Bonefire of the Vanities Carolyn Haines, 2012-06-19 Tracking down a porn star-turned-psychic who has promised to reunite an eccentric billionaire with her dead child, a suspicious Sarah Booth goes undercover as a maid at the billionaire's estate, where she discovers multiple murders and a host of suspects. By the best-selling author of *Bones of a Feather*.

Them Bones Carolyn Haines, 2009-01-21 Meet Sarah Booth Delaney, an unconventional Southern belle whose knack for uncovering the truth is about to make her the hottest detective in Zinnia, Mississippi . . . if it doesn't make her the deadliest. No self-respecting lady would allow herself to end up in Sarah Booth's situation. Unwed, unemployed, and over thirty, she's flat broke and about to lose the family plantation. Not to mention being haunted by the ghost of her great-great-grandmother's nanny, who never misses an opportunity to remind her of her sorry state—or to suggest a plan of action, like ransoming her friend's prize pooch to raise some cash. But soon Sarah Booth's walk on the criminal side leads her deeper into unladylike territory, and she's hired to solve a murder. Did gorgeous, landed Hamilton Garrett V really kill his mother twenty years ago? And if so, what is Sarah Booth doing falling for this possible murderer? When she asks one too many questions and a new corpse turns up, she is suddenly a suspect herself . . . and Sarah Booth finds that digging up the bones of the past could leave her rolling over in her grave.

Buried Bones Carolyn Haines, 2008-12-24 Private investigation isn't on the list of a southern belle's most desirable accomplishments—but it's saved Sarah Booth Delaney's Delta homestead. Now all she has to cope with is its bossy antebellum ghost who is determined to save Sarah—from spinsterhood. Then comes the perfect social occasion: Lawrence Ambrose's dinner party. . . . Ambrose, once a famous man of southern letters, is planning a comeback: a delicious tell-all with a bitchy ex-model as his “biographer.” As he taunts his dinner guests with the news that his book will blow the lid off Zinnia's darkest secrets, it becomes plain that each and every guest has a secret—and wants Ambrose to keep it. When the morning-after mess includes a bloody corpse and the manuscript of the biography disappears, Sarah Booth goes digging for answers. But many who hold them are six feet under—or soon will be—and if she doesn't tread carefully, she could join them any day now. . . .

Greedy Bones Carolyn Haines, 2009-07-07 Haines's delightful series returns to its Southern roots when a deadly virus threatens Sarah Booth Delaney's Mississippi hometown.

Smarty Bones Carolyn Haines, 2013-05-21 Professor Olive Twist has come to Zinnia, Mississippi to study a mysterious grave wherein lies the Lady in Red, a perfectly preserved and stunningly beautiful but unnamed and unclaimed body. Olive claims she can not only identify the corpse, she can also prove the woman's scandalous role in the nation's history. Olive takes it a step too far, though, when she starts connecting elite Zinnia families with the same scandal. Dander up, Zinnia's society ladies know only one way to handle Olive: they call on the private investigative services of Sarah Booth Delaney. But Olive's real agenda is clear as Mississippi mud, and when Sarah Booth discovers a present-day dead body, she knows there's more than just family pride and Southern heritage at stake. If she can't find the murderer and fast, it might just be Sarah Booth's life on the line next. Carolyn Haines pulls out all the stops in *Smarty Bones*, the next charming, sassy, Southern-fried Sarah Booth Delaney mystery.

Hallowed Bones Carolyn Haines, 2005-01-25 The southern Delta has never been more exhilarating, evocative, and wickedly funny than in the

mysteries of Carolyn Haines. Now she takes readers on another rollicking ride across the Mississippi cotton fields and into the glamour of New Orleans...as P.I. Sarah Booth Delaney follows a winding trail of murder and deception into a world where ghosts make fashion statements—and where one person's miracle is another person's mayhem. The leaves of the calendar may be shedding faster than the sycamores on her family's decaying Mississippi plantation, but thirty-something southern belle Sarah Booth Delaney isn't ready to sing the blues. Not when she's got a thriving detective agency and the outspoken, outrageously attired ghost of her great-great-grandmother's nanny to keep her on her toes. But the matchmaking phantom may have the last word on motherhood when Sarah Booth takes on the controversial case of an accused baby killer. Although Doreen Mallory's been arrested for feeding sleeping pills to her ten-week-old daughter, no one could accuse her of lacking faith. A healer who, tragically, couldn't save her own baby girl, born with multiple birth defects, Doreen has her own crosses to bear. While the local law seems convinced of Doreen's guilt, Sarah Booth isn't so sure. But why is Doreen reluctant to talk about the men in her life? Like the televangelist who stands to lose a lot more than his flock. Or the married politician with family ties to the Mob. Either of them could be little Rebekah's father; either of them could also be her killer. With Halloween approaching and her own personal life up for grabs, Sarah Booth could use a little faith healing herself. Torn between a married sheriff and an old flame who's literally sweeping her off her feet, she'd better be prepared for the fallout of her most unpopular case yet. Justice may not stand a ghost of a chance as a decades-old secret explodes, unleashing a storm of fury on Sarah Booth and all those she loves. Witty, suspenseful, and featuring a cast of memorable characters, *Hallowed Bones* is a riveting tale of faith, murder, and maternal love. It is Carolyn Haines's most accomplished novel yet.

