

# Castles A Very Peculiar History

Rupert Matthews

Castles, A Very Peculiar History Jacqueline Morley, 2012-02-14 Whether you're planning your first siege, building a fortress or just looking for a way to escape the peasants below, 'Castles: A Very Peculiar History' is full of tips, tricks and horror stories from the castle-building trade. We can't all match up to the combined beauty and danger of the Tower of London, but in this title you'll learn who developed the world's first flat-pack castle, the difference between donjons and dungeons (it's important, trust us) and even the best time of year for a siege. Discover how a fortress was brought down by forty pigs and even how to use a common plant to deflect lightning! Gasp in horrible glee at the many horrid substances poured onto besiegers through those dastardly trebuchets (there are things worse than boiling hot oil!). From the keep to the bailey, 'Castles: A Very Peculiar History' is all you need to learn how to build, manage and defend a mighty fortress.

**Yorkshire, A Very Peculiar History** John Malam, 2012-02-06 Yorkshire is well known for its miners, pudding and cricket, but 'Yorkshire, A Very Peculiar History' scrapes beyond the surface and past the clichés. Featuring a host of characters from Yorkshire past and present, it's not all grit and grime! Tracing Yorkshire's history back through Roman and Viking rule, to the various tribes which populated the area in prehistoric times, this book covers the largest county in England from all angles. Featuring quirky tales of Yorkshire's crucial role in the industrial revolution, and detailed stories about the famed Wars of the Roses, it tells the astonishing tale of this large and historic county and its people and culture.

**Wales, A Very Peculiar History** Rupert Matthews, 2012-01-20 From the Roman invasion, through tall tales of Merlin and King Arthur, and right up to and beyond the incredible power of the mining industry, 'Wales, A Very Peculiar History' takes a quirky, sideways look at some of the slightly bizarre aspects of the home of Welsh rarebit, Maelgwn the Dragon, and Llanfairpwllgwyngyllgogerychwyrndrobwlllllantysiliogogogoch. Featuring the full gamut of Welsh providence from the coal-mining years to its rebirth in the 1970s, this book tells a tale of ups and downs, of hills and valleys, and of hope and triumph against the odds, with a few leeks thrown in for good measure.

**The Tudors, A Very Peculiar History** Jim Pipe, 2012-01-20 The Tudors were an odd bunch, even weirder than their subjects, perhaps. When they weren't beheading wives and enemies they were threatening to, or going around earning themselves nicknames like 'Bloody Mary' and 'The 9 Day Queen'. 'The Tudors: A Very Peculiar History' tells the story of the Tudor monarchs, their castles, their lives and their subjects in a time when it was fashionable to slash up your clothes for that 'fresh from battle' look. The book details each monarch's reign and casts light on the more bizarre elements of their time in power, right down to an analysis of their seals and signatures and the various torture and execution methods they liked to use.

**Great Scots A Very Peculiar History** Fiona Macdonald, David Salariya, 2021-02-03 Great Scots, A Very Peculiar History looks at a whole host of great (and not so great) Scots and their influence on the world. The book features a short history of each person, detailing their achievements, personalities and lifestyles in a quirky and memorable way. Including chapters about Scots in power, scientific Scots, scandalous Scots and many, many more, Great Scots, A Very Peculiar History celebrates the men and women

who have helped to shape Scottish history.

**Queen Elizabeth II, A Very Peculiar History** David Arscott, 2012-01-03 EIIR  
Queen Elizabeth II, 60 Years a Queen, A Very Peculiar History' uniquely explores the life and times of Her Majesty Queen Elizabeth II as we approach her 2012 Diamond Jubilee. The story that unfolds is one of doughty determination - the story of a young monarch who finds herself thrust into a new world of relentless public exposure, whose own family turns out to be as frail as everyone else's, but who somehow, for a full 60 years and counting, manages to steer the institution through the choppy waters intact. David Arscott provides an eccentric account of the trials and tribulations that have beset the Queen's reign, from the glamour of her coronation, through the gloom of her 'annus horribilis' to the impending dawn of her Diamond Jubilee.

