**Mosby's Dental Drug Reference - E-Book** Arthur H. Jeske, 2017-04-18 No dental office should be without this quick-reference drug guide! Mosby's Dental Drug Reference, 12th Edition profiles the most commonly used drugs in dentistry, with emphasis on dental-specific considerations. More than 800 drug monographs make it easy to find information such as dosages, indications, contraindications, interactions, precautions, side effects, and serious reactions. Online resources include over 100 additional drug monographs, photos of common oral complications, patient education guides, and more. From lead editor Arthur Jeske, a well-known researcher and author in dental pharmacology, this pocket-sized reference provides the current, concise drug information you need at the point of care. More than 800 drug monographs include each drug's generic name, pronunciation, brand names, drug class, controlled substances schedule, mechanism of action, uses or indications, doses and routes of administration, side effects/adverse reactions, contraindications, precautions, pharmacokinetics, drug interactions of concern to dentistry, and more. Detailed dental considerations at the end of each monograph include an easy-to-use, bulleted list of specific dental-related information as well as general drug information. Durable, pocket-sized format provides essential drug information at a glance, and makes this guide ideal for chairside use. Emphasis on oral health, prevention, and treatment from the dental hygienist's perspective makes it easier to use drug information for patient and family education. Coverage of oral contraceptives provides dental information on these commonly used drugs, often known only by their brand names. Primers in the front of the guide include information on biologic agents, medication-related osteonecrosis of the jaw, and a list of online resources for the management of medically compromised patients along with management of common oral lesions. Evolve companion website includes more than 100 additional monographs, photos of common oral complications, patient education guides, information on herbs and alternative medicine, and more. NEW! More than 50 new monographs include newly released, FDA-approved drugs and up-to-date content on the latest drug therapies.

**Leading and Managing in Nursing E-Book** Patricia S. Yoder-Wise, Susan Sportsman, 2022-09-09 Gain a solid foundation in nursing leadership and management skills! Using real-world examples, *Leading and Managing in Nursing*, 8th Edition helps you learn to provide caring, compassionate, and professional nursing leadership. Topics range from core concepts to knowing yourself, knowing the organization, communication and conflict, managing stress, delegating, staffing and scheduling, and managing costs and budgets. New to this edition are Next Generation NCLEX® exam-style case studies, three new chapters, and updated guidelines to evidence-based practice. Written by a team of nursing educators and practitioners led by Patricia S. Yoder-Wise and Susan Sportsman, this book combines theory, research, and practical application to help you succeed in an ever-changing healthcare environment. UNIQUE! The Challenge opens each chapter with a real-world scenario in which practicing nurse leaders/managers offer personal stories, encouraging you to think about how you would handle the situation. UNIQUE! The Solution closes each chapter with an effective method to handle the real-life situation presented in The Challenge, demonstrating the ins and outs of problem solving in practice. UPDATED! Reorganized chapters make learning easier, and many are updated with new evidence-based content translating research into practice. Exercises help you apply concepts to the workplace and learn clinical reasoning. Tips for Leading, Managing, and Following offer practical guidelines to applying the information in each chapter. Reflections sections provide the opportunity to consider situations that may be encountered in practice. The Evidence sections summarize relevant concepts and research from scientific literature. Theory boxes highlight and summarize pertinent theoretical concepts related to chapter content. Full-color photos help to convey key concepts of nursing leadership and management. NEW! Next Generation NCLEX® case studies are included in select chapters to familiarize you with these new testing items for the NGN exam. NEW Justice in Healthcare chapter focuses on the importance of diversity, equity, inclusion, belonging, and cultural considerations for patients and staff. NEW Healthy Workplaces: Healthy Workforce chapter includes new content on the prevalence of suicide and promoting the healthy self. NEW Artificial Intelligence chapter covers the significant changes to nursing care as a result of the increasing use of AI in the practice setting. NEW! AACN Essentials Core Competencies for Nursing Education are included in each chapter, outlining the necessary curriculum content and expected competencies of graduates.
