*The Truth About Business Today* Carlos Dias, 2005-05 What is the fundamental truth of business today? Today's hot new product or idea has a shelf life of sometimes less than a year. There is little time for resting on one's successes. Constant innovation coupled with a solid business model and strategy are what's needed. But, even these cannot remain static. In *The Fundamental Truth of Business Today*, Carlos Dias explains how he takes an organization through an organic process, what he calls his **Divergent Strategic ThinkingT Process**, to develop the internal systems they need to thrive in this rapidly changing and highly competitive market. Carlos proposes that in an unpredictable world, **Divergent Strategic ThinkingT** emerges as a virtue of innovative, successful entrepreneurs.

**Fierce Leadership** Susan Scott, 2011-01-11 From the author of the acclaimed book *Fierce Conversations* comes the antidote to some of the most wrongheaded practices of business today. · “Provide anonymous feedback.” · “Hire smart people.” · “Hold people accountable.” These are all sound, business practices, right? Not so fast, says leadership

visionary and bestselling author Susan Scott. In fact, these mantras — despite being long-accepted and adopted by business leaders everywhere — are completely wrongheaded. Worse, they are costing companies billions of dollars, driving away valuable employees and profitable customers, limiting performance, and stalling careers. Yet they are so deeply ingrained in organizational cultures that no one has questioned them. Until now. In *Fierce Leadership*, Scott teaches us how to spot the worst “best” practices in our organizations using a technique she calls “squid eye”—the ability to see the “tells” or signs that we have fallen prey to disastrous behaviors by knowing what to look for. Only then, she says, can we apply the antidote.. Informed by over a decade of conversations with Fortune 500 executives, this book is that antidote. With fierce new approaches to everything from employee feedback to corporate diversity to customer relations, Scott offers fresh and surprising alternatives to six of the so-called “best” practices permeating today’s businesses. This refreshingly candid book is a must-read for any manager or leader at any level who is ready to take a long hard look at what trouble might be lurking in their organization - and do something about it.

*My World with Rafiki* Biswajit Nag,2014-11-17 Rafiki means friend in Kiswahili language, which is spoken in a large part of Africa. The book reflects the authors own way of detailing the importance of cooperation for Indian managers in international business as part of his

teaching in MBA class. It is full of anecdotal evidence that have made it an articulate polemic and provide a counterintuitive look toward understanding the business environment. Biswajit has written a fascinating book. He takes an unusual path, and with warmth and accessibility weaves stories and travel adventures around a serious but humanized discussion of crucial economic and social issues. The author treats us to a vividly narrated reminder of the extraordinary value of diversity and the importance of learning from the realities of others. This rich and readable chronicle will be enjoyed by many. - Patrick Low, Vice President of Research, Fung Global Institute, Hong Kong and Former Chief Economist of the World Trade Organization

Biswajit whips up a wonderful plate of cross country experiences. The fast paced book illustrates the perils of attaching labels like emerging market economies that lull MNCs to ignore the rich diversity and consequent opportunity these countries offer. - Subhomoy Bhattacharjee, Deputy Editor, Indian Express

*My World with Rafiki* is a powerful narrative with opinions and doubts that ignite alternative thinking and discernment about the contemporary world. A superb mix of stories and theories, the breathtaking speed of commentary and lively anecdotes keep you wondering for the next surprise. - Bruno Jetin, Researcher, Institute for Research on Contemporary Southeast Asia, Bangkok and Associate Professor, University Paris Nord Sorbonne, Paris