**Glasgow A Very Peculiar History** Fiona Macdonald, David Salariya, 2021-02-03  
Glasgow, A Very Peculiar History explores the archaeological, social and cultural history of the eponymous city, from the earliest Pict settlers 10,000 years ago through its emergence as a nineteenth-century powerhouse of industry and struggles with poverty, unemployment and disaffection to its present-day incarnation as a hub of cutting-edge digital and start-up businesses. Featuring black and white illustrations, witty anecdotes, incredible information, a timeline and glossary, readers of all ages will be entertained and educated.

**Churchill A Very Peculiar History** David Arscott, David Salariya, 2021-02-03  
Winston Churchill, voted the greatest Briton of all time in a recent public poll, led a life rich in accomplishments, and this fast-paced chronological guide delves into the many ups and downs of his life and career. Marvel at his derring-do and precocious abilities as a young man during the Boer War, wince at his blunders as Home Secretary in the Liberal government, laugh along with his talent for self-promotion and admire his steely resolve during the Second World War. Featuring a beautiful gatefold illustration of Chartwell and its grounds, black and white illustrations, witty anecdotes, incredible trivia, a timeline and glossary, readers of all ages will be entertained and educated.

**Kings and Queens** Macmillan Library Reference USA., 1999 Profiles notable monarchs, past and present, from around the world.

**Ireland, A Very Peculiar History** Jim Pipe, 2011-12-19 Great Britain can be accused of many things; a proliferation of queuing, a fondness of the demon drink; but it's not without more than its fair share of important historical and modern people. 'Great Britons: A Very Peculiar History' looks at a myriad brilliant Britons and their influence on the world. The book features a short potted history of each person, detailing their achievements, personalities and lifestyles in a quirky and memorable way. From kings and queens, pirates and politicians, actors and directors to sportsmen, explorers, scientists and inventors, 'Great Britons: A Very Peculiar History' celebrates the men and women who have shaped Great Britain and made it what it is today.

**Scotland, A Very Peculiar History – Volume 1** Fiona Macdonald, 2011-12-13  
From its earliest inhabitants up to the beginnings of Stewart rule, 'Scotland: A Very Peculiar History - Volume 1' is a lively and informative account of the chequered (or rather, 'tartaned') history of Scotland. Detailing grisly clan wars and the many mythical creatures to look out for while you're out in the wild, this ebook gives an objective account of the

nation's history, with 'no added haggis'! Focussing on the more weird and wonderful aspects of Scottish history, such as forgotten towns and mysterious runes, it celebrates how Scotland came to be, and includes fact boxes, quotes, poetry excerpts and recipes you wouldn't believe!

**Castles of Steel** Robert K. Massie, 2003-10-28 In a work of extraordinary narrative power, filled with brilliant personalities and vivid scenes of dramatic action, Robert K. Massie, the Pulitzer Prize-winning author of *Peter the Great*, *Nicholas and Alexandra*, and *Dreadnought*, elevates to its proper historical importance the role of sea power in the winning of the Great War. The predominant image of this first world war is of mud and trenches, barbed wire, machine guns, poison gas, and slaughter. A generation of European manhood was massacred, and a wound was inflicted on European civilization that required the remainder of the twentieth century to heal. But with all its sacrifice, trench warfare did not win the war for one side or lose it for the other. Over the course of four years, the lines on the Western Front moved scarcely at all; attempts to break through led only to the lengthening of the already unbearably long casualty lists. For the true story of military upheaval, we must look to the sea. On the eve of the war in August 1914, Great Britain and Germany possessed the two greatest navies the world had ever seen. When war came, these two fleets of dreadnoughts—gigantic floating castles of steel able to hurl massive shells at an enemy miles away—were ready to test their terrible power against each other. Their struggles took place in the North Sea and the Pacific, at the Falkland Islands and the Dardanelles. They reached their climax when Germany, suffocated by an implacable naval blockade, decided to strike against the British ring of steel. The result was Jutland, a titanic clash of fifty-eight dreadnoughts, each the home of a thousand men. When the German High Seas Fleet retreated, the kaiser unleashed unrestricted U-boat warfare, which, in its indiscriminate violence, brought a reluctant America into the war. In this way, the German effort to “seize the trident” by defeating the British navy led to the fall of the German empire. Ultimately, the distinguishing feature of *Castles of Steel* is the author himself. The knowledge, understanding, and literary power Massie brings to this story are unparalleled. His portrayals of Winston Churchill, the British admirals Fisher, Jellicoe, and Beatty, and the Germans Scheer, Hipper, and Tirpitz are stunning in their veracity and artistry. *Castles of Steel* is about war at sea, leadership and command, courage, genius, and folly. All these elements are given magnificent scope by Robert K. Massie's special and widely hailed literary mastery. **BONUS:** This edition contains an excerpt from Robert K. Massie's *Catherine the Great*.

