Jazzy Cat Melody Bober, 2013-04-25 Most have heard someone referred to as a cool cat. Now, students can hear where the phrase comes from with Jazzy Cat! This playful piece is in 4/4 meter and C major, but don't be fooled, this solo moves forward with a spritely vigor! The use of blue notes---notes written to sound like they fall between the cracks of the keyboard---paints a very jazzy picture. Students will also find that giving staccato notes attention will bring out the sly cat's playful nature.

Cat with Piano Tuna and Other Feline Nonsense Simon Drew,1990 Whether they are strange, wicked, angelic or exotic these cats are always cats and never the little furry humans often depicted elsewhere. Why some of the cats do the things they do is anyone's guess, but in any case this book will intrigue, perplex and enlighten all at the same time. This is Simon Drew's fifth book and is the first to concentrate so strongly on one subject. The others are A Book of Bestial Nonsense, Nonsense in Flight, Still Warthogs Run Deep and The Puffin's Advice. All have received enthusiastic acclaim and sold widely in the U.K. and the rest of Europe, U.S.A., Australia and New Zealand. SELLING POINTS: Simon Drew has compiled a series of poems, puns and drawings about cats seen from unusual angles AUTHOR: Simon Drew is an unusual combination of artist and wordsmith. He combines these two talents with an inventive and quirky sense of humour in his range of books and invites us to look at the world through the magic of Drewsian spectacles. A new perspective unfolds on the world: the familiar becomes unfamiliar, the known becomes unknown, the serious becomes humorous, reality becomes nonsense. It is a topsy-turvy world of visual and verbal puns that never fail to delight. Simon Drew shakes us out of complacency in the most enjoyable of ways. For those who are not already addicted there is only one thing to suggest - read them all! 48 colour illustrations

My First Piano Adventure: Lesson Book A with CD ,2007-01-01 (Faber Piano Adventures). Written for ages 5 and 6, My First Piano Adventure captures the child's playful spirit. Fun-filled songs, rhythm games and technique activities develop beginning keyboard skills. Three distinguishing features of the Lesson Book A make it unique and effective for the young 5-6 year old beginner. 1. A strong focus on technique embedded in the book through playful technique games, chants, and carefully-composed pieces that gently lead the child into pianistic motions. 2. An outstanding CD for the young student to listen, sing, tap, and play along with at the piano. The orchestrated songs on the CD feature children singing the lyrics, which has great appeal to the 5-6

year old beginner. The CD becomes a ready-made practice partner that guides the student and parent for all the pieces and activities in the books. 3. The fanciful art features five multi-cultural children who are also learning to play. These friends at the piano introduce basic rhythms, white key names, and a variety of white and black-key songs that span classical, folk, and blues. Young students will listen, sing, create, and play more musically with Nancy and Randall Faber's *My First Piano Adventure, Lesson Book A*. The Lesson Book introduces directional pre-reading, elementary music theory and technique with engaging songs, games, and creative discovery at the keyboard. Young students will enjoy the multi-cultural friends at the piano who introduce white-key names, basic rhythms, and a variety of songs which span classical, folk, and blues. Ear-training and eye-training are also part of the curriculum. The Fabers' instructional theory ACE - Analysis, Creativity, and Expression, guides the pedagogy of *My First Piano Adventure*. Analysis leads to understanding, creativity leads to self-discovery, and expression develops personal artistry. The CD for this book offers a unique listening experience with outstanding orchestrations and vocals. The recordings demonstrate a key principle of the course: when children listen, sing, tap, and move to their piano music, they play more musically. [View Helpful Introductory Videos Here](#)
