Better Learning Through Structured Teaching: A Framework for the Gradual Release of Responsibility Doug

Fisher, Nancy Frey, 2010-09-10 Better Learning Through Structured Teaching describes how teachers can help students develop stronger learning skills by ensuring that instruction moves from modeling and guided practice (situations where the teacher has most of the responsibility) to collaborative learning and, finally, to independent tasks. You'll find out how to use the four components of this approach to help meet critical challenges, including differentiating instruction and making effective use of class time: 1. Focus Lessons: Establishing the lesson's purpose and then modeling your own thinking for students. 2. Guided Instruction: Working with small groups of students who have similar results on performance assessments. 3. Collaborative Learning: Enabling students to discuss and negotiate with one another to create independent work, not simply one project. 4. Independent Tasks: Requiring students to use their previous knowledge to create new and authentic products. The authors explore each component using student dialogues and examples from a variety of disciplines and grade levels. They provide tips and tools for successfully implementing this instructional approach in your own classroom, including checklists for classroom setup and routines, critical questions, real-world lesson plans, and more. No matter what grade level you teach, Better Learning Through Structured Teaching is your essential guide to helping students develop and expand their capacity for authentic and long-lasting learning.

The Retake Jen Calonita, 2022-02-08 "A book about a time-traveling app? I'm in! Jen Calonita strikes again with a coming-of-age middle grade full of wit and a little bit of magic. " –Sarah Mlynowski, New York Times bestselling author of the Whatever After and Upside Down Magic series A brilliant friendship story that champions kindness, resilience and the courage to challenge long held expectations - both of others and of yourself. --Lauren Myracle, co-author of the New York Times best-selling Upside-Down Magic series You can retake your photos...but what if could redo moments in your life too? With one magical app, Zoe is able to do just that! A smart and funny twist on time travel from New York Times bestselling author Jen Calonita, for fans for Disney's Zapped and The Swap. Zoe knows that the only thing harder than middle school is losing a best friend. She and Laura used to do everything together from taking silly selfies, to joining all the same clubs together and even throwing surprise birthday parties for one another. But lately things have been weird between them. Now Laura will post a photo of her hanging out with other girls before responding to Zoe's simple text. She doesn't even want to sit with her at lunch anymore. Zoe is heartbroken--all she wants is for things to go back to normal. But then a magical app downloads on her phone...and things get even weirder! Suddenly Zoe can travel back in time to moments where her and Laura started drifting apart. It is like a dream come true. A chance for Zoe to mend their friendship. But as Zoe goes back to moments of middle school drama--sleepover games gone wrong, field trips with cliques and crushes, and school projects that bring on more-than-awkward encounters--she realizes that second chances don't always go as planned and that sometimes you need to trust the magic of new beginnings. The Retake is a picture-perfect look at tween friendship, that also explores more serious themes of social media pressure, bullying and what it means

to be yourself. Jen Calonita puts a magical spin on all-to-real middle school drama. Warm, witty and wise, *The Retake* is for anyone who has broken up with a best friend and wished they could go back to the way it used to be.—Megan McCafferty, author of *True to Your Selfie* and Jessica Darling's *It List* series As addictive as your favorite app, you won't be able to put it down. - Stacy McAnulty, the author of *The Miscalculations of Lightning Girl*

iGen Jean M. Twenge, 2017-08-22 As seen in *Time*, *USA TODAY*, *The Atlantic*, *The Wall Street Journal*, and on CBS *This Morning*, BBC, PBS, CNN, and NPR, *iGen* is crucial reading to understand how the children, teens, and young adults born in the mid-1990s and later are vastly different from their Millennial predecessors, and from any other generation. With generational divides wider than ever, parents, educators, and employers have an urgent need to understand today's rising generation of teens and young adults. Born in the mid-1990s up to the mid-2000s, *iGen* is the first generation to spend their entire adolescence in the age of the smartphone. With social media and texting replacing other activities, *iGen* spends less time with their friends in person—perhaps contributing to their unprecedented levels of anxiety, depression, and loneliness. But technology is not the only thing that makes *iGen* distinct from every generation before them; they are also different in how they spend their time, how they behave, and in their attitudes toward religion, sexuality, and politics. They socialize in completely new ways, reject once sacred social taboos, and want different things from their lives and careers. More than previous generations, they are obsessed with safety, focused on tolerance, and have no patience for inequality. With the first members of *iGen* just graduating from college, we all need to understand them: friends and family need to look out for them; businesses must figure out how to recruit them and sell to them; colleges and universities must know how to educate and guide them. And members of *iGen* also need to understand themselves as they communicate with their elders and explain their views to their older peers. Because where *iGen* goes, so goes our nation—and the world.