**Vampires, A Very Peculiar History** Fiona Macdonald, 2012-02-16 Dragged from the deepest, darkest depths of the 'Very Peculiar History' vaults, this book collects tales of terror, morbid myths and frightening facts that will chill you witless. Introduced by everyone's favourite bloodsucker, Count Dracula, 'Vampires: A Very Peculiar History' features the origin of vampire-like creatures and a biological and mythological look at human blood (including the best places to bite if you were a vampire!) alongside tales of the real-life vampires that may have inspired the first vampire stories. It includes advice on how to spot a vampire as well as how to become one! Even vampires of film, graphic novel and manga get a taste of the action! Don't be scared, be prepared...with 'Vampires, A Very Peculiar History'!

**Life in a Medieval Castle** Jane Shuter, 2005 Throughout history people have

fought each other. So people used to make their towns and villages safer by building fences or ditches around them. Starting in about 850, during the medieval period, people in Europe built castles, or defended homes just for a lord and his household. The lord, his family, and his servants and soldiers all lived there. All the land and castles belonged to the king, but the lord could live in the castle as long as he was loyal to the king.

**The Castle Story** Sheila Sancha,1979 Text and illustrations trace the history of castles in Great Britain from early Iron Age fortifications through the elaborate constructions of the Middle Ages. Also discusses the various parts of a typical castle, their uses, and the everyday life of its inhabitants.

Castles ,1982

**We Have Always Lived in the Castle** Shirley Jackson,1967-10 THE STORY: The home of the Blackwoods near a Vermont village is a lonely, ominous abode, and Constance, the young mistress of the place, can't go out of the house without being insulted and stoned by the villagers. They have also composed a nasty s  
**CASTLES** SIDNEY. TOY,2020

**Castles: Their History and Evolution in Medieval Britain** Marc Morris,2017-04-04 From the author of *The Norman Conquest* and *A Great and Terrible King* comes a sweeping and stunning history of the most magnificent castles in Britain. Beginning with their introduction in the eleventh century, and ending with their widespread abandonment in the seventeenth, Marc Morris explores many of the country's most famous castles, as well as some spectacular lesser-known examples. At times this is an epic tale, driven by characters like William the Conqueror, King John and Edward I, full of sieges and conquest on an awesome scale. But it is also by turns an intimate story of less eminent individuals, whose adventures, struggles and ambitions were reflected in the fortified residences they constructed. Be it ever so grand or ever so humble, a castle was first and foremost a home. To understand castles—who built them, who lived in them, and why—is to understand the forces that shaped medieval Britain.

English Castles: England's most dramatic castles and strongholds (Collins Little Books) Historic UK,2018-10-04 A handy guide to England's most dramatic castles and strongholds, many of which are open to visitors. Includes an eight-page map section showing the locations of castles covered in the book.

Getting the books **Castles A Very Peculiar History** now is not type of inspiring means. ## **Castles A Very Peculiar History Introduction**

Castles A Very Peculiar History Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Castles A Very Peculiar History Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Castles A Very Peculiar History : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Castles A Very Peculiar History : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Castles A Very Peculiar History Offers a diverse range of free eBooks across various genres. Castles A Very Peculiar History Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Castles A Very Peculiar History Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Castles A Very Peculiar History, especially related to Castles A Very Peculiar History, might be challenging as theyre often artistic

creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Castles A Very Peculiar History, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Castles A Very Peculiar History books or magazines might include. Look for these in online stores or libraries. Remember that while Castles A Very Peculiar History, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Castles A Very Peculiar History eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Castles A Very Peculiar History full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Castles A Very Peculiar History eBooks, including some popular titles.

## **FAQs About Castles A Very Peculiar History Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your

reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Castles A Very Peculiar History is one of the best book in our library for free trial. We provide copy of Castles A Very Peculiar History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Castles A Very Peculiar History. Where to download Castles A Very Peculiar History online for free? Are you looking for Castles A Very Peculiar History PDF? This is definitely going to save you time and cash in something you should think about.
