*Broken Wing* David Budbill,2019-03-26 This posthumous novel from acclaimed author David Budbill tells the story of The Man Who Lives Alone in the Mountains. As winter descends on his idyllic home, the man encounters a bird with a broken wing, sending him into a poetic and profound meditation on solitude, friendship, and the unstoppable march of time. In the deep woods of Vermont, The Man Who Lives Alone in the Mountains exists in solitude and simplicity. His days are spent caring for his garden and observing the birds and creatures that visit his home. His nights are spent in a contemplative world of music, poetry, letter writing, and, most importantly, bird watching. As November arrives and The Man prepares for winter, he notices an injured bird, shiny and black, holding his own among bullying blue jays. He is drawn to the bird’s spirit of survival and freedom and names it Broken Wing. Since his only neighbors are a couple of hostile brothers and their bird-hunting cat, Broken Wing becomes a source of inspiration—and a friend. As fall changes to winter and back to spring, The Man’s dreams of Broken Wing give way to meditations on the peaks and valleys of life, the passage of time, and the poetry of nature.

Broken Wing Judith James,2015-08-18 Winner of IPPY gold, a Historical Novels Review Editor's Choice and an All About Romance Desert Island Keeper, Judith James' breathtaking Broken Wing is the poignant story of a complex man, bitterly wounded by life, who finds self-worth through love. Abandoned as a child and raised in a brothel, Gabriel St.Croix has never known family, friendship, or affection. Hiding physical and emotional scars behind an icy facade, his only bond is with the young boy he has spent the last five years protecting from the brutal reality that surrounds them. But all that is about to change. The boy's family has found him and they are coming to take him home. Sarah Munroe blames herself for her brother's disappearance. When he's located safe and unharmed despite where he's been living, she vows to aid the man who rescued him in any way she can. She helps Gabriel face his demons and teaches him to trust in friendship and in love - but when the past catches up with him, he must face it on his own. As a mercenary, pirate, and professional gambler, Gabriel travels to London, France, and the Barbary Coast in a desperate attempt to find Sarah again and all he knows of love - but on the way he will discover that the most dangerous journey and the greatest gamble of all - lies within the darkest regions of his own heart. Warning Gabriel's journey from a man who knows nothing of friendship or affection to a man who is able to love and accept love is a hero's journey, though not, perhaps, one typical of most romances. I've tried to give an honest portrayal of the problems and issues many who survive cruelty and abuse confront, and as a result, it may be too dark and edgy for some readers and it may not appeal to those looking for a lighter read. Those who like raw-edged emotion and intense romance spiced with high adventure, exotic locales, and an extra dollop of history, will I hope, be in for a treat. Like most of us, Gabriel and Sarah are flawed characters trying to do their best, and I dare you not to fall in love with them.

**Broken Wings** Chelle Bliss,2022-10-04 Two broken souls. One chance encounter. After serving seven years in prison for protecting a stranger, Logan “Crow” Taylor has a chance at a new beginning. A chance to start over, but this time he makes a vow to mind his own business and stay under the radar. But when he sees a little girl, waving her hands and screaming for help, he has a choice to make—risk his freedom again or leave the little girl behind. Bridget “Birdie” Connor is a single mother, struggling to manage the delicate balance between the needs of her daughter and demands of her boss. But when she takes a tumble down the stairs, she’s forced to rely on the kindness of others.

**Broken Wing** Thomas Lakeman,2009-03-17 Mike Yeager, an FBI agent with a gift for profiling, is no angel, yet somehow the Bureau has always found a way to forgive him his mistakes. Now, even though he's in disgrace, there's a job that only he can do. In New Orleans in the wake of Hurricane Katrina, a couple was kidnapped; the husband---a spy---was tortured and killed, and now the wife is in danger. Normally the Bureau might ask Yeager to lead a rescue mission, but this time, they want him to pose as a fallen agent---a broken wing---infiltrate the group responsible, and wait to see what he can learn. The kidnappers are thought to be working for Emelio Barca, one of the most powerful crime bosses in New Orleans, and the target of Mike's past botched case. Mike sees this opportunity as his last chance, even though it's bound to wreck his renewed relationship with fellow agent Peggy Weaver, maybe for good. He's gone undercover once before in his career, and that time his mistakes led to Barca's escape and the maiming of Mike's first partner. This time he vows Barca won't get away. One way or another, Yeager's career will come full circle in the Big Easy, the city where it all began. Broken Wing is a breathtaking page-turner from a writer who seems to have mastered the genre in only three novels.