Linked Gordon Korman, 2021-07-20 An unforgettable novel from the New York Times bestseller Gordon Korman *Link*, Michael, and Dana live in a quiet town. But it's woken up very quickly when someone sneaks into school and vandalizes it with a swastika. Nobody can believe it. How could such a symbol of hate end up in the middle of their school? Who would do such a thing? Because Michael was the first person to see it, he's the first suspect. Because *Link* is one of the most popular guys in school, everyone's looking to him to figure it out. And because Dana's the only Jewish girl in the whole town, everyone's treating her more like an outsider than ever. The mystery deepens as more swastikas begin to appear. Some students decide to fight back and start a project to bring people together instead of dividing them further. The closer *Link*, Michael, and Dana get to the truth, the more there is to face—not just the crimes of the present, but the crimes of the past. With *Linked*, Gordon Korman, the author of the acclaimed novel *Restart*, poses a mystery for all readers where the who did it? isn't nearly as important as the why?

The It Girl Ruth Ware, 2023-05-30 INSTANT #1 NATIONAL BESTSELLER The #1 New York Times bestselling author of the “claustrophobic spine-tingler” (*People*) *One by One* returns with an unputdownable mystery following a woman on the

search for answers a decade after her friend's murder. April Clarke-Cliveden was the first person Hannah Jones met at Oxford. Vivacious, bright, occasionally vicious, and the ultimate It girl, she quickly pulled Hannah into her dazzling orbit. Together, they developed a group of devoted and inseparable friends—Will, Hugh, Ryan, and Emily—during their first term. By the end of the year, April was dead. Now, a decade later, Hannah and Will are expecting their first child, and the man convicted of killing April, former Oxford porter John Neville, has died in prison. Relieved to have finally put the past behind her, Hannah's world is rocked when a young journalist comes knocking and presents new evidence that Neville may have been innocent. As Hannah reconnects with old friends and delves deeper into the mystery of April's death, she realizes that the friends she thought she knew all have something to hide...including a murder. "The Agatha Christie of our generation" (David Baldacci, #1 New York Times bestselling author) proves once again that she is "as ingenious and indefatigable as the Queen of Crime" (The Washington Post) with this propulsive murder mystery that will keep you on the edge of your seat.

How to Break Up with Your Phone Catherine Price, 2018-02-13 Packed with tested strategies and practical tips, this book is the essential, life-changing guide for everyone who owns a smartphone. Is your phone the first thing you reach for in the morning and the last thing you touch before bed? Do you frequently pick it up "just to check," only to look up forty-five minutes later wondering where the time has gone? Do you say you want to spend less time on your phone—but have no idea how to do so without giving it up completely? If so, this book is your solution. Award-winning journalist Catherine Price presents a practical, hands-on plan to break up—and then make up—with your phone. The goal? A long-term relationship that actually feels good. You'll discover how phones and apps are designed to be addictive, and learn how the time we spend on them damages our abilities to focus, think deeply, and form new memories. You'll then make customized changes to your settings, apps, environment, and mindset that will ultimately enable you to take back control of your life.

Broken Screen Doug Aitken, 2006 To the Chinese people, jade is a precious stone endowed with magical properties which encapsulated all that mankind aspires to in terms of character, elegance, tranquility, purity and virtue. The Chinese love jade not merely because of its rarity or its luster but because of a deeper aesthetic value. *Chinese Jade: The Spiritual and Cultural Significance of Jade in China* presents a comprehensive view of jade and its history in China from Neolithic times to the Qing dynasty. It illustrates pieces of jade that are on display not only in the Palace Museum in Beijing but in the many provincial and other museums across China. It will help the reader to understand what jade means to the Chinese in China; how it is classified and described and where it is found and worked and displayed. It has a value beyond that of a simple catalogue and places jade in its natural, and central, cultural context.

A Broken Flute Doris Seale, Beverly Slapin, 2005 A Broken Flute is a book of reviews that critically evaluate children's books about Native Americans written between the early 1900s and 2003, accompanied by stories, essays and poems from its contributors. The authors critique some 600 books by more than 500 authors, arranging titles A to Z and covering pre-school, K-12 levels, and evaluations of some adult and teacher materials. This book is a

valuable resource for community and educational organizations, and a key reference for public and school libraries, and Native American collections.

