*Catalan-english/ English-catalan Practical Dictionary* A. Scott Britton,2018-05-15 Catalan is a romance language named after the autonomous province Catalonia in Spain and spoken by well over 9 million people worldwide. It is also the national and only official language of Andorra. Most Catalan speakers, however, reside in Spain's Catalonia and Valencia provinces. Catalan is not a dialect of Spanish, but a language that developed independently from Vulgar Latin during the Middle Ages around the Pyrenees region. During the 19th century and the rise of a nationalist cultural movement in Catalonia, the language was revived as a literary language. Since the 1980s, Catalan has been the language used in state schools, and thus most residents of Catalonia are bilingual in Catalan and Spanish. Ideal for businesspeople, travelers, and students, this dictionary features over 16,000 word-to-word entries, including common words as well as technical, legal, business and locally-specific terms (key cities, foods, and cultural terms). It also includes an exhaustive pronunciation guide and a concise discussion of the basics of Catalan grammar.

Historical Dictionary of the Catalans Helena Buffery,Elisenda Marcer,2010-12-18 Historical Dictionary of the Catalans deals not only with the people who live in Catalonia, but with the language and culture of the Catalan countries. This is done through a chronology, an introductory essay, a bibliography, and over 600 cross-referenced dictionary entries on significant persons, places, events, institutions, and aspects of culture, society, economy, and politics.

**English / Spanish / Catalan Dictionary** John C. Rigdon,2017-08-12 This dictionary contains a guide to English and Spanish pronunciation and grammar, paired with a guide to Catalan pronunciation and grammar, and a dictionary of 2400 of the most commonly used words and phrases. Catalan is an interesting language which is neither Spanish nor French and is spoken by 4 million people primarily along the eastern (Mediterranean) coast of Spain and France. Just when you think aha, this is a lot like Spanish, you'll see a whole group of words that are French, primarily aligned along subjects - Food is French, Love is Spanish kind of things. Barcelona is one of the major cities of Catalonia and there is a strong push for independence from Spain, although the area has been under French domination in the past. Generally the standard of living is higher than other areas in Spain with the overall cost of living comparable to the southern U.S. The people are predominantly Catholic in religion, but like most of the rest of Spain generally secular in their practice of their faith. The Catalonia region is known for the lively beach resorts of Costa Brava, the Pyrenees mountains and as home to surrealist artist Salvador Dalí. Barcelona has an ancient Gothic Quarter, La Rambla pedestrian mall and several beaches. Antoni Gaudí's distinctive architecture can be seen at the Sagrada Família basilica and in the colorful mosaics of Park Güell.Spanish is the official or national language in Spain, Equatorial Guinea, and 19 countries in the Americas. Speakers in the Americas total some 418 million. In the European Union, Spanish is the mother tongue of 8% of the population, with an additional 7% speaking it as a second language. It is usually considered the world's second-most spoken native language, after Mandarin Chinese. You will find an interesting number of words between these three languages which are cognates, but spelling and to some degree pronunciation often varies.This dictionary is extracted from our Words R Us system, a derivative of WordNet.
