and American Transcendentalism Mohammad A. Quayum,2004 Saul Bellow and American Transcendentalism explores Saul Bellow's moral and philosophical affinity with the writers of American transcendentalism, especially Emerson and Whitman. Its focus is on the «vintage» Bellow, or his «mature» novels, from Henderson the Rain King (1959) to The Dean's December (1982). In these novels, Bellow highlights a moral crisis, arising from humankind's despiritualization and dehumanization,

which, he believes, is responsible for an ongoing dichotomy in the modern world. Bellow describes this as a dichotomy of the «Cleans» and the «Dirties», in the context of American culture. To rectify this dichotomy and redeem humankind from its current «death-ridden» state, Bellow and his protagonists advance a vision of life that corresponds to the transcendental vision of dialogue and «double consciousness», or coordination and balance. Like Emerson, they advocate, «The mid-world is best... A man is a golden impossibility; the line he must walk is a hair's breadth». Comparable to Whitman, they urge the individual to «knit the knot of contrariety» and act as «an arbiter of the diverse».

Teaching Science in Elementary Schools S. Kay Gandy,Harmony Hendrick,Jessica Roberts,2023-07-31 The goal of this book is to provide dynamic activities to help encourage student interest in science, provide quick and easy ideas for teachers, and supplement content available in the classroom. The 50 activities include science topics covered, a list of materials needed, vocabulary words linked to the lesson, and literacy connections.Resources are included for pre-, post-, and during activities with suggestions for teaching vocabulary. Appendices include activity sheets to accompany specific activities.

The Inside & Out Guide to Animals Anita Ganeri,2006 Describes the physical characteristics of different animals and explains why each has the features they do.