Becoming a Private Investigator Howie Kahn, 2019-05-07 A fascinating guide to a career as a private investigator written by award-winning journalist Howie Kahn and based on the real-life experiences of an expert in the field—essential reading for someone considering a path to this profession. *Becoming a Private Investigator* puts a seemingly out-of-reach profession within the your grasp. Weaving practical how-to advice with inspiring case studies, Kahn provides actionable steps anyone can take to pursue a career as a P.I. as he shadows two experienced American P.I.s, Sheila Wysocki and Mark Gillespie, both of whom are investigating a series of deaths about which many questions remain. What skills must they master to find out the truth? What risks must they take to succeed? In a narrative full of shocking details, *Becoming a Private Investigator* sheds light on the professionals who fight for justice and change the lives of others forever.

Irresistible Adam Alter, 2018-03-06 “Irresistible is a fascinating and much needed exploration of one of the most troubling phenomena of modern times.” —Malcolm Gladwell, author of New York Times bestsellers *David and Goliath* and *Outliers* “One of the most mesmerizing and important books I’ve read in quite some time. Alter brilliantly illuminates the new obsessions that are controlling our lives and offers the tools we need to rescue our businesses, our families, and our sanity.” —Adam Grant, New York Times bestselling author of *Originals* and *Give and Take* Welcome to the age of behavioral addiction—an age in which half of the American population is addicted to at least one behavior. We obsess over our emails, Instagram likes, and Facebook feeds; we binge on TV episodes and YouTube videos; we work longer hours each year; and we spend an average of three hours each day using our smartphones. Half of us would rather suffer a broken bone than a broken phone, and Millennial kids spend so much time in front of screens that they struggle to interact with real, live humans. In this revolutionary book, Adam Alter, a professor of psychology and marketing at NYU, tracks the rise of behavioral addiction, and explains why so many of today's products are irresistible. Though these miraculous products melt the miles that separate people across the globe, their extraordinary and sometimes damaging magnetism is no accident. The companies that design these products tweak them over time until they become almost impossible to resist. By reverse engineering behavioral addiction, Alter explains how we can harness addictive products for the good—to improve how we communicate with each other, spend and save our money, and set boundaries between work and play—and how we can mitigate their most damaging effects on our well-being, and the health and happiness of our children. Adam Alter's previous book, *Drunk Tank Pink: And Other Unexpected Forces that Shape How We Think, Feel, and Behave* is available in paperback from Penguin.

Flash Mobile: Setting up Flash CS5 for Android Development Matthew David, 2012-10-12 Learn how, as a Flash designer, you can set up a Flash CS5 environment to publish Android apps. Understand how to Design and develop for Android hardware Configure the Android SDK publish setting Set up Flash CS5 for Android Development Install your AIR application onto an Android OS Build your first application for Android using Flash CS5 With the foundation

built, you are now ready to focus on creating great AIR solutions with Flash CS5 for the Android platform.

Behind every mean girl... There's a tragedy Hermione Daguin,2015-05-18 The average human being spends every second of his day fighting against the force of nature to see another day. But I'm different. I'm not afraid of outside forces to take my life away – only myself. Approximatively 10 years ago, something happened to me. Something really bad. But I'm not allowed to talk about it. As a way to release my frustration, I give hell to my body and everyone I come in contact with – especially my parents. No one knows about what happened except the ones who did it...and Him. But he didn't stay. Now, he's back and he's not talking either. I want to stop hurting, I need to stop. Make me stop.

Better Not Pout Annabeth Albert,2018-11-12 In this gay Christmas romance, a snowstorm traps a gruff military police officer playing Santa gets with an overly enthusiastic do-gooder. Teddy MacNally loves Christmas and everything that goes along with it. When he plays an elf for his charity's events, he never expects to be paired with a Scrooge masquerading as Santa Claus. His new mission: make the holiday-hating soldier believe he was born to say ho-ho-ho. Sergeant Major Nicholas Nowicki doesn't do Santa, but he's army to his blood. When his CO asks an unusual favor, Nick of course obliges. The elf to his Kris Kringle? Tempting. Too tempting–Nick's only in town for another month, and Teddy's too young, too cheerful and too nice for a one-night stand. The slow, sexy make-out sessions while Teddy and Nick are alone and snowbound, though, feel like anything but a quick hookup. As a stress-free holiday fling turns into Christmas all year round, Teddy can't imagine his life without Nick. And Nick's days on the base may be coming to a close, but he doesn't plan on leaving anything, or anyone, behind. Praise for *Better Not Pout* "[A] tender and funny contemporary romance. . . . Their sexual chemistry is explosive. . . . Albert's obvious affection for her characters, particularly Nick, makes this tale a pleasure." –Publishers Weekly "A lovely, feel-good story about two people who are perfect for each other but need just a bit of Christmas magic to help them to see it. . . . I teared up a bit near the end, and then closed the book with a happy sigh and a smile on my face, which is never a bad thing." –All About Romance

