Visual Poetry Chris Orwig, 2009-08-21 A great photograph has the potential to transcend verbal and written language. But how do you create these photographs? It's not the how that's important, but the who and the what. Who you are as a person has a direct impact on what you capture as a photographer. Whether you are an amateur or professional, architect or acupuncturist, physician or photographer, this guide provides inspiration, simple techniques, and assignments to boost your creative process and improve your digital images using natural light without additional gear. Chris Orwig's insights—to reduce and simplify, participate rather than critique, and capture a story—have made him an immensely popular workshop speaker and faculty member at the prestigious Brooks Institute. His engaging stories presented as lessons follow his classroom approach and highlight what students say is his contagious passion for life. In this accessible and beautifully illustrated four-color guide you will: Discover visual poetry in the creative process Use less to say more with your subject matter Learn to see light, color, shape, and expression Understand what gear is essential Create compelling portraits Make lasting memories of your family and kids Capture the outdoors and adventure Begin the transition from amateur to professional Chris also includes exclusive interviews with such photographers as: Steve McCurry, Chris Rainier, John Sexton, Rodney Smith, Joyce Tenneson, John Paul Caponigro, Marc Riboud, and Pete Turner. The World Through Dexter's Eyes Vickie Versace Mullins, 2017-02-16 Dexter comes into the world with many problems, and he turns his family's life upside down. Outside and lonely, he pulls the siding off the house, destroys the back door, chews up the cable wires and wood patio furniture. Inside, he does more of the same. He appears to not be trainable, so out of frustration, Mom contacts a dog whisperer who tells her Dexter died in a storm in a past life. And when he could not find his family on the other side, he grabbed the first body back, into the world, to try again. There is something very familiar about this story to Mom. Then again, maybe she just feels sorry for the poor deaf guy. Whatever, Mom has tremendous compassion towards Dexter, and there was never such a bond between master and dog; one so strong, he telepathically conveys his story, to her. This book is funny, sad, sweet and deep and a little inverted as it is from Dexter's point of view. For all his antics, he is redeemed as all he wants to do on this earth is love. And it isn't until he and Mom figure out the riddle the dog whisperer presented to them, that Dexter becomes the dog he was meant to be. Then miracles happen; grannies die, daughters go away to school, marriages fall apart, but love prevails.

Bubbly Shea Balik, 2017-10-19 Raise your wine glasses high to toast the men of Dahlonia while they discover the secret to happiness - LOVE. There was no doubt about it, Macalister Whitmore was as straight-laced as they came. He worked all the time, never did anything that would be considered fun, and almost always wore a suit and tie, even in the laid back southern town of

Dahlonia, where the dress code tended to be jeans and t-shirts. It was how his parents raised him and Macalister was sure even a tanning salon couldn't change that. David Wilson wanted to throttle his best friend for sending Mac to his tanning salon to try and loosen up the uptight lawyer. He had never met anyone that had actually worn a suit to a tanning salon before. What Mac needed was a doctor to remove that stick from his ass. Then again, if Mac continued to look down his nose at David, he would remove it himself. Still, it seemed that opposites do attract, so they decide to give each other a chance. Happily ever after may sound like a dream come true, but no one ever said it didn't come with pain and heartache. Will they walk away from each other, or walk through hell for the chance to pop some Bubbly and celebrate finding their happy ending.

His two operatives, a former grifter and a part-time jazz sideman, do their best to help but soon start to think the police might be after the right guy after all. Joe Ganzer has one hope—find who killed the magician...and why.

Eyes of the Innocent Brad Parks, 2011-02-01 Carter Ross, the sometimes-dashing investigative reporter for the Newark Eagle-Examiner, is back, and reporting on the latest tragedy to befall Newark, New Jersey, a fast-moving house fire that kills two boys. With the help of the paper's newest intern, a bubbly blonde known as Sweet Thang, Carter finds the victims' mother, Akilah Harris, who spins a tale of woe about a mortgage rate reset that forced her to work two jobs and leave her young boys without child care. Carter turns in a front-page feature, but soon discovers Akilah isn't what she seems. And neither is the fire. When Newark councilman Windy Byers is reported missing, it launches Carter into the sordid world of urban house-flipping and Jersey-style political corruption. With his usual mix of humor, compassion, and street smarts, Carter is soon calling on some of his friends—gay Cuban sidekick Tommy Hernandez, T-shirt-selling buddy Tee Jamison, and on-and-off girlfriend Tina Thompson—for help in tracking down the shadowy figure behind it all. Brad Parks's debut, *Faces of the Gone*, won the Shamus Award and Nero Award for Best American Mystery. Now Parks solidifies his place as one of the brightest new talents in crime fiction with this authentic, entertaining thriller, *Eyes of the Innocent*.