Sticks and Bones Carolyn Haines, 2017-05-16 In Carolyn Haines's next charming mystery, Southern belle turned PI Sarah Booth Delaney digs into a cold case when a film crew comes to town to research the death of a prominent family's son.

Smarty Bones Carolyn Haines, 2013-05-21 When a contentious professor makes claims about the identity of a woman found in a mysterious Mississippi grave and implicates wealthy Zinnia families of having ties to a related scandal, Sarah Booth Delaney is hired by a group of society ladies to clear their names only to discover another body in the professor's hotel room. By the award-winning author of *Bonfire of the Vanities*.

Booty Bones Carolyn Haines, 2014-05-20 Sarah Booth Delaney's fiancé, Graf Milieu, has become depressed while recovering from a severe leg injury, but Sarah Booth knows just how to help him heal. She's arranged a romantic getaway for the two of them at a lovely beach cottage on Dauphin Island off the Gulf Coast. On the first day of their island adventure, they take a historical tour led by Angela Trotter, a young woman well-versed in local lore, including rumors of pirate treasure hidden somewhere on the island. In fact, Angela confides to Sarah Booth and Graf that her father, a sailor and treasure hunter, was murdered just when he thought he was closing in on the treasure. Angela's convinced that the wrong man was imprisoned for her father's murder, and she manages to persuade Sarah Booth to take the case. And Sarah Booth soon realizes that there's much more going on than meets the eye. With untold amounts of treasure offering plenty of motive for murder and a fiancé falling deeper into depression, Sarah Booth's peaceful island vacation is quickly spinning out of control. In *Booty Bones*, Carolyn Haines will once again delight readers with her trademark blend of clever plotting, witty prose, and Southern charm.

Bone to Be Wild Carolyn Haines, 2015-05-19 Sara Booth Delaney investigates when a blues musician and former fling has his life threatened prior to hosting a Halloween ball in New Orleans. By the author of *Booty Bones*.

why not? Graf has already starred in one of Sarah's previous affairs...and is well on his way to landing a big part in the sequel. Thrilled as Sarah is to be in Hollywood, her dream-come-true comes at a price. She has to leave behind her family's ancestral home in Mississippi, her closest friends, and the possibility of settling down with her longtime love to film on location in Costa Rica. Death by Chocolate Chip Cupcake Sarah Graves,2023-11-28 In the fifth Death by Chocolate Mystery by USA Today bestselling author Sarah Graves, Jacobia Jake Tiptree and Ellie White, owners of the Chocolate Moose Bakery, are hired to cater a retired film star's party in what's rumored to be Eastport, Maine's most haunted house... Jake and Ellie are taking a break from perfecting their chocolate pizza recipe to cater a housewarming party hosted by movie icon Ingrid Merryfield. Miss Merryfield is famous for her old-Hollywood glamour. Her new home, Cliff House, has a reputation too--for being haunted. Some of her guests even try to summon a spirit during the party, using a Ouija board. What arrives instead is a freak autumn storm that downs an ancient tree, trapping everyone on the property and setting the stage for a killer's planned spree . . . Though Jake and Ellie don't intend to get stirred into the mix, there's no avoiding it--especially when they witness a guest being shoved over the very precipice that gave Cliff House its forbidding name. As they sift through suspects and motives, their search takes them from a long-lost family graveyard to an herbalist's deceptively sweet cottage and finally to Cliff House's overgrown gardens. Is there some ghostly presence involved--or a flesh-and-blood villain? Either way, can they avoid meeting their very own, very permanent Hollywood ending?

Radiance of Tomorrow Ishmael Beah,2014-01-07 A haunting, beautiful first novel by the bestselling author of A Long Way Gone When Ishmael Beah's A Long Way Gone was published in 2007, it soared to the top of bestseller lists, becoming an instant classic: a harrowing account of Sierra Leone's civil war and the fate of child soldiers that everyone in the world should read (The Washington Post). Now Beah, whom Dave Eggers has called arguably the most read African writer in contemporary literature, has returned with his first novel, an affecting, tender parable about postwar life in Sierra Leone. At the center of Radiance of Tomorrow are Benjamin and Bockarie, two longtime friends who return to their hometown, Imperi, after the civil war. The village is in ruins, the ground covered in bones. As more villagers begin to come back, Benjamin and Bockarie try to forge a new community by taking up their former posts as teachers, but they're beset by obstacles: a scarcity of food; a rash of murders, thievery, rape, and retaliation; and the depredations of a foreign mining company intent on sullyng the town's water supply and blocking its paths with electric wires. As Benjamin and Bockarie search for a way to restore order, they're forced to reckon with the uncertainty of their past and future alike. With the gentle lyricism of a dream and the moral clarity of a fable, Radiance of Tomorrow is a powerful novel about preserving what means the most to us, even in uncertain times. Named one of the Christian Science Monitor's best fiction books of 2014

This book examines six core areas of healing through a holistic lens that is grounded in a decolonizing perspective. Situating integrative healing within social work education and theory, the book takes an interdisciplinary approach, drawing from social memory and historical trauma, contemplative traditions, storytelling, healing literatures, integrative health, and the traditional environmental knowledge of Indigenous Peoples.