The Day the Screens Went Blank Danny Wallace,2021-03-18 'So funny' Noel Fielding 'Brilliantly funny' Shappi Khorsandi 'Hilarious' Tim Minchin 'Warm and funny' Frank Cottrell-Boyce Can you imagine a world with no screens? Don't miss the hilarious new 'what-if' adventure from bestselling author, comedian, and presenter Danny Wallace, with illustrations throughout from Gemma Correll. When ten-year-old Stella wakes up to discover a world full of BLANK screens, her family, town, and in fact the whole world seems to have been thrown into chaos. And what about poor Grandma who is stranded at the other end of the country? Cue a rollicking madcap road trip, full of driving disasters and family fallouts, as they set off on a rescue mission. And along the way Stella and her family discover that being away from screens might not be the WORST THING EVER, and even though they might not be able to rely on technology anymore, they can rely on each other instead. *DON'T MISS THE LUCKIEST KID IN THE WORLD – THE BRAND NEW COMEDY ADVENTURE FROM DANNY WALLACE. OUT NOW!* Other books by Danny Wallace: *The Luckiest Kid in the World* *Hamish and the Worldstoppers* *Hamish and the Neverpeople* *Hamish and the Gravity Burp* *Hamish and the Baby Boom*

Guide for Quick Fixes for Laptops and Cell Phones Bob Brunelle, 2016-03-24 Do you own a laptop that is constantly being moved around? Does your work have you traveling with your laptop. The days of the PC are pretty much over. A laptop gets a lot more punishment than desktops do. With this in mind, notebook manufacturers manufacture their systems to stand up from shaking and occasional drops. Despite the way they are made, laptops are often quick to show signs of wear and tear -- and not just on the outside. Most people have their whole life on their laptops. If your laptop is damaged it can cost you time and money in lost of valuable information and productivity. Thankfully, your laptop or notebooks can often be cured with a quick fix. To pinpoint the most common problems, we picked the brains of senior technical-support officials at some major computer manufacturers. And we've provided solutions for getting your laptop back up and running with minimal effort. Cell Phones: Dropping your cell phone, spilling water on it, overheating the battery accidents can happen, and they're not always your fault. How you choose to repair those accidents is your choice. We would like to share some of their favorite at-home solutions, that cell phone specialist recommend. These tips are for pros and beginners. iPhones, smart phones and cell phones with broken screens, water damage and charging failures tend to affect the majority of the repairs required.. They are also the most visible problems and can be diagnosed somewhat more easily; so we'll focus on these problems first!

Fixing Broken Windows George L. Kelling, Catherine M. Coles, 1997 Cites successful examples of community-based policing.

Broken River J. Robert Lennon, 2017-05-16 The most inventive and entertaining novel to date from "a master of the dark arts" (Kelly Link) A modest house in upstate New York. One in the morning. Three people—a couple and their child—hurry out the door, but it's too late for them. As the virtuosic and terrifying opening scene of *Broken River* unfolds, a spectral presence seems to be watching with cold and mysterious interest. Soon the house lies abandoned, and years later a new family moves in. Karl, Eleanor, and their daughter, Irina, arrive from New York City in the wake of Karl's infidelity to start anew. Karl tries to stabilize his flailing art career. Eleanor, a successful commercial novelist, eagerly pivots in a new creative direction. Meanwhile, twelve-year-old Irina becomes obsessed with the brutal murders that occurred in the house years earlier. And, secretly, so does her mother. As the ensemble cast grows to include Louis, a hapless salesman in a carpet warehouse who is haunted by his past, and Sam, a young woman newly reunited with her jailbird brother, the seemingly unrelated crime that opened the story becomes ominously relevant. Hovering over all this activity looms a gradually awakening narrative consciousness that watches these characters lie to themselves and each other, unleashing forces that none of them could have anticipated and that put them in mortal danger. *Broken River* is a cinematic, darkly comic, and sui generis psychological thriller that could only have been written by J. Robert Lennon.

A Constellation of Vital Phenomena Anthony Marra, 2013-05-07 NATIONAL BESTSELLER • WINNER OF THE NATIONAL BOOK CRITICS CIRCLE'S JOHN LEONARD AWARD • LONGLISTED FOR THE NATIONAL BOOK AWARD NAMED ONE OF THE TEN BEST BOOKS OF

THE YEAR BY THE WASHINGTON POST AND ONE OF THE BEST BOOKS OF THE YEAR BY The New York Times Book Review • San Francisco Chronicle • New York • Chicago Tribune • Kansas City Star • GQ • NPR • Christian Science Monitor • Cleveland Plain Dealer In a small rural village in Chechnya, eight-year-old Havaa watches from the woods as Russian soldiers abduct her father in the middle of the night and then set fire to her home. When their lifelong neighbor Akhmed finds Havaa hiding in the forest with a strange blue suitcase, he makes a decision that will forever change their lives. He will seek refuge at the abandoned hospital where the sole remaining doctor, Sonja Rabina, treats the wounded. For Sonja, the arrival of Akhmed and Havaa is an unwelcome surprise. Weary and overburdened, she has no desire to take on additional risk and responsibility. But over the course of five extraordinary days, Sonja's world will shift on its axis and reveal the intricate pattern of connections that weaves together the pasts of these three unlikely companions and unexpectedly decides their fate. A story of the transcendent power of love in wartime, *A Constellation of Vital Phenomena* is a work of sweeping breadth, profound compassion, and lasting significance. Now with Extra Libris material, including a reader's guide and bonus content from the author. Praise for *A Constellation of Vital Phenomena* "Here, in fresh, graceful prose, is a profound story that dares to be as tender as it is ghastly, a story about desperate lives in a remote land that will quickly seem impossibly close and important. . . . I haven't been so overwhelmed by a novel in years. At the risk of raising your expectations too high, I have to say you simply must read this book."—Ron Charles, Washington Post "Extraordinary . . . a 21st century War and Peace . . . Marra seems to derive his astral calm in the face of catastrophe directly from Tolstoy."—Madison Smartt Bell, New York Times Book Review "Ambitious and intellectually restless . . . [Marra is] a lover not a fighter, a prose writer who resembles the Joseph Heller of *Catch-22* and the Jonathan Safran Foer of *Everything Is Illuminated*."—Dwight Garner, New York Times

Simple Acts of Love Maria Del Russo, 2019-07-02 Learn some easy ways to add a little everyday romance into your relationship with this fun guide in the style of *Simple Acts of Kindness*. From breakfast in bed, to taking over a household chore for your partner, to simply making time to cuddle together—this guide shows you just how easy it is to keep the romance alive in your relationship through small gestures you can do anytime! In *Simple Acts of Love*, you'll discover a multitude of suggestions to strengthening your relationship and having more fun together, including: -Leaving a note in your partner's suitcase for them to find while traveling -Getting up early to make the first pot of coffee -Buying their favorite snack to share as a mid-week surprise These simple actions make it easy to be romantic every day while showing your partner just how much you care about them. With *Simple Acts of Love* in hand, you can easily brighten your partner's day and keep your relationship strong and happy.

The Camera Phone Book Aimee Baldrige, 2007-06-12 Marketing experts predict that by 2009, nearly 90% of all cell phones will contain a camera, as manufacturers race to create cheaper, easier-to-use models with more sophisticated cameras, more pixels, flash units and even multiple lenses. Already revolutionizing audiovisual communication, it's a trend that will only grow more explosively—and who better than National Geographic to create a how-to book aimed directly at the millions who carry a camera phone everywhere and want to make the most of it?

Created by two top professionals, this generously illustrated nuts-and-bolts guide is the first of its kind to treat these units as genuine cameras instead of novelties, and the only one to include a full-color photo-essay demonstrating the full capabilities of the latest camera phones. In five easy-to-read chapters, the book explains how to choose good equipment; take better pictures; and store, print and send the best images. Readers will find practical tips on preventing or repairing water damage, protecting easily-scratched lenses inside pockets and purses, and retrieving accidentally-erased images. They'll also learn to access the events, advice, and opportunities of the burgeoning camera phone community, from film festivals to news organizations, moblogs, and more. Featuring the technical savvy of CNet.com's Aimee Baldrige and the creative skill of National Geographic photographer Robert Clark, a camera phone pioneer, this compact yet comprehensive reference combines up-to-the-minute expertise with superb examples, at an inexpensive price that makes it a perfect gift book—or an ideal impulse buy.
